Musings

March 2022

We left Melbourne FL at the end of January where it was pretty good weather all things being considered to return to WI. Tell me again why we did that?

Oh well, it is good to be home. At least the WIFI is better. Kinda.

We are so fortunate to have so many members who are working so hard on our behalf to insure our 2022 club rallies provide great experiences for attendees. They work hard finding so many fun things to do and places to go. And every one of the rallies is an opportunity to meet and make new friends, and forever renewing relationships with old friends. Airstreams are great campers but more importantly some of the best folks travel around in them.

Plans are now in place for the following club Rally events;

[March 19, 2022] St. Patrick's luncheon at **The Thirsty Goat in Fitchburg, WI**– Hosted by **Bill Scheuerell & Ginny Janssen**,
(BRN#3649)

[May 19-22, 2022] **theSpring Meeting/Rally @ Vernon County Fairgrounds** - Hosted by Jim Guthrie & Joanne Peterson,(BRN#11970)

[June 9-12, 2022] the **Kid's, Kid's, Kid's Rally @ Stoney Creek RV Resort** – Hosted by Bree & Charlie Lawrence,(BRN#2878)

[June 23-26, 2022] the **Milwaukee Rally @ the Wisconsin State Fair Park** - hosted by Chuck & Janet Zellermayer,(BRN#10230)

[**July 23-30, 2022**] the **WBCCI International Rally @ Fryeburg, ME,**

[**August 26-28,20022**] the **Ferry Tales II Washington Island Rally** -
Hosted by Dave Sherman & Vicki Engelstad, (**BRN# 2412**)

[**September 22-25,2022**] the **Manistique UP rally @ Jack Pine Lodge** – Hosted by Jane Carmichael and Ed Klein (**#BRN 219**) (but I bet Ed will do most of the work),

[**September 6-22, 2022**] Sandy & Ed Emerick (**BRN# 4425**) & Mary & Kurt Jorgensen(**BRN#6104**) are still working hard to put together a caravan around Lake Superior, and more.

Please check the **WISC-UP website at Airstreamclub.org**, find a club, click on the Wisconsin dot, Read More, then the events tab. It's going to be an epic Summer.

Everybody have a great winter wherever you are and enjoy every day that we are given.

And always remember, “Y'all Come Back Now Ya Hear”.

Chuck & Janet Zellermayer, (**BRN#10230**)

Vernon County has a lot to offer visitors. The hilly unglaciated land features steep hills, forested ridges and deeply carved valleys; often filled with spring fed trout streams. Historically settled by Norwegians, it also was the home of Germans, Czechs, Italians and was one of the largest rural black settlements in Wisconsin.

It is the home of the Organic Valley Coop, supplied by the numerous organic farms, and Amish owned family farms.

Things to do on your own:

- Tour Amish farms selling food and goods; we will offer a list of some of the farms to visit.
- Class 1 Trout fishing in the Kickapoo River and other local streams.
- Canoe rentals are available in Ontario, WI; to traverse the winding Kickapoo River.

- Tour area vineyards, Hillsborough brewery, and/or dine at several of the Farm to Table restaurants.
 - Viroqua Farmers Market is held on Saturday morning; selling local organic products produced by Amish farmers.
 - Hike the Kickapoo Valley Reserve; and/or bike the 24 miles of off-road trails.
