FROM YOUR PRESIDENT:

Hi Everyone,

Even though this is my favorite time of year, it is bittersweet because we have taken our last trip of the year and will be putting our airstream away for the winter. In the beginning of November, we take our airstream to an underground facility for storage to protect it from the weather. Our last trip was to Cook Forest State Park and we had an awesome weekend. We took all our "toys", bikes, kayaks and binoculars and got a chance to use them all. We had several people in the campground stopping by to ask us questions about our airstream and telling us how much they admired it.

We will soon be planning new adventures for next year. One of our clubs long standing events is the Laurel Hill Bluegrass Festival in August. Most camping spots at the state park are already taken up because it's so popular. If you think you might want to attend, book a spot now, hopefully there are still some electric sites available.

The Christmas luncheon is coming up soon, December 4th. Please complete the coupon and make sure Vinny Rossitto receives it before November 20th. I hope to see many of our club members there.

Have a Happy and Blessed Thanksgiving.

Julie

NEWSLETTER IDEAS!

Hello WBAC members of the AI-Mon-O Airstream Club. Without news, there is no newsletter. Without rallies and luncheons, there is nothing to write about. Or is there? Some believe this is a time where we need one another even more. Please share articles, anecdotes, photos, recipes, jokes, member interviews, anything Airstream related that will let us feel connected. Throw out a prompt like “What is your new favorite small appliance?” or “Adventures with our first camper.”

Please send your offerings to Cody Klingler (cwk5292@gmail.com) no later than the 25th of each month. Thanks!!!

A FRIEND IN NEED

BY CODY KLINGLER & MATT MOORE

If you're new to the club, you may be wondering what we are all about. One of the ideals we have is to help out our Airstream friends when they need it. As many of you know, Doug Field broke his leg a few weeks ago. He called up Matt and asked if we would come down to the house and help him winterize his small Airstream. The only stipulation we had was that Cindy had to feed us. The hardest part of the entire afternoon was getting Doug up and down the yard. We shared a lot of laughs and had a great time helping our friend. Whether you're new to the RV life or have been doing it for years, you can always learn something new. The only way to do that is to ask for help when you need it. Plus, it's always great to spend the day with wonderful friends!

2022 RALLY SCHEDULE

It's hard to believe that we are thinking about 2022, but soon enough, we will be there. I'd like to begin thinking about the 2022 Rally schedule. We have luncheons during the winter months and rallies during the camping months. These events can be as simple or elaborate as you want, there is no set guide. REGION 2 NEWS

The IBT had a discussion on October 21, with a few updates on things being proposed for the club. In general, I think these are great changes for the club to consider, even if we don't adopt them.

There was a discussion about removing the International Rally date range from the Constitution. The problem is that there are limited venues that can support the International Rally and provide the services members request, like 30 amp electric, so the proposal is to allow the International Rally to be scheduled at a different parts of the year, so we could, for example, have International in the South in the fall when it's not as hot.

Tom Smithson, head of the Constitution and Bylaws Committee, described the possibility of allowing constitutional amendments to be voted upon by members directly, instead of via delegates.

The other topics were realigning the officer terms to match the fiscal year of the club (Aug 1-July 31), the committee investigating longer terms for the International officers has begun their work, and a proposed schedule for a quarterly IBT meeting (replacing the current mid-winter and summer meetings).

Region 2 rally update (May 19-22, 2022): As of this writing, we do not have a contract signed. However, we're in agreement with the fairgrounds on the details of the contract, so now we just need to get ink on paper. Once we get that done, we'll start planning the details. Several clubs and members have already reached out to offer help, and I very much appreciate that! We'll be putting out a call for volunteers soon.

Mid-Winter IBT in Savannah: If you are planning to go, make sure you book the campground and register for the rally itself. Lori Plummer indicated they have many campground sites booked, but few registrations. Link: <https://airstreamclub.org/2022-mid-winter-international-board-trustees-meeting>

See you down the road!
