## Alabama Airstream Club Newsletter

**April, 2022**

### President's Message

The season is upon us. Are you ready? If you have not taken some time to look at your rig for travel, now is the time. The weather is getting better so check out your tires, clean up the battery terminals and check your fluid levels. Turn on your lights inside and out to be sure all are functioning correctly. Get out that silicone spray and lube your door hinges and all moving parts on the awnings. Now your rig is ready for the beauty treatment...WASH it!

I hope you have sent in your registration for the Anchors Aweigh rally. It is starting to fill up, but don't worry there is still room! We are planning on NON TORNADO weather but you never know?! The nice part is we have a nice

clubhouse to go to if the weather is like last year.

There are plenty of activities planned so come and join in the fun. There is a great theme this year so don't pass it up!

I wish all of you a blessed EASTER and lots of CANDY!

See you down the road...

Tony Olm  
President AAC
