Dr. Seuss

As your new Airstream Club International Region 10 President, I want to thank our immediate past President, Michel Bourassa, and wish him wonderful travels in Mexico with his lovely wife. David, my spouse, and I retired from careers in the manufacturing industry and have been members of the Oregon Airstream Club for 7 years and are affiliates of the British Columbia Club. We have attended at least 40 rallies, 4 caravans, and hosted numerous rallies, as well as a caravan. In addition, I am a volunteer cub reporter for the Oregon Newsletter. We spend about six months out of the year at our home in Olympia and the other six in our Airstream traveling the US and Canada.

SAVE THE DATE

The Region 10 Rally will be held June 1-5, 2022 at the Lynden Events Center and Fairgrounds. We will be announcing sign up information as well as the activities and seminars in the months to come but this will be a Region Rally you do NOT want to miss! Start planning your Club caravans to Lynden and with the proximity to beautiful British Columbia, it is not too early to start making reservations there for either before or after the Region Rally. The picture at the top of this newsletter is just a hint of some of the fun things we are planning!

Region 10 Board Updates

As you may be aware, the Region 10 Board supports the 7 clubs in Region 10 and is the liaison for the clubs to WBCCI/ACI. Our executive committee represent the interests of all our members in Region 10 at International Meetings. One of our missions as your Board is to welcome all Airstream owners to join us for rallies and caravans in our Region in a safe and inclusive environment. The below is a list of our 2021-2022 Presidents for our local clubs and we welcome the incoming Presidents and thank the Presidents who are continuing to serve your clubs.

Jane Goudie, Alberta/Saskatchewan Airstream Club

John Millard, British Columbia Airstream Club

Michael Archer, Idaho Airstream Club

Paul Lindstrom, Montana Airstream Club

Brian Soth, NW Inland Airstream Club

Carol Dion(eff Jan 1, 2022), Oregon Airstream Club

Jerry Kavalieratos, Washington Airstream Club

In addition, I would like to welcome our new Region 10 Secretary, Angela Schock. Angela retired in 2017 after 30 years in high tech, most of it working in product management and business planning for Hewlett-Packard. In 2014, she and her husband, Michael, bought a 2011 23-foot Flying Cloud that has since then been customized and upgraded for comfort and to accommodate Mike's work when they travel. Their adventures have included watching sunsets on the Oregon coast, standing amid the redwoods and gazing in awe at the amphitheater at Bryce Canyon, among other amazing locations. They joined the Oregon club in 2019 and have enjoyed meeting other Airstreamers at rallies in Oregon, Washington and Idaho. Welcome, Angela!

For those of you heading south for the winter, safe travels. For those of you winterizing your trailers for the big sleep, see you next spring! For all of you, don't hesitate to reach out to your Presidents and to me with any issues or concerns.
