## President's Message

What a great time we had at our November rally. Hosts and co-hosts Rick & Tracy Elkins, Dan & Maria McAnulty and Alan, Bernadine & Ashley Billard did a terrific job of keeping us fed and entertained. The weather was perfect for the entire weekend. A full report of this rally can be found on pages 3. Photos from this rally can be found on pages 19-24.

## GHAC Harvest Rally November 4-7

The November Rally for the club was held at the KOA On the Lake Resort Lake Livingston at Onalaska, TX. A total of 17 rigs and 35 members attended with most arriving on Thursday. Host and Co-Hosts for the rally were Rick & Tracy Elkins, Dan & Marie McNulty, and Alan, Bernadine, & Ashley Billard.

On **Thursday** the following members arrived: Alan, Bernadine & Ashley Billard, Tom & Caren Bundy, Rick & Tracy Elkins, James & Lisa Feine, Michael & Carrie Iversen, Bill & Dorma Kindle, Ron & Janice Lange, Bruce Lee, Dan & Maria McNulty, Bill & Joanne Miller, Dave & Jan Rightmyer, John & Susan Sheridan, Don & Helen Teegarden and Rick & Laurie Vice. That evening the rally started with the club being hosted by Bob and Lisa Hansen for a Happy Hour in their neighborhood community building. The members were treated with cocktails and hors d'oeuvres of fruit tarts, cheeses & crackers, chips & dips, and bacon wrapped stuffed jalapeno peppers. This spread was followed by fried catfish, French fries, cole slaw, hush puppies & beans from the Catfish King restaurant. The evening highlight was the visit to the Hansen's where after viewing their beautiful new lake home, they provided a campfire in the backyard along with a magnificent view of the lake, making for a great time of fellowship and fun!

**Friday** morning dawned fresh and cool on the Lake with temps in the 40's. We started with a light breakfast of homemade banana and pumpkin breads combined with fresh fruits, hot coffee, milk and orange juice. The group was invited to tackle the jigsaw puzzle in the rally room and provided rally bags including area activities and sites to see and a challenge of finding the elusive Eddie the Eagle!

A lunch spread of submarine sandwiches, chips and cookies was provided by SkyMed along with a presentation for both existing and potential new clients. A drawing for a vacation package valued at \$2400 was won by James and Lisa Feine.

Puzzle time, naps, lake area hikes, fishing, hunting, gatherings at various campsites, the arrival of Jerry & Tracey Calvert, Tom Harris with special guest Sherry Miller, Ken & Lia Laney and supper preparations filled the Friday afternoon time. Happy Hour followed by Taco Friday was a huge hit and afterwards some shared time at the Elkins' site where a campfire was blazing thanks to Dan McNulty and s'mores kits were on hand for an evening snack.

**Saturday** morning started with another day of cool temps so we got right into a hot pancake and sausage breakfast. At 10am the club conducted an Executive Board meeting with the GHAC officers and any club member wishing to attend. Everyone was on their own for lunch. The afternoon activities included a Crafter Corner featuring supplies to make a fall bowl. A tech talk led by Rick Elkins and Michael Iverson focused on experiences using trip planning applications available on the internet from various suppliers. Later a Happy hour preceded by delicious chicken spaghetti, salad and hot bread. Dessert was pistachio lush and birthday cake for Michael Iverson. Rick Elkins led a Veteran's Day recognition which included recognition of a Marine officer whose jet was involved in a perilous storm causing him to parachute to safety from extreme altitude. Club members and family veterans who were laid to rest this year were noted and recognized for their service. The evening capped with an introductory open discussion with club members on caravan planning needs for next year's International Rally in Fryberg Maine and the potential interest in planning a 2nd caravan to Big Bend State Park for next year as well.

**Sunday** morning we gathered to have coffee and pastries. Rick Elkins shared notes from the devotional included in the rally bag, and hosts cleaned the rally room as others prepared campers for travels to next destinations. Great rally with outstanding support, input and teamwork from everyone.

Hope to see everyone at the December 2<sup>nd</sup> Rally in Conroe, **Remember to register on the GHAC website no later than November 19<sup>th</sup>!!!**

**Please note the following information about the December rally:**

- Rally fees will be collected at the time you sign up for the rally. Your total rally fee will be calculated based on the number people attending and plus the number of guests that will be attending only the installation dinner. Rally fees will be paid through a secure PayPal website that accepts either PayPal or your credit card. No one in the club will see you credit card information.
- If you can't attend the rally after you have paid the rally fees, refunds will be made as follows:
  - Full refunds will be made for cancellations made prior to the November 19 deadline.
  - Refunds for cancellations made after November 19 will be reduced by the amount of money the club has spent on your behalf for the rally.

If you have any problems signing up for this rally, please contact [Tom Bundy](#) or [Vernon Goodwin](#).

**GHAC Online Rally Signup and Payment Procedures for Hosts**

GHAC is currently using an online registration and payment system for our Rallies and Luncheons. Moving to this new system will reduce the workload on hosts by creating a spreadsheet with the rally attendees contact information and arrival date and will collect the rally fees. The signup sheet can collect additional information as required by the hosts to plan the rally. Hosts will be sent a link to access the spreadsheet with the registration information from either Tom Bundy or Alan Billard. When you click on the link you will be asked to set up an email address and password to access the account and then you will be taken to the spreadsheet where you can edit the data, print the spreadsheet, or download the spreadsheet in Excel. If you help with this, Tom or Alan can download the spreadsheet for you or resend the link.

Tom Bundy and/or Alan Billard will set up the registration form. The required information that we need from the hosts include:

1. Rally Fee
2. Any deadlines for the rally. Often the RV park requires people to make reservations several weeks ahead of the rally. State parks have a deadline to cancel RV sites with a minimum fee.
3. Deadline to refund full rally fees.
4. Other information you may want could include:
  - a. Number of people attending Thursday dinner at a restaurant
  - b. Number of people attending a group tour or activity
  - c. Number of people attending a craft activity

The second step is to publish the rally flyer with a link to the Rally Web Page. You will be sent the link by Tom or Alan.

You can also copy the link by going the GHAC website at <https://Airstreamclub.org/Greater-Houston> where you can find links to the rallies and rally web pages. The rally webpage will have a registration button to take you to the signup sheet. Use the rally web page link not the registration form link for the Rally Flyer. The rally web pages have a link to the rally flyer and a link to get directions to the RV park. Additionally, if we need to change the registration form, the rally page will always have the current version of the form.

*For the online system to work, every member must sign up online.*

The rallies will be paid using a PayPal app on the registration page. The app takes credit cards or PayPal accounts. The club does not receive any credit card information.

If a person notifies the host that they want to cancel their rally reservation, they will receive a refund of the rally fees less any money that has been spent on their behalf for the rally. To initiate a refund, the host must send the name of the person and the amount of money that needs to be refunded to the Asst. Treasurer, Caren Bundy. A credit will be made to the credit card or PayPal account they used to pay for the rally. This will take a few days to process.

*Note: These procedures will be posted on the GHAC website in the GHAC Member Resources Page.*

## Three New National Road Caravans to Check Out

Come with us, as we explore the historic National Road, on a journey through the lives and fortunes of the men and women who built America.

The National Road runs from Baltimore, MD to Vandalia, IL

There are three caravans covering this route, with each a nine-day format. This will allow younger club members with jobs and families to experience what the Airstream Club was founded to do. The former name, Wally Byam Caravan Club International says it all - the Caravan experience, traveling to enjoy the history, hospitality, and friendship of our host communities, and making new friendships as part of Airstream ownership.

Old National Road East starts in Baltimore and ends in Washington, PA.  
Start April 29, 2022 End May 7, 2022

Old National Road Central starts in Washington and ends in Richmond, IN.  
Start May 7, 2022 End May 15, 2022

Old National Road West starts in Richmond and ends near Vandalia, IL.  
Start May 15, 2022 End May 23, 2022

The segments are each a full nine-day caravan, and run consecutively, making it possible to enjoy just one segment, two segments, or all three.

Register online at <https://airstreamclub.org/current-members/caravans>! There are a total of only 22 units for each segment, and the online enrollment process time stamp decides the order of the wait list after the available spots are filled.

Once you register online, you will be contacted by email regarding kitty fee payment dates and amounts. Please note, the \$25 caravan administration fee the club charges will be charged once if you are booking two or all three segments as the administration fee, and credited to the kitty fee for the other segment(s).

## SPECIAL NOTICES

### **Time to renew your membership?**

The 2022 Membership Renewal season continues for members who renew their memberships on a calendar year basis. That is everyone who joined WBCCI before July 1, 2021. Anyone who joined WBCCI on or after July 1, 2021 will have their membership come due 12 months after the date they joined.

### **Special Christmas giving opportunity at December rally**

It's Christmas time and GHAC is known for its Caring and Sharing. This year we will again collect kids socks for needy kids. Last year we collection MANY, MANY pairs and it was greatly appreciated by the Humble school district. The nurses at the schools sent Thank You notes telling us how much the kids needed the socks and appreciated them. They went to the poorest of the poor. So, let's help these kids out and keep them warm with new socks. We will decorate a tree with all the socks at the Christmas rally. Thank you GHAC for being so generous, especially during these hard times....

If anyone would like the socks donated to their school district or know of a charity, please let me know.

Jan Rightmyer

### **Business Meeting during the December Rally**

On Saturday, December 4, during the December Rally we will have a Business Meeting for the purpose of voting on changes to the GHAC constitution. These changes are mainly to keep our constitution in line with WBCCI's recently amended constitution. An information packet will be mailed to each member regarding this meeting.

## THE SUNSHINE CORNER

By Carol Goodwin

“We cannot stop the winter or the summer from coming.  
We cannot stop the spring or the fall or make them other than they are.  
They are gifts from the universe that we cannot refuse.  
But, we can choose what we will contribute to life when each arrives.”  
-Gary Zukhav

## **New Airstream Club Voting Procedures Requires Your Attention**

The Airstream Club's International Board of Trustees have approved a new voting procedure for International Officers and any proposals that require approval of the club's membership beginning next year (2022). Previously, each unit president or their delegate would vote their unit's votes on these items at the IBT delegates meeting at the International Rally. Beginning in 2020, these issues will be determined by a direct vote of the membership, with the primary member and their spouse/partner each getting a vote. The vote will be done by email and both the primary member, and the spouse will need to have separate email addresses on file with the Airstream Club to get a ballot. The easiest way to determine if you have a separate email on file with the Airstream Club for your spouse/partner for your BRN is to go to the [AirstreamClub.org](http://AirstreamClub.org) website and log onto your members section using the email that is used by the Airstream Club to contact you. If you forgot your password or if this is the first time you are logging onto the members section of the website, click on "forgot email" on the log in page, type in the email address you have on file with the Airstream Club. After submitting the form, you will receive an email that has a link that will take you to a webpage where you set up a new password. Once you are logged into to the members section, click on the members directory and look up your name. For members who have not put in a separate email for the spouse/partner, the club has put in a filler email in that space. Initially, the club simply added a 1 to the primary members email address before the @. ([Johndoe@gmail.com](mailto:Johndoe@gmail.com) became [Johndoe1@Gmail.com](mailto:Johndoe1@Gmail.com) for the spouse/partner) Lately, they have used [NoemailBRN+@airstreamclub.org](mailto:NoemailBRN+@airstreamclub.org) for the filler email. |

If you need to set up an email for your spouse/partner you must contact the Airstream Club at Jackson Center at 937-596-5211 and give them the email address for the spouse/partner. You will then need to go to the log in page and use the "forgot password option" to receive an email that allows you to set up a password for the spouse/partner. Lastly, if you have problems getting a spouse/email set up, contact Tom Bundy at 281-250-7644 to get help.

## Message from Bob Jones

Hello to all our Greater Houston Airstream Club members from the gang at BOB JONES RV!

We would like to express our excitement about an advanced service we are providing. BOB JONES RV has invested in a SEAL TECH machine that will pressurize the interior cabin of any coach, allowing us to detect leaks by soaping the complete exterior. It will identify efficiently any breaches in the exterior seal that will cause water leaks ultimately causing damage.

Our service team will pinpoint problem areas on a chart and consult with the customer a plan for corrective action. This is a true cost saving & preventive measure to protect your RV investment. The cost is \$230 - \$345 depending on your coach configuration. So, give us a call to discuss how we can protect your RV, we think you'll be glad you did!

**Get out there and enjoy your  
Airstream adventures!**
