Happy September to you! Actually it is mid-Sept at this point.

There is no president's message this month but I wanted to get a newsletter out to provide some information you may be interested in.

First, I would like to recognize the September birthdays and anniversaries. Putting together the birthdays and anniversaries have proven harder than I thought. Please—if you have a birthday or anniversary you would like to be published in this newsletter but do not see it in the newsletter for the month or if you are new to THCU in 2021 and have not provided this information—please send me the information at ally.ebbers@gmail.com. I just need the person's name and month and day for the birthday and people's names and

month and day for anniversaries. This is very much appreciated. IF you do not want your birthday or anniversary published, I completely understand. Please let me know this as well and I will remove you from the list or will not bug you for the information in the future.

Next month's newsletter will include a write up and pictures from the Vineyards of Fredricksburg RV Park. This was a really fun rally which we were invited to by the Greater Houston Airstream Club. If you have pictures from this rally you would like to include in the newsletter and to pass onto the GHAClub please send them to me and I will include them in the October newsletter and pass them on to GHAC.

November's rally is scheduled for November 18-21 at NTAC in Hillsboro, TX. If you are interested in attending this rally, please contact Doug Wylie at 210.602.5700. The itinerary has not been completed; I will send it out as soon as it is ready.

September is the time to renew your Airstream Club Membership. You should've received an email regarding the renewal for 2022. The primary user will be the only one receiving the email for renewal.

I think that is it... Only a few more days until fall season officially starts. Fall is so great...til next time. Ally
