If anyone has something they would like to share for our newsletter, please let me know!

I would love to have some contributors. You could write about camping or simply historical memories, Airstream ownership care & repair or how-to's, towing advice, camping recipes, trailer or truck bed organization, hobbies that travel, jokes anything you might see as applicable. I'd love to add more airstream pics, as well!

There is still time to register for International in Fryeburg, Maine. Go to www.AirstreamClub.org

Unfortunately we were not able get a Caravan to International scheduled.

Barry & Karen Bell are, however, working on finding a **meet up** place for those of us who are interested to stay as a unit on Friday, July 22 so that we can enter the Rally together, allowing us to park together for the duration of the rally.

Many thanks to Barry & Karen for working on this!
