President's Message

My Fellow Penn-Lehighers,

2021 has gone by so quickly!

I hope you all had a happy Thanksgiving!

Now with 2022 just ahead, I am pleased to be serving as President of our Club for the second year. Many of us are heading to Florida for at least a few weeks (or longer) to escape the North for a while. If you are one of those, please feel free to join us for a Penn-Lehigh luncheon in Florida! (See details elsewhere in this newsletter.)

2022 is shaping up to be a great year for Airstream events. The Region 2 Rally is back and planned for Delaware State Fairgrounds and is the weekend after our Lum's Pond Rally in Delaware. If you can stay on the road between the two events, please join us at Tuckahoe State Park in Maryland for the days between the Rallies. Contact me for details.

Jim and I are planning to travel to Fryeburg, Maine for the International Rally in July and hope to extend our stay somewhat on both ends. Once we flesh out our pre- and post-International trip, we'd be happy to share our plans with the group in the event anyone else is interested in joining us.

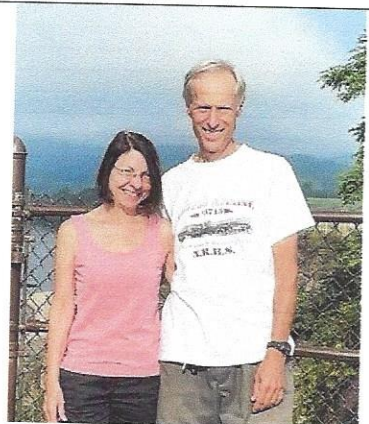

Keystone Pennsylvania Airstream Club will host the 2022 PA State Rally in early September. Sounds like they're scoping out somewhere in south central PA – stay tuned!

The International Airstream Club experienced tremendous growth during 2021. We also added new members in the Penn-Lehigh Airstream Club. Welcome! If you're new to the Club, we'd love to meet you and want you to feel welcome at any of our events. If you've yet to attend a Club event, check out our 2022 Events Calendar and make plans to join us.

Jim and I wish you all a *Merry Christmas and a Happy and Healthy New Year!*

Hope to see you down the road in 2022...

Marguerite

Region 2 notes from the President

The IBT had a discussion on October 21, with a few updates on things being proposed for the club. In general, I think these are great changes for the club to consider, even if we don't adopt them.

There was a discussion about removing the International Rally date range from the Constitution. The problem is that there are limited venues that can support the International Rally and provide the services members request, like 30 amp electric, so the proposal is to allow the International Rally to be scheduled at a different parts of the year, so we could, for example, have International in the South in the fall when it's not as hot.

Tom Smithson, head of the Constitution and Bylaws Committee, described the possibility of allowing constitutional amendments to be voted upon by members directly, instead of via delegates.

The other topics were realigning the officer terms to match the fiscal year of the club (Aug 1-July 31), the committee investigating longer terms for the International officers has begun their work, and a proposed schedule for a quarterly IBT meeting (replacing the current mid-winter and summer meetings).

Region 2 rally update (May 19-22, 2022): As of this writing, we do not have a contract signed. However, we're in agreement with the fairgrounds on the details of the contract, so now we just need to get ink on paper. Once we get that done, we'll start planning the details. Several clubs and members have already reached out to offer help, and I very much appreciate that! We'll be putting out a call for volunteers soon.

Mid-Winter IBT in Savannah: If you are planning to go, make sure you book the campground and register for the rally itself. Lori Plummer indicated they have many campground sites booked, but few registrations. Link: <https://airstreamclub.org/2022-mid-winter-international-board-trustees-meeting>

See you down the road!

-RJ (10/24/2021)

Hello, everyone. I'm getting my notes out a bit late this month, so I apologize for missing any publishing deadlines.

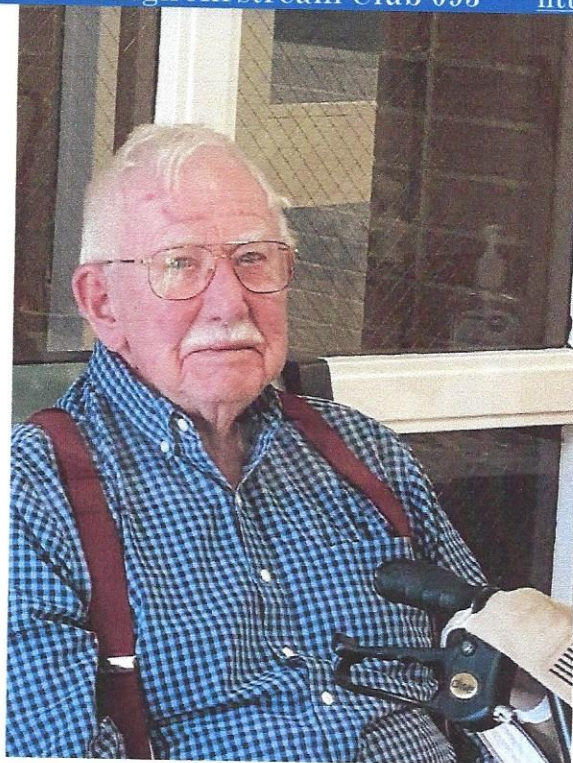

By this time, most people have winterized or moved south to warmer climates. I mentioned before that winterizing is always a bit sad for me, but at least this year we're taking a trip in January (to the mid-winter IBT meeting in Savannah, Georgia).

In travel news, the border between the US and Canada has reopened. A relative told me that I-81 had more RVs than trucks, which is pretty amazing, if you've spent any time on I-81. Cross your fingers that it will remain open for next year's events.

Erica and I wish you and your family a happy holiday season!

Until next month...

-RJ (11/26/2021)

Greatly missed

Our very good Penn Lehigh friend and alumni member, **George S. Beaver, Sr** passed on Friday, December 10, 2021 at the age of 91. He was a patient in Geisinger Medical Center in Danville, PA .. He was taken with pneumonia and did not have the stamina to fight the affliction. He had previously had surgery.

He was born June 8, 1930.

He faithfully served his country in the US Army Air Force.

He had been employed 27 years as a truck driver.

He and his wife, Mary Louise, (members of Penn Lehigh Unit WBCCI) enjoyed traveling. They spent many winters in Texas. George and Mary Louise hosted many rallies at the Numidia Airport. We have so many memories from those rallies: George's "Top Hat belly dance", Balloon rides, and airplane rides with George to mention a few. George operated an FAA Part135 Air Charter business. He was a Certified Instrument Flight Instructor and loved flying. He shared his love by teaching others. He had a great interest in preserving history, especially concerning the Numidia Airport, part of the US Postal Service Transcontinental Air Mail Service.

Family survivors included seven beloved children: Michael, Mary Rose, James, Frances, George Jr, Anne and Elizabeth. He had six grandchildren and eight great-grandchildren. He was also survived by two brothers and preceded in death by a brother and sister.

His wife Mary Louise passed February 9, 2018.

His son Jim informed George Collister that a Celebration of Life service will be announced at a future date, very likely in June 2022, around George's birthday.

Always Great Getting Together

On Sunday, November 13th several of us gathered at Top of 80's Restaurant near Hazleton for a **Holiday Luncheon**. Attending this event were George and Cindy Collister and their grandsons Carter and Kyle, Ron and Toni Purdum, Fred and Sharon Schultz, Glen and Donna Lippincott and forever friends and Penn Lehigh alumni: Jane and Allen Kile and Joyce Stoddard and her son Brad. Unfortunately, Jim and Marguerite Ridolfi could not attend. Marguerite woke up not feeling well.

2021 PA State Rally

by Jim Ridolfi

This year's PA State Rally took place at the Centre Hall Grange Fair after a one-year absence. Marguerite and I attended along with Ron & Toni Purdum from Penn-Lehigh. A total of perhaps 30 Airstreams gathered and Central Penn Airstream hosted the fun event. As always, most folks visited the nearby Antique Machinery Show that runs the same weekend. On site activities included several meals, including a catered Saturday night dinner followed by entertainment by guitarist Matt Miskie. Friday night bingo was a lot of fun as were games of cornhole and Jenga. Two representatives of PA DCNR gave a presentation on PA State Parks, especially local parks Poe Paddy and Poe Valley. Many rally attendees visited these parks to check them out during the weekend. As always the PA State Rally was a fun time, be sure to attend in 2022 when the Keystone Airstream Club hosts the event.
