PRESIDENT'S LETTER

Hello Fellow Travelers,

Well, we just returned from the 64th International Airstream Rally. It was an excellent rally with good representation from the Mississippi unit -the Balls (with Edna's 101-year-old mom Clara) , Reynolds, Hummels, Twiggs, Evans, Hawkins, Vaughans, Williams, and Honys. The last three couples were attending their first international rally. Several of us went to the Grand Ole Opry in Nashville for an excellent time. The band and chorus were great this year, with Edna, Bob, and Elizabeth contributing musicians and Richard the Band Aid in charge of equipment. Overall I think the rally was a great success

Next year our 65th Rally will be in Fryeburg, Maine. I would suggest you register as soon as possible at airstream.org* or with the form in the Blue Beret Magazine. I think it will be great sight-seeing going and coming. *There is a notice later in this newsletter about logging into the MEMBERS ONLY section of the website.

Our next MAC rally, the Election Rally, is in Tupelo starting Sept. 14th. The installation of new officers and board members is very important, so please make plans to be there. Bob and Elizabeth are working hard to put this rally together. The tentative schedule is posted later in this newsletter. Important: register with the park NOW to insure getting a space in our selected area. And please come with ideas about what you want to do for next year. I already have some but I would like other suggestions.

We need a head count for meal preparations and reservations for the installation meal on Friday. Please email/text Elizabeth Hawkins (ejhawkins@bellsouth.net) (662-312-4882) or me at annaandterry@bellsouth.net (228-990-1537).

Happy camping,

Terry Reynolds

President

CLUB NOTES

I (Elizabeth Hawkins) had a really nice phone visit with Kate Ketchum after she received the last newsletter. For you newbies, Kate and her husband were members when my parents were. Had such a great time catching up. Because of her eyesight, Kate has given up driving. She says it's a real loss of independence. She would love to hear from the "old timers," since snail mail and telephone are her means to the world. 2765 Scott Rd., Hernando, MS 38632; 662-429-6149.

Cents for Youth: Our treasurer, Don Hummel, sent a Cents for Youth check for \$170 to Region 6 for the International Rally in Lebanon. Considering last year's abbreviated rallies due to Covid, that's not a bad showing. But this new year's amount has already been kicked off by Selma Evans, who raised \$119 by selling paperbacks at the international rally. We will continue our fund-raising in September with an auction/raffle. Bring your "treasures" and hand-made goodies to the Election Rally.

Reminder: please fill out the medical emergency information form at the end of this newsletter and have it at each rally/gathering per the instructions accompanying it. It is included as electronic with text boxes to be filled out on computer and as lined for writing your information.

FOR THE GOOD OF THE ORDER

From the Colstons:

Poverty Point State Park was one of the most enjoyable short trips that we have taken. The museum and Indian village at Poverty was great. You can walk the village site or you can drive it. It is the second largest ancient earth excavation in America and was done more than 3500 years ago. The Poverty Point park was really nice and not crowded at all. The park is just west of Vicksburg, Ms. near Delhi, La.
