DECEMBER 2021

John's Journal

Hello Everyone!

Wow! another month of surprises for us all living in the Pacific North West. This latest round is certainly proving challenging for us all. In particular some of our members have been directly affected by the flooding. Our thoughts and prayers go out to Eileen and Bev, and Paul and Janet who's lives have been directly affected by the floods. I suspect there are more in the club that I don't know about, I do hope that any of you who have been directly impacted are starting to see the light at the end of the tunnel.

The flooding etc. may additionally affect our activities next year. In particular the campground in Merritt (Claybanks) may not be up and running for some time. In addition, simply getting to Merritt may be a challenge given the extent of the damage to Hwy 8 and the Coquihalla Hwy. A great deal will no doubt happen over the coming months which may affect our plans as a club, we will try to keep everyone posted as we get updated.

On a more positive note on October 30th a number of us had a "meet up" at White Spot in Abbotsford. The luncheon was well attended and the food and conversation was good and lively. Our thanks go out to Bev and Eileen who hosted the event! Well done!

In mid November I unfortunately missed the Region 10 meeting however here is a brief summary of what went on as best as I can make out from the minutes;

a) The Region 10 rally to be held in Lynden on June 1st to 5th, 2022 was reviewed. The rally agenda is being worked on and should include on-site meals, a possible whale watching cruise etc. It is expected that 80-90 sites will be made available for the rally.

b) International is looking at making some changes to Executive positions for each region which may include the development of an advisory council based on a two year term. They are hoping that this addition will improve continuity by allowing members to sit in this shorter term capacity rather than have to commit to a six year term (ie: third Vice President through to President).

c) Susan McPhee put her name forward to take on the 2nd Vice President position for the region, a sincere thanks to Susan.

d) As the 1st Vice President Position is currently vacant, Darlene Caldwell agreed to sit in the position temporarily. Thanks Darlene!

e) As crazy as this sounds we were advised by Airstream International that our liability insurance will not cover us should we require that all participants in our caravans or events be vaccinated. As a result, our Region has sent a letter off to head office to reconsider this directive allowing a rally or caravan leader to have the authority to request covid vaccination as they see fit.

At any rate that is about it for now. Chris and I wanted to wish you all a very Merry Christmas and Happy Holidays and please try to stay safe and dry out there!

Respectfully submitted.

John

Region 10 Airstream International Club Rally

Four days of fun, friendship, and all things Airstream at the **Region 10 Airstream Club International Rally June 1 – 5, 2022**. Airstream Region 10 includes over 1,000 Airstream owners in the western US and Canada.

We have confirmed the **NW Washington Fairgrounds in Lynden, WA**, as the site for our 2022 Rally. Lynden is located north of Bellingham, just south of the US / Canada border. 20 amp, water, and an on-site dump (\$5) are available. Clean bathrooms and showers on-site.

Lynden is home to Washington State's largest Dutch settlement. The Washington and Idaho clubs are co-hosting this rally. We anticipate hosting 150 Airstream owners, with space for a maximum of 80 Airstreams. We are planning days filled with events, seminars, social gatherings, tours, food, and entertainment. Save The Date now! An email will be sent out in **January** with a link to register. Start planning your caravans to this event that is located in the middle of lots of interesting areas to explore. A list of suggested campgrounds to stay along the way will be included in the registration information. The Canadian border is open and by next June, camping on both sides of the border will be in full swing so snag your Region Rally reservations in **January**, and book your before and/or after camping reservations ASAP as 2022 will be a busy camping season. Airstream Northwest is a generous sponsor and this is a rally you will not want to miss! Questions? Email kathygeese@gmail.com or janetschober@comcast.net.

Attendees at the "Meet Up" in Abbotsford included hosts Beverley Robson and Eileen Meston with guests Tom Akam, Bob & Gayle Halliwell, Barry Hook, Wayne & Jeannie Jeffrey, Ron & Kay McQuarrie (with Kay's caregiver), John & Chris Millard, and Barbara & Trenor Tilley (*thanks Trenor for the photos*)

THINGS I'M GREAT AT:

1. Forgetting someone's name
10 seconds after they tell me.
2. Buying produce and throwing
it away 2 weeks later.
3. Digging through the trash for a box
I threw away, because I forgot the
directions.
4. Making plans. And then immediately
regretting making plans.
5. Leaving laundry in the dryer and
then turning it on "dewrinkle."

SITE BOOKING FOR RIVERHAVEN RV PARK IN JUNE ARE:

Here are the dates that Riverhaven has blocked off for us:

Thursday June 23, 2022 to Monday June 27th: 14 sites

Friday June 24th to Monday June 27th: 5 sites (actual rally dates)

So a total of 19 sites have been booked for us — some come early and stay late

Folks can book directly with Riverhaven RV Campground at 250-292-8221

There is no Online booking at this time, Doug said.

Please advise Beverley at 604-823-7232

THE COMMUNITY CORNER

by Arlene

Merrry Christmas to all from the Matches' household. May your holiday season be bright, cheery and healthy.

Lalani Vanderheide has taken the brave move to go back to Kamloops where she and Ralph spend so many happy years. She found Keremeos to be quite lonely after Ralph died and she has many friends in the Kamloops area. We all wish her and her pet, Palmer many happy years in their new home in their old city.

An email from Paula & Bill Faulkner reads:
Hello,
We have missed seeing members and meeting new members! I (Paula) retired 12/31/2019 and so looked forward to new Airstream adventures. We bought a new tow vehicle March 2020. Covid happened!
It is bittersweet that we sold our Airstream today.
We will miss getting to know everyone better.
We hope that the club has a wonderful end to 2021 and a fantastic 2022.
So glad we had the opportunity to meet.
Paula and Bill Faulkner

Trenor advises that there are still a few places left at the annual Christmas Luncheon. Get your name in soon to reserve a spot.

If anyone has news they wish to share with members of the Club, please let me know.

Arlene

B.C. Unit 121 Fishing Rally 2022

After a few years our Unit will once again host the Fishing Rally to be held at the beautiful

Loon Bay Resort

on Sheridan Lake. The dates for the Rally are Sunday, August 28th to Sunday, September 4th. Fishing at this time is usually good and the weather warmer than some of our previous Fishing Rallies where snow was common.

So far I have secured twelve sites, eight with full hookups and four with power and water. More sites may come available and there are some no service sites we could use. We will also have the same double camping site to use as our common area for Happy Hours and Campfires.

For those who would like to attend please follow these instructions:

- Contact me by Email if you are attending - halliwell4840@telus.net with
- Trailer size
- Number of persons in your unit
- Will you need easy access to the social site
- Dates you are attending the Rally (hopefully all)

Do not contact the Resort until you are advised a site has been assigned to you. You will be contacted with a site # and then asked to call the Resort and place a deposit.

We are looking forward to a Great Fishing Rally and of course the Legendary **Loon Saloon** will be open.

Your Hosts,

Bob and Gayle Halliwell

Fraser Valley Flood Report & Evacuation by Airstream

Bev Robson

Be careful what you wish for! We were somewhat chagrined that we had only been able to go camping once during this summer of 2021! Yes, Hedley weekend happened for many of us but we certainly sweltered it out under, what they're now calling, a Heat Dome! Camping at Historic Hat Creek Ranch in July: Cancelled due to forest fires a plenty throughout interior British Columbia. Our AGM in August: Also cancelled due to forest fires! Fortunately for some of you, you got to enjoy golfing and camping at Princeton and Twin Lakes in September. Scheduling conflicts prevented us from joining that fun outing. SO, come October, what else can one do but WINTERIZE having only used our Airstream one time which we did with a little help from our fearless leader John Millard who taught us how to use an air compressor as a substitute to using RV anti-freeze. Thank you John.

For us, effects of the historic and devastating flooding of the Sumas Prairie in the Fraser Valley were pretty much over and done with in about 7 to 10 days. No loss of property. Not even any flooding of our several buildings here on our 4 acre farm. Yes, our pastures looked like a lake at one point but that was all. And yes, we sandbagged most entrances to our buildings but even that precaution was not needed, at least not so far, because at the time of writing this, significant rainfall is still in the forecast. The primary impact on our household was the inconvenience of being ordered to evacuate as of mid-day Tuesday November 16th. Abbotsford dairy farmers, hardest affected by the floods, had only been evacuated earlier that same day. Too late, for most of them.

So began our second "camping" trip of 2021! We took about 3-4 hours to throw things into the Airstream. Some on the Sumas Prairie literally had only 30 minutes or less to grab their children before flooding overtook their very homes. Some farm houses saw 10 feet of water inside! Looking back, how blessed we were.

So a-camping we did go ... over to my brother's place on the east side of Chilliwack. Yes, that is the same brother who advertises his 3 RV sites in our monthly newsletter! So that was convenient. Power. Water hookups. Sewer, if we had needed it. He even came over to give us a hand as we prepared to evacuate. Thank you Stuart.

Now here is a quick run-down of a few, of many, highlights. Arlene, our masterful Editor in Chief, asked me to include a few salient items.

We were thankful for so many things, starting with our 25 foot Airstream International. It was perfect for we two adults plus two big dogs, one of which had only enjoyed barn accommodations heretofore!

Thankful doesn't begin to describe our feelings over not having had any flood waters affect our property but each of the first 3-4 days (we were gone 7 days in total) the news about that was tentative. The flood waters were such that they could have easily overtaken our property. They didn't. But neither did we experience any disruption of power or cellular phone services. After the 4th day we came home each day to a warm, inviting house where we could shower, get phone messages, and assess the flood situation which was one long block from our place. That is when we did the sandbagging.

Communication, we quickly realized, was of vital importance and meaning to us. Eileen gathered probably the most relevant and helpful information on a local Yarrow Facebook Community Watch site. That was wonderful especially in the absence of little to no relevant information coming from governmental sources. For me, it was meaningful to be able to send emails to family and friends, and especially to our Airstream friends. Thank you for your tolerance. But that is a lesson I want to always hang on to. Allowing folks impacted during times of trauma to express their thoughts and experiences, I learned, is of vital importance. So thank you all for indulging me when I kept sending those long missives(emails) on my cell phone!!!

And finally, being a person of faith, I realized how blessed we were with something more concrete than property or even life itself to see us through challenging times. Eternal life because of Christ is truly something worth hanging on to.

And oh yes, a word to readers in Jackson Center who I understand read our Newsletters. Overall, we grow in admiration and appreciation for our Airstream. Just a couple of recommendations for your consideration. (i) We forgot to take our satchel containing all our Airstream manuals. As a result, we could not quickly and easily figure out how to set the furnace properly so that it kicked out heat instead of cold air, which we didn't need when the temperatures outside were hovering around 40 degrees Fahrenheit. A quick and easy reference would have helped us avoid that first chilling night! (ii) We never did turn on the hot water heater. "Why?" you ask. Because to do so is so very cumbersome. We cannot physically twist the little knobby under Eileen's twin bed through that tiny port hole. So we've learned to totally unscrew the bed platform under her mattress so that we can access the little knobby! The thought of doing all that, even though we remembered to bring a drill, was too over whelming at such a time as that.

So thank you one and all if you've made it this far. Thank you for your notes of encouragement and survival tips! I guess that's why we enjoy and appreciate our fellow Airstreamers. They/You are always ready to encourage and help in a pinch. Thanks so much.

Bev

“OOPS – not a Good Idea

Monday, November 15, at 6:45 a.m. we got a text from our friends where our Airstream is stored. *“our place is getting flooded – we may have issues with Airstream and Motor Homes – not sure we can do anything – we’re trying to pump out water”*. I called a little later wondering if I should go move the trailer only to learn the water was so deep I wouldn’t be able to get in. So begins the saga of our encounter with the November 14, and on, terrible flooding in BC. We got it out of that spot by early Wednesday when the water had gone down a little. The water had been just up to the level of the floors inside.

Damage – sure, but so much better than it could have been. Carpets and underlays are out and interior is drying as we speak. Insurance adjuster was there Friday and is submitting our claim to insurance company (don’t know yet if it will be covered). Everything, so far, works. Going to replace converter and brakes, and such due to their immersion. Awful to see our baby like this, BUT, so many have faced so much worse. Can’t wait to get her on the road again.

So much devastation and heartache ...so many families are without homes. BC is also experiencing shortages of eggs, milk and other supplies that are sourced from this now wasteland. The rain has also caused wash-outs in our highway system for goods unable to be trucked in.

My name is Stuart Robson and I am BC Unit's Beverley Robson's brother. We live on a farm in Chilliwack, BC and have 3 full-service RV pads that we have placed in a yard adjacent to our main farmyard. All 3 pads have city water, septic hookups and power hookups (2x30 amp and 1x50 amp). The yard is nicely kept and it has 360 degree panoramic mountain views. We are interested in renting them out to BCAC members. Well-behaved pets welcome. Call for rates and availability.

Why not carry your old expired Blue Beret magazines with you when you travel? There are future members all over North American and Europe who would love to enjoy the Wally Byam Airstream Club lifestyle. Many owners (new and old) don't know of the club and a dust-collecting Blue Beret may be just the incentive to join us.

Tom Akam maintains on his computer an up-to-date alphabetical roster, a list of updates (corrections, additions and deletions) and separate rosters for (1) the Interior/Okanagan, (2) the Islands and (3) the United States. Upon request to lighthouse13381@shaw.ca (or 604-538-4149), he will email members copies either as a Word document or as a PDF — your choice.

!!...SMILE...!!

President, John Millard, requests new and affiliate members to please forward their info (photo and bio) for inclusion on the BC Unit website. We also encourage our regular and affiliate members who haven't done so to add a picture and update their biographies as well. There is a printable roster available from the website. Please contact our Web Master, Monty Sheldon or Arlene Matches with regard to accessing the website (if you haven't already done so). The email address for Monty is: msheldan@mac.com and for Arlene use: matches7403@gmail.com. Tom Akam also has a printable and up-to-date version of our Mini Roster in Word format which he will email upon request. Tom's email address is: lighthouse13381@shaw.ca
