MAAC President's Message

Winter is fast approaching so I winterized my trailer a week or so ago. It went pretty well but now we have to wait a few months before we can get back into the camping thing. In the meantime, I can stay in touch with my inner, camping self by going

into the camper, turning on my simulated campfire electrical heater, letting it warm up the bedroom area, and then falling asleep with a nice heavy blanket over me. It's not the same as actually being at a camping spot but it reminds me of the adventures still to come with our Flying Cloud.

No one has yet signed up to attend our Christmas Party at Timbuktu Restaurant on December 5. We still have a few days until the deadline to sign up (December 3), but if no one signs up by that date I will cancel our reservation. I think the continuing COVID situation is preventing a lot of us from getting back to our normal activities. Being in the "high risk" category ourselves, Ingrid and I certainly understand the hesitancy to resume socializing. If you want to attend the Christmas Party, please email me at berkendorff48@gmail.com to let me know.

Our last virtual meeting was a disaster! We had both audio and video problems that led to a lot of frustration on my part, so I ended the meeting with nothing having been accomplished. I apologize for that. I am not a computer literate person and I need something that is very easy to use. For that reason, I have decided that in the future we will be using Zoom to conduct our virtual meetings. I have participated in lots of Zoom meetings and I know that many others are familiar with it. We will not have a virtual meeting in December because of all the holidays and travel, so we will have our next virtual meeting on Sunday, January 30, at 4:00 PM. We will be using Zoom and I will send out the necessary information to let our members attend well before that date.

I hope you had a nice Thanksgiving and that Christmas will be a joyous time for you and your entire family!

Region 2 News

Hello, everyone. I'm getting my notes out a bit late this month, so I apologize for missing any publishing deadlines.

By this time, most people have winterized or moved south to warmer climates. I mentioned before that winterizing is always a bit sad for me, but at least this year we're taking a trip in January (to the mid-winter IBT meeting in Savannah, Georgia).

Articles submitted for publishing must be sent to the newsletter editor by the 10th of the month preceding publication.

In travel news, the border between the US and Canada has reopened. A relative told me that I-81 had more RVs than trucks, which is pretty amazing, if you've spent any time on I-81. Cross your fingers that it will remain open for next year's events.

Erica and I wish you and your family a happy holiday season!

Until next month...
