### **Decoupage Map Popcorn Bowl Craft**

Participants are to BYO scissors, an old map or atlas and \$5/bowl. I have some maps that can be cut up. The idea is to pick a map location that has special meaning to the crafter. I picked Henry County and Land Between the Lakes as the bottom center of my bowl. This craft was presented at International in Lebanon, TN.

We will be camping and completing activities in the Northern section of LBL.
