## *President's Message—December 2021*

The Holiday season is upon us and the Zeringue's would like to wish everyone a blessed and family filled Merry Christmas. It will be that way at our house.

The 2021 Christmas Rally was a big success. The rally was well attended with many of our newest members participating alongside our older members. I want to thank everyone who came and a very special Thank you to everyone who helped. This rally was a success because of you. All in all, it was a good time had by all. But before you know it 2022 will be upon us. We will be back at NTAC in October 2022 for the Texas Country Reporter Festival Rally.

We have 2 spring rallies planned in 2022. One is in February and the other in March/April. The February (18-19) rally will be in Alpine, Texas at the Lone Star Cowboy Poetry event. There will be very little THLAC activities planned as this event will run most all-day Friday and Saturday. You should go on line and order your tickets. I hear the Chuckwagon breakfast is great. Sadly, all the RV sites have been booked. If you have reserved an RV spot and have to cancel, please let me know. The RV Park will not do a Stand-by list. If someone cancels it will be the first caller who gets the spot. I would like to call the park when cancelling and offer up another one of our members to take that spot. So, please email me if you would like to be on a stand-by list. You should also call each week to see if the park had anyone else cancel, you may get lucky.

Ginger and I hope each and everyone of you have a very Merry Christmas and that 2022 will be an even better year.

Steve Zeringue

THLC President

Dear Rivet, I am planning to store my Airstream until warmer weather.  
What do I need to do to prepare? Chilly N. Corsicana

First remove all food items, paper and cardboard from closets and cabinets. We don't want to encourage winter guests (rodents). Leave cabinet, closet and cabinet doors open when storing for better circulation and humidity control. Wash your Airstream before storing, especially the roof. Washing the roof will let you inspect for any water leaks, loose or cracked sealants or any damage to AC covers or vents. Drain your water lines and tanks. Fill them with antifreeze. Use only RV non-toxic antifreeze. Your local RV store will have the supplies needed. About 2 gallons will do the trick. The WBCCI website has several technical articles with winterizing (and de winterizing) instructions. One is located at <https://airstreamclub.org/sites/default/files/On-Winterizing-Check-List.pdf>. Another resource is the LiveRiveted Blog: <https://www.airstream.com/blog/getting-ready-for-winter-airstream-winterization-storage-and-security/>

# Message from Carol Sajovich

Past President

Two-thousand twenty-one was a tough year but we made it. I'm proud and very thankful to all of you who joined us at our Installation Rally in Fredericksburg. It was the best attended club rally in over the past 6 years since Peter & I have been members.

Special thanks to our member Art Braud #6843 for providing aerial photos

With over 37 registered rigs our business meeting was well attended Saturday morning.

Officers left to right Nancy Power, Betty Richards, Carol Sajovich, Steve Zeringue, Frank Steed

Master of ceremonies Marty Berdan installing Steve Zeringue as President and Ginger as First Lady. I'm certain the club is in good hands with King Zeringue

New officers and trustees: Left to right: Marty Berdan, Past President Nancy Powers, Ginger & Steve Zeringue, Frank Steed, Bill Saulnier, Paula Haddox and Mike Lovell.

Thank you, Steve & Ginger for your service.

In November I visited both our supporting dealers, Airstream of Austin and Airstream DFW with good news to report from both.

Airstream of Austin (Camper Clinic II) is making good progress on preparing and leveling the ground for their new building. The land slopes from the rear towards I-35 and has to be raised 6 to 8 feet in the front. The new building will tower above the freeway with tremendous visibility. Completion is scheduled for June 2022.

The RV Expo at the Austin Convention Center is ON for February 17th-20th. Please contact me if you would like to help work the Airstream exhibit for a few hours or a couple of days?

Airstream DFW understands the need for increasing the size of their service area as they continue to set all-time records for new sales. While construction has not yet started, they have already reduced the size of their showroom and are using the additional space for service.

More importantly they have hired a new Service Manager, Jessica Vilorio who comes from Bay Area Airstream in California where she managed 30 service bays. Bay area is part of Airstream Adventures Northwest owned by Ted Davis known for providing excellent service.

Colby Cannon, Managing Partner of Airstream DFW has decided not to sell current Airstream models until replacement units become available thus always having product on display. Harvey & Gail were having their 30' Classic worked on during my visit.

# New Owner Weekend Workshops

Peter Sajovich

Our executive committee has approved up to six workshops for 2022. All future workshops will be held at NTAC due to the favorable response we had at our May 2021 event. The first four weekends have been reserved and are sponsored by Airstream of Austin.

We have reserved the clubhouse and pavilion along with plenty of full hookup 30 & 50 AMP sites.

As with all Airstream Club functions, all cost for the club house, pavilion, meals and materials are split and paid for by the participants. There is NO CHARGE for the workshop, as our members donate their time.

Thanks to our sponsor, **Airstream of Austin**, the total cost for the weekend is only \$200.00 for a couple or \$150.00 for a single person. Pets are always welcome.

## NEW AIRSTREAM OWNER WORKSHOPS

Sponsored by

**Airstream of Austin**  
&  
Texas Highland Lakes Airstream Club

The workshops are held Friday afternoon through Sunday morning. They are a lot of fun and it helps us remember how excited we were when we purchased our first Airstream.

I still find it hard to believe that 52% of all Airstream buyers have NEVER spent one night in any type of RV. Obviously, there's a lot to learn and the workshops really help those who attend.

We serve a lot of THLAC Kool-Aid while exposing the benefits our club.

In order to continue we need more volunteers to step up and host these events. Thus far special thanks go out to Brian & Nancy Powers, Grady & Keith Ferry, Frank & Gail Steed and Steve & Ginger Zeringue.

Now it's YOUR TURN, please contact me if you would like to Host or Co-Host one of these events.

## Waiting to take Delivery of your new **AIRSTREAM?** or **Ready To Try It Out?**

Don't miss the opportunity to attend a unique weekend workshop at one of our Eleven all Airstream RV parks.

We hold four weekend workshops (Jan 30th, Feb 26th, Apr 9th & May 7th) allowing new owners to learn from experienced members of Airstream Club International, the oldest and largest travel club in the world with 16,000+members.

**Hillsboro, TX 76645**

## The Weekend **WORKSHOP**

Over the weekend you will meet new Airstream owners, learn from experienced Airstreamers and get all your questions answered in a small informal setting.

Starting Friday afternoon, we meet you, help you find your site, level your trailer and hook up to water, electric & sewer.

After happy hour and dinner under the pavilion, we move inside the clubhouse for the first of four informative sessions.

## Fun Packed Weekend

The weekend will feature four informative, educational sessions:

- 1 - Introductions & Airstream Basics.
- 2 - Safety On and Off the Road.
- 3 - Maintenance, Parks & Passes.
- 4 - Travel Tips, Tricks.

Friday evening, Saturday and Sunday morning meals are included.

# WBCCI MEMBER UPDATE

## **New Airstream Club Voting Procedures Requires Your Attention**

The Airstream Club's International Board of Trustees have approved a new voting procedure for International Officers and any proposals that require approval of the club's membership beginning next year (2022). Previously, each unit president or their delegate would vote their unit's votes on these items at the IBT delegates meeting at the International Rally. Beginning in 2020, these issues will be determined by a direct vote of the membership, with the primary member and their spouse/partner each getting a vote. The vote will be done by email and both the primary member, and the spouse will need to have separate email addresses on file with the Airstream Club to get a ballot.

The easiest way to determine if you have a separate email on file with the Airstream Club for your spouse/partner for your BRN is to go to the AirstreamClub.org website and log onto your members section using the email that is used by the Airstream Club to contact you. If you forgot your password or if this is the first time you are logging onto the members section of the website, click on "forgot email" on the log in page, type in the email address you have on file with the Airstream Club. After submitting the form, you will receive an email that has a link that will take you to a webpage where you set up a new password. Once you are logged into the members section, click on the members directory and look up your name. For members who have not put in a separate email for the spouse/partner, the club has put in a filler email in that space. Initially, the club simply added a 1 to the primary members email address before the @. (Johndoe@gmail.com became Johndoe1@Gmail.com for the spouse/partner) Lately, they have used NoemailBRN+@airstreamclub.org for the filler email.

If you need to set up an email for your spouse/partner you must contact the Airstream Club at Jackson Center at 937-596-5211 and give them the email address for the spouse/partner. You will then need to go to the log in page and use the "forgot password option" to receive an email that allows you to set up a password for the spouse/partner.

Lastly, if you have problems getting a spouse/email set up, contact Tom Bundy, Region 9 Communications Chair at 281-250-7644 to get help.

**Be sure to renew your  
WBCCI Membership before  
December 31st**

For members who joined before July 1, 2021, membership renewal with the Wally Byam Airstream Club is now due. You can renew online at [www.AirstreamClub.org](http://www.AirstreamClub.org) or by calling headquarters at 937-596-5211. You need to renew by the end of 2021 to get your name in the 2022 directory. If you joined on or after July 1, 2021, your membership fee will be due 12 months from the date you joined. There are many benefits for members such as a discount on tires. This website also gives you access to your members only section by clicking on login in the upper right hand corner. If you are an affiliate member you can now pay your \$15 affiliate dues on line or mail them to THLAC Treasurer, Bruce Nutt at 200 Walnut Hill Ave. #79, Hillsboro, TX 76645. Contact email for Bruce is [brucenutt@gmail.com](mailto:brucenutt@gmail.com).

My two sisters, my daughter, and I finally got to go to Portugal this Nov. Our trip was originally planned for 2020 but Covid got in the way and it was cancelled. We flew into Lisbon then got on a Viking ship for a 10 day trip down the Duoro River, called the River of Gold. It is a truly beautiful part of the world. We added two days in Santiago, Spain which was also a beautiful city and vibrant city. I hadn't seen my two sisters in two years so it was a very special time. *Kay Fisher Irwin*

The West of the Pecos Caravan was full of exciting experiences. The Loose/Miller team had a fun day of golf at the world class Black Jack's Crossing Course in Lajitas. "The golf course combines the historical features of the land with the stunning setting of Big Bend National Park. Several breathtaking mountain holes set against spectacular mountain vistas make this course a true work of art." Yes, you really can hit your ball into Mexico on hole #15!

The Robert E. Lee statue was removed from Dallas and sold at auction to Dallas billionaire Kelly Warren and is now on full display at the golf course.

Until we caravan again!

Old timers here; this year in February we completed 40 consecutive years in the WBCCI, eight stars above our 32034 trailer numbers. In December we will celebrate our 60th year anniversary. Just a note to let you know that we are still alive and kicking.

February 1980 When we picked up our first of five new Airstreams in Jackson Center Ohio we refused to accept it because it did not have any red numbers on it. They immediately took us and our first Airstream down the street to WBCCI HQ to get our numbers. Wally's niece and other club members helped us get those red numbers on our new Airstream.

That same year we attended our first International Rally at Notre Dame, we were one of 4,421 Airstreams in attendance.

2021 was a fun year of travel for us. We left Texas in late March and traveled through the Southwest - New Mexico, Arizona, Utah, and Nevada, and then to Northern California and Oregon. We stopped and camped near White Sands, Saguaro and Zion National Parks. In California, we met up with Michael's brother and sister at Humboldt Redwood State Park California and we caravanned together up along the Oregon Coast. From there we traveled home for other summer commitments. This was our most memorable trip traveling for 66 days, 9 states, and 7200 miles.

In July we regrouped, restocked, and headed out in July to Kansas City Missouri for a reunion with Julie's family. From there we traveled to Julie's class reunion in Iowa. While in Iowa and without prior planning we stumbled onto a Norwegian Festival in Dec- orah Iowa. On our way to Wisconsin, we stopped at the Field of Dreams movie set near Dyersville Iowa. It was hot in July in Iowa and then of all things, our only air conditioner stopped working. Hoping to find cooler temperatures, we headed up into Wisconsin along the shore of the lake of Green Bay to Door County. Then before heading back to Texas, we did a speed trip to Ohio to spend a wonderful time with our daughter, son in law, and grandkids.

We were able to attend 3 THLAC rallies - Lake Livingston State Park, Fredericksburg, and the Christmas rally in Hillsboro.

What a whirlwind way to end the summer. Starting September 23rd with a wonderful “Everything on a Stick” rally at beautiful Lake Grapevine, we then left Sunday to join Marty & Cindy’s Balloon Fiesta Caravan. From there we hopped on Rick & Debbie’s “West of the Pecos” caravan and arrived just in time for the Installation Rally in Fredericksburg on November 4th.

The Everything on a Stick, proved that we have some very creative chefs amongst us.

Sights we experienced on the Balloon Fiesta Caravan.

Mike & Debbie Richards hosted a catered dinner from Pappadeaux. Night glow from down on the launch field.

The THLAC Balloon Fiesta Caravan, # U-437, began on September 26th at Abilene State Park. 19 rigs joined us at various stages of our journey to Palo Duro Canyon State Park; Santa Rosa, NM, Alto/Ruidoso and of course our primary destination Albuquerque. We spent four glorious days and nights at the Balloon Fiesta where we had perfect weather and four mass ascensions in the mornings; fireworks, balloon glows; and sky divers entertained us in the evening. Everyone enjoyed a variety of great food and adventures. Our farewell dinner was held at the Texas Club in Ruidoso and we wound up with a pizza party and bonfire on October 8th. Look closely at the flying pig and perhaps you can make out the faces of members, Cindi & Mark Cockrill. They have quite an adventure assisting the ground crew and flying over beautiful Albuquerque. Thanks for making it a great caravan and for your

We had to scramble to find another park. Hidden Valley RV Park saved the day. The new location worked out very well.
