## MAAC President's Message

I'm glad that April will soon be over. It seems to me that the month was unusually cold this year, so I'm really looking forward to May. May is my second favorite month (October is my favorite) because it still has cool nights, warm days, and relatively few bugs that like to drink my blood!

I am sorry to report that we did not have sufficient people sign up for our Hoedown Rally on June 11 to justify having it. As a result, I have cancelled the event. I do hope that all our members will still be able to take their Airstream to their favorite camping spot and enjoy the delightful early summer weather. Ingrid and I will be visiting another potential venue for another rally later this year. In addition, we have already scheduled our annual "Crabby Rally" at Crisfield, MD for the weekend of September 23-25, 2022. I have reserved and paid for six spots for MAAC members at the Crabby Rally and I'm hoping we can not only fill all those spots but also ask if we can get a few additional ones.

Here is a little more info on the Crabby Rally. We will be camping at the Crisfield American Legion located at 116 Lorie Quinn Road, Crisfield, MD. It has water and electric hookups at each of the 12 individual sites. There are showers and a dump station located on the grounds. Campers will be parked along the Chesapeake Bay shoreline with a beautiful view of the Bay to the west. There is a small beach along the shoreline and I've been reliably informed there are no sharks in the adjacent waters. The water is still warm in September so swimming and boating are possible activities for kids and families. Pets are welcome. The price per night for camping is \$40.00 plus there will be a small rally fee. I'm hoping that attendees will want to go as a group to a local crab house to have dinner together on Saturday evening, September 24. I will give more details as the rally draws closer, so keep your eye on our newsletter for updates on the latest info.

*President's Message, continued*

I would like all of our members to start thinking about club officers for next year. Ingrid and I would like to be replaced as First Vice President and President, respectively, and Flora Barrett wants to step down as newsletter editor and webmaster. Please email me at [berkendorff48@gmail.com](mailto:berkendorff48@gmail.com) if you are at all interested in taking a leadership position in our club.

Finally, Ingrid and I have just taken receipt of our brand new 2022 25 foot Flying Cloud. Compared to our smaller 23 footer, it has much more storage space, more room to move around, and the twin beds are much easier to make. We've already scheduled two trips to PA for later this summer and we hope to spend lots and lots of time in her! I hope you can do the same this summer!!

Best regards to all!!

## Region 2 News

Hello, everyone! Spring is arriving, finally, and I hope you're getting your Airstreams out and about. Erica and I are looking forward to getting our trailer back on the road this spring. Our first trip is to the joint rally with several clubs at Lums Pond in May.

We're busy with planning the Region 2 Rally and looking forward to it. Depending on when you read this, there's probably still time to sign up! The rally is May 19-22, in Harrington, Delaware. More info is available on the website: <https://airstreamclub.org/region2/2022-region-2-rally> If you've already registered, you should have received an email message from me around April 17 (or after you registered, if it was after the 17th). If you didn't get that email, please contact me at [region2president@wbcci.net](mailto:region2president@wbcci.net).

I know a lot of you are going to Fryeburg, Maine for the International Rally - it's less than 3 months away! Region 2 First Vice President Gary Russo (#1061) is working with a caterer for the Region 2 Luncheon. More information will be coming soon.

I just finished a day of working on the restoration of our Airstream B190 motorhome. I've managed to remove the cabinets and am now ready to remove the interior walls and ceiling. There's a long way to go, but at least there is progress. It'll make its way back to the road someday.

I'll see you down the road!
