Howdy Partner

Time is going fast and the reason for the 'Howdy Partner,' is that I am pleased to announce that I have scheduled a Medora rally for June 23-June 27, 2022. We will be at the Medora campground with the reservation number 77864. We have 20 spots set aside, so call Alicia with the Medora Foundation to book your site. Her number is 701-623-4444 ext 8830. As we get closer, available events can be booked on an individual basis. But I hope that we can all attend the Medora Musical together as a group.

Some other quick reminders:

- Please add your picture to the Directory! We are a good-looking group, so let's show it off!
- We are still in search of a permanent webmaster. I have learned so much while filling in, but I'm excited to pass the torch.
- The .net webpage will be fully transferred to the new .org URL by the end of the year, so please look there for all future updates. The link is below!
- In addition to the website, our Facebook page is a great tool to allow the world to know who we are as a unit. Search 'North Dakota Peace Garden Unit' to find our page.
- Currently we have just the North Dakota Flag for our unit flag, which I feel does not represent South Dakota and Canada. I'm seriously considering using the flag Ryan Jilek designed years ago. As a group we will vote on the new flag. Also, still open to new ideas. Flag below for consideration.

As mentioned above, all details about our group can be found at our website: <https://airstreamclub.org/north-dakota-peace-garden>--including all the details about upcoming events, like the Medora Rally.

So, for now, may your trails continue. Happy Holidays!

Kathleen's Baked Beans
Submitted by Rose Larson

4 cups dried great northern beans 8 cups water 2 teaspoons dry mustard 1 cup brown sugar 4 tablespoons molasses, light or dark ½ lb bacon 2½ tsp salt ¼ cup catsup 1 small onion, diced ½ teaspoon ground black pepper Mix together in a Crock Pot and bake all night on low. In the morning, put on high – Ready by noon. P.S. I like to half-cook my bacon in the microwave before I put in the Crock Pot.

"Kathleen [Schultz] sent me this recipe," said Rose Larson. "It's really good. I divided it in quart bags after it was done and froze for us - worked really well."
