Alabama Airstream Club Newsletter

January-February, 2022

President's Message

Well, January weather started out like a LAMB which was good for those of us who went to CANOPENER rally in Destin, FL. It was nice having 70's for the first week. Those temps were ideal for the beach. The Alabama Club was represented by SIX rigs which is a respectful participation from our club! If you have never been, it is a BLAST! The rally is always scheduled the first full weekend after NEW YEARS at Topsail Hill State Park in Destin, FL.

The wife and I went south after the rally and went to visit two Airstream parks, Travelers Rest in Dade City, FL and Paradise Park in Punta Gorda, FL. These two parks were originally Airstream Parks but now allow other units in. Both were well kept and offered many activities to keep us busy. One activity that is really BIG is "PICKLEBALL"! I guess we will give it a go in the near future.

Remember the weather, it took a turn for the worst. We left nice warm temps to go to FREEZING temps in Savannah, Ga. for the mid-winter IBT meeting. I found the meeting interesting because those meetings are necessary for keeping our club in order, by proposing new ways to operate as a club as well as, redefining some old regulations that need updating for the present. One proposal that came about is reorganizing our International Leadership, when I am presented with the copy of the proposed changes I will present them to the club to view and discuss. This proposal will be presented at the International Rally in Maine and will be brought to ALL club members to vote. I should have a copy before our State rally in April where we will have time to discuss the proposal.

We are having our joint rally with the Pensacola club at Mystic Springs so look for the registration form in the newsletter and sign up. The men folk will be responsible (I HOPE) for Saturday morning breakfast.

Also, make your reservations with Anchors Aweigh RV Resort for April 21-24, 2022. Make sure you tell them you are with the Alabama Airstream Club.

Looking forward to seeing some new members at our upcoming rallies and also our NOT SO NEW members as well!

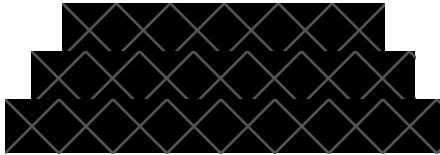

See you down the road!

Tony Olm
