Greetings Fellow Airstreamers!

We all hope the holidays were joyful and that your new year is off to a great start! The holidays can renew the spirit, give us an opportunity to spend time with loved ones and expand our waist lines. ☺ We also hope that you all came through the snow storm, a few weeks ago, safely and without too much cabin fever. Winter in the Pacific Northwest certainly likes to surprise us sometimes.

Last year was eventful on so many levels. As many of you are aware, changes are in progress at the Washington Land Yacht Harbor, the decades-long home of the Washington Unit. On December 11th, the Unit Board of Trustees and the Board of Directors of the Harbor held an information session during which we announced a number of very important changes to the Harbor.

In short, the Terraport (Harbor campground) is becoming an Airstream only place. The changes are already under way and non-member camping is being discontinued for both short-term campers as well as month-to-month campers behind Harmony Hall. The Harbor will be allowing non-Airstreams for storage only and on a short term basis for guests of Harbor residents staying in the residential section of the Harbor. Revenue from non-member storage will be capped under the 15% limit required by IRS rules. Other less significant changes are under way as well and the Harbor Board of Directors has been working on an updated set of rules to reflect those changes.

As I mentioned in the last newsletter, we have a very active year planned for the club. On January 15th, we had a Unit luncheon at the RAM in Puyallup. I want to thank Carol Ortiz for hosting and organizing such a wonderful experience for club members. We had a great crowd and all who attended had a wonderful time.

The next event on the schedule is the Valentine's Luncheon. It was originally planned for February 13th, but is being moved to Saturday, February 12th to avoid conflicting with Super Bowl Sunday. Jean Pierre and Gay Charette will be hosting and a short article providing more details follows in this newsletter. I want to thank Jean Pierre and Gay for jumping in and hosting.

On a different topic, I want to announce some changes related to our Website committee. Jim Bevan has been our webmaster for some time and has volunteered to help the Harbor with the implementation of a new Wi-Fi system for the Terraport. With that, he will be stepping out of the role of Unit Webmaster and handing the digital reigns over to Tim Lucas, our new Unit Webmaster. I want to thank Jim for all his efforts in preparing the website for migration to the new platform provided by the Airstream Club and welcome Tim to the role. By day, Tim is a software engineer and will be helping with the ongoing migration to the new platform and the discontinuing of the old website.

I also want to thank Airstream Adventures Northwest and their subsidiary Ultimate Airstreams for the generous donation of \$15,000 to the Region 10 rally coming up in June. The funds will be put to good use and will help to defray the cost of the rally.

Stay tuned for more announcements and updates to upcoming rallies. Additional events will be opening up soon for registration at washingtonairstreamclubevents.com.

Happy Airstreaming!
Jerry Kavalieratos, President
Washington Airstream Club

**2022 WA Airstream Club Fishing Rally, May 10-16
Black Beach Resort, Curlew Lake, Republic, WA**

Hosts, Paul & Charli Westerfield: charli300_7@msn.com. Cell **360-485-7837**.

This is an update to the article appearing in the Dec/Jan Washington Sound newsletter.

Even though most of us will have had our COVID vaccines and boosters, we will still be requiring masks and social-distancing when indoors or at restaurants. Most of our activities will be outdoors, so no masks required for those!

Black Beach Resort is located at 848 Black Beach Road, Republic WA 99166, (509-775-3989). If you are driving straight through from WLYH, it is about 341 miles from the Harbor. You may wish to leave a day early and stop over at Beebe Bridge Park, arriving at Black Beach on Tuesday.

For those stopping overnight at Beebe Bridge Park, here is the address: 23459 Highway 97, Orondo, WA 98843. It is about 34 miles north of Wenatchee on 97. This RV Park is first come, first served; no reservations. It is about 214 miles from Washington Land Yacht Harbor.

Keurig coffees, teas & hot chocolate available every morning. We are not planning group meals under the tent at this time, except for the final pizza dinner. However, potlucks could happen if all are comfortable with that. We may also eat some meals in Republic or at the K Diamond K Guest Ranch. They are always happy to accommodate us.

Unless otherwise notified, **Social Hour will be at 4:00 pm every day** starting May 10th at the big tent near the beach (snacks to share optional). Notifications and announcements will be made during the social hours. **BE SURE TO GET YOUR FISHING LICENSE FOR EASTERN WA LAKES!** Boats and motors and party boats to rent are available from the resort office.

Bocce Ball, Ladder Golf, possibly Corn-Hole (if you have a set, please bring it with!), and Casting practice will be available; we can get up some friendly competitions if you like. Suggestions welcome! The K Diamond K Guest Ranch is open for horseback trail riding, and great dining!

The Ferry County Rail Trail runs behind the RV Park and goes for miles in either direction. Great for bike riding or walking.

Rally fee covers RV site, firewood and final pizza dinner. **Please send in your coupon ASAP.** PLEASE NOTE MAIL COUPON AND CHECK TO CHARLI. Darlene will be out of town until mid-April. We need to know if you are coming by March 15. If you want to rent a cabin, call Black Beach Resort right away as they fill up fast for fishing season. If staying in a cabin and not an RV, Rally fee is only \$40.

Mail coupon to: Charli Westerfield, 9101 Steilacoom RD SE #141, Olympia WA 98513. Please make checks out to WA Airstream Club.

Meeting Your Board of Trustees

Hi my name is Donna Bryson. I am the Club's Third Vice President. For those ones that don't know me here is a little history. I was born in Renton, WA raised on a private airport with my two brothers in Silverdale, Washington. Had a long career in the auto industry which took me off the Kitsap Peninsula and brought me to the Olympia area in 2005. I met my husband Scott and his family in Olympia and we were married three years later.

Scott's parents lived in the Harbor for many years and they would invite us to rallies and other activities. I knew that someday that this would be the lifestyle for me; friends to travel with and social hours and so much more. So we joined in 2014 and moved into the park in 2016 to be close to family members and to continue the Airstream life.

I have since retired from Genuine Parts, Co., but I'm still too active to retire completely. I currently work for the Olympia School District in food service where I manage a kitchen 180 days a year. So there is still time for travel, friends and a whole lot of fun.

My goal as the Third Vice President will be to watch, learn and continue in a positive direction, with the help from all of you.

My motto will be "Have Airstream will Travel."

Sincerely,
Donna Bryson, Your 3rd VP
