The Poppy

October 2021

President's Column

Lori and I had a very enjoyable time at the Angels Camp rally. Yes, the weather was much, much hotter than expected! Our air conditioners and refrigerators certainly got a workout. But thanks to the hosts, the caterer, and all those who attended, it was another very successful NorCal rally. A small group of us with e-bikes went to the Calaveras Big Trees State Park for a really nice bike ride. We started at the visitor center parking lot, and rode down the canyon to the bridge that crosses the north fork of the Stanislaus River and back. It was an absolutely beautiful ride through the forest. Our picture this month was taken on the bridge, with the river in the background. (Photo credit to Bob Verdegaal).

This edition of the Poppy shows the proposed 2022 rally schedule. The rally locations can still change, but the schedule is provided to show what is planned so far, and allows us to mark our calendars for next year. It looks like a great lineup, with a good mix of new locations and familiar favorites. If you can possibly host one of these rallies, please contact our Rally Chair Pat L.

This month's edition also includes the slate of Officers for next year's Board. You will receive an email blast with JotForm link to the electronic ballot. If you don't receive the email blast, that means we don't have your email address. Due to recent change, our elections now have one vote per member rather than one vote per membership. It's therefore **very** important that we have an email address for each member. If you didn't receive the email blast, please send an email to our Directory Chair Tom Smithson tscats@mac.com with your Big Red Number and email address. This is also a great time to make sure your phone number and mailing address are correct in the directory as well. Oh, and if your picture is missing in the directory, please send that too!

The electronic ballot voting will occur from October 1st to 15th. We will finalize the election results at the November rally business meeting. New Officers will be installed at the December Rally.

We look forward to seeing some of you who have registered for the Oakhurst Rally, the Region 12 Rally in Paso Robles, and/or the November Rally at Jessie's Grove Winery. Until then, travel safely, and enjoy your Airstreams. See you down the road!

John Bibby

From The Editor

When starting this issue and looking for a color theme, I assumed that October must be Pumpkin Month, right? Wrong! Surprise! October is "National Pizza Month," among other things *not* pumpkin. The story goes that this designation began in October 1984, created by the publisher of Pizza Today magazine and pizzeria owner, Gerry Durnell, after realizing there was nothing to support his growing pizza business, or the pizza industry in general. He chose October because it's the month the first issue of Pizza Today debuted. In 2015, he sold Pizza Today, the digital version of which can be accessed at: <https://www.nxtbook.com/emerald/pizzatoday/202109/index.php#/p/CT1> and there is a thriving companion website at <https://pizzatoday.com>. It was a very interesting detour from pumpkin hunting to read the plethora of pizza-related information. Quite an education.

But back to pumpkins: pumpkin *day* is on October 26th and Pumpkin Cheesecake Day is October 21st. However, I was shocked to discover that pumpkin lattes debuted this year at the coffee shops on *August 24th*. Wow - so not ready for that in August. However, I thought by October, people might be in the mood. So I have included a recipe in this month's Poppy, which can be made or used in your Airstream. If it is still warm in October, iced lattes are always an option, even if October is not pumpkin month. And you can also use the pumpkin syrup over ice cream.

This issue includes a recap of the Angels Camp Rally, which was held at a beautiful location in the Central Valley, the heat notwithstanding. We have the Rally Summary and Coupon for the December Rally and Installation at Black Oak Casino in Sonora, southeast of Angel's Camp. **Note the Date Change!** A year ago we were set to co-host the Christmas rally there when it was cancelled due to Covid. We showed up anyway with a few other intrepid Airstreamers and can say that the area is great for exploring. Plus the campground is very nice and clean, close to a gas station/mini mart on the reservation. December is also a great time to visit Yosemite, a nice day trip from the RV Park.

This issue also lists the potential 2022 rally sites for planning purposes, as well as the 2022 Norcal officer slate proposed by this year's Nominating Committee. Pay attention to the voting requirements since all voting is online and only those with separate email addresses can vote. And don't forget to vote from October 1 - 15.

Our Christmas rally is taking shape. Although planning is still in the works, we can guarantee you a good time.

You won't need to cook much because we will provide three meals. On Wednesday night you will enjoy a welcome dinner. Our Thursday dinner will honor our outgoing president, John Bibby. The installation dinner on Saturday will honor our incoming president, Bob Verdegaaal.

The installation rally is always a busy one, but we have included some additional activities to keep you on your toes. There will be a craft day as well as a visit to Indigeny Reserve, a producer of hard ciders.

Just to shake things up we are reviving the tradition of a Christmas cookie exchange so break out your

best recipes. However, we are eliminating the gift exchange this year. Alas, we will not have a contest for the most festive Airstream decorations, but we encourage you to show your Christmas spirit anyway. We know you will.

Christmas is traditionally a time of giving. In that vein, we are holding a silent auction for charity. President John Bibby has chosen Fisher House as the recipient of this year's proceeds. For more information on this worthwhile cause, check out: <https://fisherhouse.org/> There is also a Facebook Page for the Travis AFB in Fairfield: <https://www.facebook.com/Travis-afb-Fisher-House-102487100527110/>

We are proud of our past successful auctions. As always, we hope to improve upon our successes. You are being asked to contribute items for this auction. If you are a creator, bring one, or more, of your creations. Otherwise, the sky is the limit, whatever you think will be a money maker. Save the date. Look for an email blast with the coupon in the next two or three weeks.

Leap Frog To Angels Camp Recap

A horrific Northern California wildfire season did not dampen the spirits of the NorCal Airstream Club which met from September 8 -12, 2021, at Angels Camp RV Resort, located in Angels Camp, California. Angels Camp is a small foothill community located in the heart of the historic Mother Lode Area of California. Steeped in Gold Rush Era history, this town and the surrounding communities provided a variety of opportunities for all attendees.

The first few days were frankly hot, but Airstreamers discovered the on-site pool that was clear, cold and very refreshing in the heat.

The rally was co-hosted by Deb and Jim Christie and Cathy and Bill Maffei, who provided their guests with two catered dinners and a

pancake breakfast. In the rally participants "goodie bags" which consisted of the rally agenda, brochures of activities, the campers were treated to a jar of delicious homemade jam, from the kitchen of Deb and Jim Christie.

The Wednesday Welcome Happy Hour, co-hosted by the Christies and the Maffeis, set the tone for the four-day event. Each happy hour, held at in a wonderful outside pavillion with sunshade, featured drawings for various prizes .

The Wednesday Welcome Dinner was catered by The Sierras Table. This mouthwatering meal consisted of smoked beef brisket, barrel-smoked barbeque chicken, two varieties of mac and cheese (one being jalapeno), American classic salad,

Linguica chili with beans, rolls and Texas sheet cake for dessert.

Thursday morning campers spent their time exploring the area, as most campers decided to attend the wine tasting event scheduled by the co-hosts at Ironstone Winery in the neighboring community of Murphys. This event commenced at 1:00 p.m. and consisted of three white and three red wines.

In addition to wine tasting and socializing, the participants were able to visit the Ironstone Museum, which features large gold nuggets, and shop at the gift store. This excursion was followed by the evening happy hour. Dinner was on-your own.

Friday morning the co-hosts provided a pumpkin pancake and turkey sausage breakfast. Orange juice and mimosas were also on the menu.

LEAP FROG TO ANGELS CAMP CONTINUED

This breakfast provided energy for the campers to truly visit the beautiful surrounding areas. Among the activities, many went to Big Trees State Park to hike or bike ride; some wine tasted; others visited or shopped in Angels Camp, Murphys, and other neighboring Mother Lode sites such as the Glory Hole Recreation Area of New Melones Lake.

Friday evening at 4:30 was again happy hour where discussions centered around the day's events and the usual drawing for prizes took place.

Saturday morning the NorCal Leadership met, after which there was a membership meeting. Thereafter, the membership continued visiting each other and the sites and communities of the Mother Lode. Saturday evening during happy hour, the final drawings for prizes took place as well as the celebration of monthly anniversaries and birthdays. Bill Maffei, self professed "fifth string" MC. did the honors. President John Bibby "degreened" Scott & Patience Beck and Amy & Tom Webster.

The farewell dinner, also catered by The Sierra's Table, consisted of chicken marsala, butter garlic egg noodle with parmesan, a vegetable medley, pear gorgonzola salad and lemon bars for dessert.

After a fun-packed four days in California's Mother Lode, where all twenty-eight rigs had a great time, the extremely warm temperatures of the first two days notwithstanding, campers headed home, awaiting further NorCal adventures.

If You Have Not Heard ...

Move over Pendleton and Tommy Bahama. There is a new Special Edition Airstream in town. Pottery Barn, the store of upscale home furnishings, textiles and décor, did not settle for merely creating a product line for Airstreams. It went a step further and helped create an entire special edition Airstream. Airstream and Pottery Barn took a 28 foot layout and transformed it into a Pottery Barn-style environment. If you are familiar with the Pottery Barn esthetic, you will probably like it, with its dark oak wood table based on a Pottery Barn furniture collection, the Pottery Barn fabrics, and the finishes like the white wood cabinet covers, dark kitchen faucets, wrought iron wall sconces, etc. There are lots of Pottery Barn accessories included. I do like the cute shelf or "table" that attaches to the side

window even if it is a gimmick. Totally skeptical of the white fabric upholstery holding up to any camping. In my opinion it is pretty, if not practical. Comes with a hefty \$149,700 price tag though, and with add-ons, more like \$155,000. (A 28 foot Flying Cloud starts at \$104,000, an International at \$118,000.) Evidently its price tag is not stopping sales.

Quincy Rally Alternative

We weren't totally surprised to get the call from John announcing the cancellation of the Quincy rally in August, but we were certainly very disappointed. Our club rallies have meant a lot to us, we are starting to make some great friends and we look forward to seeing everyone.

The Quincy rally was to be our 3rd Rally and our chance to shed the bright green ribbons adorning our name tags. Alas, we'll have to wait for Oakhurst for that privilege.

We both agreed that we really wanted to go somewhere. We have the "Airstream Bug" and wanted to get

away. We just needed to find a place away from the fires that would accommodate a weekend scheduling. A quick text to our fellow Napaites and NorCal members Vickie and Paul Bartelt, and we landed at The Giant Redwood RV Park in Myers Flat – just north of Garberville (<https://www.giantredwoodsrv.com/>). We were able to keep the same itinerary as the Quincy trip and spent a lovely few days exploring the small towns in the area, hiking

through some amazing giant redwoods and of course eating some great food.

We met many wonderful folks, many from Bend, Oregon, as well as a couple of Airstreamers, who we (of course) tried to recruit to join our club.

We would highly recommend this area and park. It's extremely clean and well managed. The spaces are fairly large and well outfitted. The Park neighbors the beautiful Eel River and under normal circumstances would be a great place to swim, kayak and fish, but unfortunately, due to the drought and a poorly timed red algae bloom, we never were able to test the waters.

Can't wait to see everyone at the Oakhurst Rally and shed the green ribbons!

Tentative 2022 NorCal Rally Schedule

Rally Chair Pat Lazzereschi and First Vice-President Bob Verdegaaal have tentatively unveiled their picks for NorCal Rally locations for next year. This list is tentative, subject to change, but it will give you an idea of their plans. Specific dates to be determined.

The next step is to secure hosts for the rallies. If you are interested in hosting a rally, please contact Pat Lazzereschi at plazzereschi@gmail.com to express your interest.

Don't know what to do? Contact any member who has hosted a rally (note the rally schedule on page 2) for the how-tos. Typically hosting is done in pairs so no one does it alone. The January 2021 Poppy has a full article on "normal" rally hosting, and a manual can be found on the Norcal website, along with the January Poppy. It is fun to host, so don't be shy!
