## The Ticker

April 1, 2016

### A Word From Our President

This spring like weather has found me cleaning and reorganizing our trailer. Out with the stuff that we haven't used the last two years or does not have a dual purpose, thus freeing up space to re-think, reorganize, and relocate other items. (However, I can't seem to get motivated to do the same inside my house!) I just love getting ready for the upcoming camping season! It's exciting to think about reconnecting and expanding our campfire circle. It's time to get out your calendars and make plans to join us for as many events as possible. We will seriously miss you if you don't!!

Won't be long until we'll be camping together again!!! Four weeks, baby!!

Take Care,  
Lana

**Don't forget our next business meeting is April 2.  
Look for an email from Lana about a caravan to West Virginia.  
Lana will also be sending an email about a couple of proposed  
amendments to the WBCCI constitution.**

### Winter Views!!!

It's time to share!!

I'm still looking for your favorite camping food/ recipe?

Do you cook on a grate, Dutch oven or crock pot?

Send me your favorites and I'll put them in next month's Ticker. Email [jkl.evans@comcast.net](mailto:jkl.evans@comcast.net)

Still looking for recipes and movie ideas

**Lights. Camera, action!!!**  
We would like suggestions to show at our week-  
enders. What's is your favorite movie?

## Weekenders

Make sure to make reservations for the **Moraine View Weekender** in Leroy, IL, August 12-14. We will reserve sites in the F loop, 1-9, the inside spots of a loop, just off of the lake. This will allow us to have a nice area for an outdoor movie and to line up picnic tables for a pitch in. Breezes off the lake will be nice in August. Also, we will be able to canoe and kayak, if interested, right off the shore by the campsites.

Make sure to make reservations for **Lincoln State Park** for our Family/Buddy Rally at Holiday World, July 29-31: Lincoln State Park is only 9 minutes away from Holiday World, so it will be super convenient. A Buddy Rally means you are welcome to invite friends who enjoy camping, but do not yet own an Airstream. Let's reserve sites 95, 98, 100, 102, 103, 106, 113, 115, 118, 120, 121, and 125. That's an inner loop.

Make sure to reserve for our **Turkey Run Weekender**, June 3-5. If you have never been to Turkey Run and enjoy hiking, you will LOVE it! We can also canoe, kayak, or raft down Sugar Creek together if we want. And Don LOVES the Buffet at the lodge! :) Turkey Run is Lana's favorite State Park in Indiana! Visit Reserve America and reserve a spot in sites 175 -183. These are nice level shaded sites.

You can still book your site at **Patoka Lake State Park Weekender!!** Going a little farther south for warmer weather for this one. The official dates are May 13 - 15. you can reserve through Reserve America. Let's reserve sites 297, 299, 304, 308, 312, and 314 first - that's the inner circle of a loop, followed by sites 305-313. This is opening weekend for this park, so they may book up quickly. This loop is close to the lake with paths back to it. Looks like a great place to meet!

Have you registered for our first weekender? We'll be enjoying **Brown County State Park** for this Week-ender. It is April 29-May 1. Reserve through Reserve America and let's keep the same sites we've occupied the past two years; let's reserve sites 36-42 in the Buffalo Ridge Electric Campground, followed by sites 28-35. Don and I are registered for site 37 and are arriving Thursday.

## A Taste of Limestone Country Oct. 7 - 16, 2016

Please join us for the 2016 Central Indiana Unit “hop-on hop-off” caravan as we visit Indiana’s limestone country from Bloomington to Corydon.

- Join and leave the caravan as your schedule permits. There will be a separate “rally fee” for each day which will be collected on the last day when costs are known.
- You will need to make your own reservations at the campgrounds.
- We have planned many activities for the group and many more alternative things for you to see and enjoy on your own.

### **Stop 1 – Bloomington, Indiana** **Paynetown State Recreation Area** **4850 South State Rd 446, Bloomington, IN 47374** **6 nights Friday Oct. 7 – Wednesday Oct. 12**

Our home base is on Lake Monroe with opportunities for hiking, biking, and boating. Bloomington offers selections for a wide variety of “tastes” – limestone architecture, museums (fine art, history, geology), Wonder-Lab Museum of Science Health and Technology, Tibetan culture, international food, wineries, and even the Kinsey Institute!

In Spring Mill State Park we’ll visit the pioneer village with its limestone grist mill plus the Gus Grissom museum. Bedford offers quarries, caves, cemeteries with beautiful limestone carvings, plus a display of vintage tools and photographs of carvers as they worked on various national landmarks built from Indiana limestone.

### **Stop 2 – Corydon, Indiana**

**O’Bannon Woods State Park**  
**7234 Old Forest Road SW, Corydon, IN 47112**  
**3 nights Thursday Oct. 13 – Saturday Oct. 15**

Visit the territorial capitol for the Indiana Bicentennial! Lots of historic places including the Corydon Capitol State Historic Site and the site of the only Civil War battle in Indiana. There are three more caves, more wineries, a glass studio and spectacular scenery along the Ohio River. There will be free time for antiquing, hiking, biking, fall festivals, and more.

Limestone Country in the winter! I spent a few days there in January and did a little scouting for the October caravan. We're making arrangements for a limestone mill tour, a boat ride through Blue Spring cave, and the longest covered bridge in Indiana located in Williams (thanks to Halle for knowing about it!).

Lawrence County has an app available which is especially useful when you are in Limestone Country. There is a link to downloads for the app on their website: <http://limestonecountry.com/>
