President's Message

May I start with this; I hope all of you had an enjoyable Thanksgiving! We planned to be with one of our daughters and celebrate the holiday with her and we had a great time. I hope you had a great holiday also

We are coming to the end of another year, which means PLANNING our next year's activities; campsite reservations, charting the calendar for upcoming rallies, making repairs to your rig. I know it is a necessary evil; but without it we could get lost in ALL the noise of everyday life!

Think about your plans for this year, how are they going? Did you "getter done" or did something go ary? Is there still time to finish what you started? I will say my plans went SOUTH. They went so far south, I would have to write a book and maybe a sequel! Remember it is not how you got there but WHY!

WHY or should it read WHY ME! Our plans made a BIG change in US! We have come to the point of realigning our plans for next year. I think we have to make plans but I have now learned the plans should be Simple not Stressful!! My wife will tell you, I love people! the more of you I get to see, makes me that much happier but I also AM learning still not to plan everything.

OUR plans for the remainder of this year are this. We plan to be at the luncheon in Cullman on December 10 and Supper in Montgomery on December 15, We would love for you guys to come join us!

You all know what time of the season is upon us. You also know to be nice not naughty. Gift people with a smile or a hug whichever fits the moment, but above all else be thankful and know that... We wish you a "MERRY CHRISTMAS"!!!! Now you can go finish your PLANS!

Be safe out there and we will "see you down the road"

Tony
President of AAC

P.S. Hey newbies, I got ONE email last month I sure would like to hear from you!
