Newsletter of the Central Indiana Airstream Club
December 2020

From Our President – December 2020

Greetings CIACers,

Welcome to the end of 2020. Let us hope for a better 2021.

I know that many (most?) of us are hunkering down (an older version of the word ‘quarantine’) at home this winter and we will not be Snow birding this year. But that is OK. We are staying home and we are staying safe.

On Monday evening, the CIAC Executive Board met via a Zoom video call to finalize our plans for 2021. During this meeting, the Board approved three, three day/two-night weekenders, a four-day rally and several other events. The entire schedule for CIAC is published in this month’s Ticker. You will see a couple of TBDs and TBA (To Be Determined and To Be Announced) notes in the calendar. We are still working on these events and we will let you know when this planning is complete.

WINTER SATURDAY LUNCHEONS

The Board chose to not hold our upcoming January-April winter luncheons because of COVID, but we decided to have electronic get-togethers. Stay tuned for more information on the “Brown Bag Lunches.”

OTHER CLUBS’ ACTIVITIES

The Club Presidents in the WBAC Region Five (covering the States of Indiana, Kentucky, and Illinois) have all agreed to publicize their

Airstream Club Family!*

activities to the other clubs in the Region. It has been fun to meet members of other WBAC clubs at our events and I do hope you – as CIAC members – will take advantage of some of the other Club's activities.

In this month's Ticker, we are publishing the announcement for the Illinois Lincolnland's upcoming Wildflower Foray Rally at Brown County State Park on April 23-26, 2021. If you are interested in joining the Lincolnland group on this rally, please contact them directly. It looks like it will be a fun weekend.

NEW MEMBERS

The CIAC is an extremely healthy club with close to fifty Regular and Affiliate members. We have gained several new members this year and they are listed elsewhere in the Ticker. I hope our new members will join us at our upcoming events and I personally look forward to meeting each of you.

IN CLOSING

For the CIAC, while we did have to curtail many of our activities in 2020, and some were cancelled for us, we did put our Airstreams on the road, we camped at some of our favorite Indiana State Parks and we made new friends. Not all bad, everything considered. Please enjoy the upcoming Holidays with your families – safely – and we will meet somewhere down the road next year.

Keep the Shiny Side Up ... John Deegan, CIAC President

Meet Our Newest Club Trustee

We welcome our new board member and trustee, Brenda Ansel. We will let Brenda introduce herself and tell her Airstream story:

Dave said, "you're crazy", "have you lost your mind?" and "what if we don't like it"? This is how we got started camping and yes, I might be a little crazy, I have not lost my mind that I am aware of, and yes, we like it. So much so at the end of this camping season we decided to trade our Bambi in on a new 25ft Flying Cloud. It

should be ready in February if all goes as planned.

So, let me back up a bit. I am Brenda, married to Dave, mother to Natalie and Izzy. I camped with my parents a handful of times when I was younger, and tent camped in my high school years. Then life happened, college, job, husband, kids and fast forward some 20+ years. I have been a nurse for thirty-three years and have worked at St. Francis for the last twenty-five of that. Currently I am a NP at a spine specialty clinic. Dave and I have been married for 16 years and he retired from the fire department four years ago after forty years of service. We met while I was working in the ED. I found out he had a motorcycle, and our first date was a ride that lasted well into the night. We spent many years riding motorcycles all over the country and loved it but eventually hung up our helmets for a home in the country, a tractor and a gator. Life was busy with work, kids, pets and very little free time. As the girls got older, they were gone more and more and I was seeing a lot of people buying vintage campers, fixing them up and glamping was the new thing. I had the bug for sure. I started looking for a canned ham and eventually found an adorable 11 ft Playmor. I got it for a steal and while it was not perfect it did not need extensive renovation. We used it for a whole season and fell in love with camping. We had to get something bigger, so the search was on again and we sold the Playmor. I was looking at SOB's and Dave suggested an Airstream. I found our Bambi on Marketplace two years ago and we have thoroughly enjoyed it. We have made some great friends and been to some great places. We experienced the usual newbie fails and been to some not-so-great places too but overall, we are loving it. We joined the club two years ago and have enjoyed participating in club events and meeting the other members. We are going to Urban Air this year so we will miss the season opener. We are planning on attending international and I think I am supposed to be coordinating a caravan, so I welcome any and all assistance since I know nothing about caravanning! I am looking forward to another fun season of camping in the new FC with Dave and Billy as your newest trustee.....Brenda

Club Luncheons

Like many things in 2020, our monthly club luncheons in 2021 are becoming a victim of the covid pandemic.

We will not be holding monthly club luncheons at the MCL Cafeteria on West 86th Street, as we have previously published, in January, February, March, or April of 2021.

The executive committee made this decision considering the current COVID-19 situation in Indiana and considering that the national vaccination effort is just getting started. The board felt not having these luncheons in the best thing for the health and safety of our membership

But all is not lost! Hold these dates on your calendar:

- January 9, 2021 (note: second Saturday of the month)
- February 6
- March 6
- April 3

Club member Damon Beals is looking into organizing virtual club events for these dates in lieu of our luncheons, Details on these events will be forthcoming.

Even in these challenging times, technology can help us stay connected!

Our first weekender for 2021 will be at Brown County State Park

Buffalo Ridge Campground

Target Sites: 25-32, 36-42, 43-52

Friday, April 30 - Sunday, May 2

Reservations are now open.

June 2021 – Clifty Falls State Park

On December 15th, we emailed to all club members details on our June 2021 Clifty Falls State Park outing. We are resharing that information below.

Dear Central Indiana Airstream Friends,

I hope that this email finds you all well.

I am writing to provide some information on the June 2021 Camping Event for our club that we are planning.

As the club executive committee put together a calendar of events for 2021, which we will get published in an edition of the Ticker to come out shortly, we discussed planning an event for the month of June that would be a bit longer than our typical Friday-Sunday weekender.

Here is what we are planning. We will hold a "camping event" - I guess we should call it a rally - at Clifty Falls State Park in Madison, Indiana. The dates will be Thursday, June 10 through Sunday, June 13. Your hosts will be Joe and Julie Ashland (one thing we are starting this year is having "hosts" for each event).

Consider this a "flexible arrival date" event.....we understand that some people will not be able to be there for the entire event.....come and stay as much as your schedule permits.

Your hosts will be arranging one or perhaps two activities for Thursday (June 10), Friday (June 11), and Saturday (June 12). We are thinking of including a visit to the Lanier Mansion/Madison Visitor Center Museum and a historic walking tour of the town and/or a riding tour (the visitor center offers guides for these sort of things). We are researching to see if there are any boat rides on the Ohio based in Madison, there are two wineries that do tastings if there are people interested in wine. We can organize some board or card games one evening and of course have happy hours and campfires. We will have to wait and see how things are with COVID-19 before we try to plan any group meals at the campground or restaurant meals.

If you would like to attend, please make your own camping reservation for Clifty Falls State Park ASAP.

<https://indianastateparks.reserveamerica.com/>

Reservations for these dates are already open and there are already a limited number of electric sites available. Again, you can arrive and depart as your schedule permits. Your hosts will arrive on Wednesday June 9 and depart on Sunday 13.

We know many of you have been to Clifty Falls and Madison. Please let us know of any things you have done there or places you have visited there that we may want to consider including in our plans.

Questions - Call Joe Ashland, 317-430-1395 or drop me an email at jjashland522@gmail.com (I will see your email quicker if you use my Gmail address rather than responding to this message).

Minutes of Executive Board Meeting Central Indiana Airstream Club September 10, 2020

President John Deegan presiding.

E-meeting called to order at 7:00 PM EST.
Board members present, Pres. John Deegan, 1st
VP Joe Ashland, Treasurer Mary Ellen Deegan,
Secretary Charles Mason, Trustees Daryl and
Denise Baldwin, Trustee Mike Brown.

A quorum is present.

Joe Ashland moved to accept the meeting minutes from May 12, 2020 and June 11, 2020 as written. Daryl Baldwin 2nd. Vote was unanimous: Yes.

Mary Ellen Deegan read the Treasurers' report and will Email the report to the Secretary to be included in the current meeting minutes. She recommends the Club should spend some of the money instead of setting the membership annual dues at \$0.00. Joe Ashland agreed and feels the Club could use money in recruitment of new members. Daryl Baldwin moved that the annual dues be restored to \$15.00 beginning January 1, 2021. Mike Brown 2nd. Vote was unanimous: Yes.

Mary Ellen Deegan reported that CIAC has 46 Regular members and 3 Affiliate members. She said the "membership portal" on the International website is not ready for membership renewal.

Chris Dillow sent out the current Directory with the revised Constitution and Bylaws (C&B) on September 6, 2020. The C&B changes will need to be voted on by the membership.

Pres. Deegan proposed adding the office of 2nd VP to the Executive Board. He also proposed that the number of Trustees be increased. Joe Ashland suggested to add 2 trustees now and

maybe more later. Daryl Baldwin suggested a minimum of 4 and a maximum of 8. Joe Ashland moved to have min.4/max.8 trustees. Daryl Baldwin 2nd. Vote unanimous: Yes. This change will need a vote by the membership. Chris Dillow will make changes to C&B for inclusion in the Sept. "Ticker". Joe Ashland to send out Sept. "Ticker" before October 1st.

The October CIAC Weekender is still on the schedule. The attendees will need to practice safe distancing and Covid-19 protection. Info will be included in the "Ticker".

Joe Ashland reviewed the proposed CIAC calendar for years 2021 and 2022. He suggested to have a program/speaker at CIAC luncheons and to not have luncheons in January and March. He cited low attendance at luncheons during winter months. Daryl Baldwin said that even small attendance allowed positive interactions. Since CIAC does not plan camping events in the same month as the International and Region 5 Rallies, he suggested having "no host" weekend camping for those members who can't/do not attend the International or Region 5 Rallies.

Pres. Deegan asked the Board for names of members for possible future office holders. Joe Ashland will make an appeal in the "Ticker" for member involvement in the Club.

Pres. Deegan said Brenda Ansel asked if CIAC might organize a caravan to the International Rally in Tennessee next year. He said it is about a 6-hour drive. He will contact Brenda to see if she would be willing to be the organizer.

Pres. Deegan stated that Tom and Vickie Ketcham (affiliate members) are planning a National Caravan from Baltimore, Md to Vandalia, Illinois. The caravan would be during May of 2022 and would consist of (3) nine-day segments. Ketchams have asked if anyone from CIAC would like to "co-host" the rally with them.

Pres. Deegan asked the Board members to think about ways to recruit new members and encourage member involvement. He would like to have 5-6 more members. The Club would like

members to volunteer for jobs like: "Ticker" editor, Hospitality, Historian and others.

Pres. Deegan proposed awarding Lifetime CIAC Membership to Barry and Karen Bell. Mike Brown moved to do so. Daryl Baldwin 2nd. Vote was unanimous: Yes.

Pres. Deegan stated that the CIAC used to host the INDY 500 National Rally. Camping was at the State Fairgrounds. Daryl Baldwin and Pres. Deegan will check with Barry Bell to get info of what would be involved to host a National Rally. If a multi-day rally is too involved, then maybe a rally on race weekend might work out.

Damon Beals reported about the International website. The home office has moved to a new platform. All the Club websites will be on the International site and will have the same "look" and format.

Open discussion: Need to find ways to encourage member involvement. Pres. Deegan and Damon Beals will send letters/emails to all members to "Welcome" and promote the CIAC activities to generate interest.

The meeting was adjourned at 8:53 PM.

Wildflower Foray Rally

WBCCI Illinois Lincolnland Airstream Club #176 of WBAC

April 23 - April 26, 2021

Brown County Indiana State Park

Buffalo Ridge Campground - sites 32-52

West Gate Entrance - 1405 S.R. 46 W

Nashville, IN 47448

Bernie and Mary Taylor are hosting the Wildflower Foray Rally in beautiful Brown County Indiana State Park, next April 23-26, 2021. Because the Wildflower Foray activities begin on Friday, April 23, 2021, you may wish to arrive on Thursday, April 22, 2021. We will be camping in the Buffalo Ridge Campground, electric sites 32-52. Please see the attached campground map, with Public Policies and Procedures. Park website is <https://www.in.gov/dnr/parklake/2988.htm>.

Brown County Indiana State Park is a very popular park, especially in the Spring and Fall. Because of its popularity, early camp site reservations are absolutely necessary for this rally. By early, we mean your reservations **must** be made now. Otherwise, camp sites will not be available, as Mary and I learned in April 2019. Some sites in this loop are already reserved. Buffalo Ridge Campground Class A electric only sites 32-52 are \$24.61 (includes tax) per night, Sunday-Wednesday; and \$32.10 (includes tax) per night, Thursday-Saturday. You may call or go online to make your reservations. When making your reservations, you will be charged for your

entire stay plus a \$5.00 nonrefundable registration fee. The park entrance fee is \$9.00 for out-of-state vehicles and is a one-time fee during your stay. Water is available so be sure to bring your water hoses. There is also a dump station. Because this rally is the end of April, and the weather can be unpredictable, we have reserved an enclosed building for our use for Friday, Saturday, and Sunday. The \$135.00 reservation fee for the building will be prorated among those attending the rally.

To make reservations for camp sites through Reserve America, go online www.CAMP.IN.gov or call 1-866-622-6746. Call Center hours are: Monday-Friday 12:00 Noon – 8:00 P.M. and Saturday-Sunday 12:00 Noon – 5:00 P.M., EDT (Indiana is 1 hour ahead of us).

The cancellation policy/fee is:

1. 8 or more days prior to arrival – \$10.00 cancellation fee
2. 1-7 days prior to arrival – 1st night camping fee + tax
3. if day of arrival or later – NO refund-you forfeit your entire amount paid

There are NO refunds due to inclement weather.

VERY IMPORTANT: You must use the West Gate Entrance to enter the park with your RV, 1405 S. R. 46 W., Nashville, IN 47448

The Wildflower Foray is hosted by the T. C. Steele State Historic Site. The hikes and programs encompass a wide area. For a preview of the Wildflower Foray 2021 activities, see the 2019 list of activities at <https://tcsteele.org/calendar/2019-wildflower-foray/>. The Foray also offers a Saturday night banquet, which we will attend, on Saturday, April 24, 2021, at the T. C. Steele State Historic Site. The 2021 list of activities has not been finalized yet, due to Covid-19. We can monitor the status of the Foray on their Facebook page, <https://www.facebook.com/TCSteeleSHS/> or the Indiana State Museum & Historic Sites website, <https://www.indianamuseum.org>. We can monitor the status of Brown County Indiana State Park on their website, <https://www.in.gov/dnr/parklake/2988.htm>.

Nashville, Indiana is 2 miles from Brown County State Park. It originated as an artists' colony and remains so today. In addition, there are numerous shops, restaurants, and breweries. My personal favorite restaurant is the Hobnob Corner Restaurant. Columbus, Indiana is 15 miles east of Nashville and Bloomington, Indiana is 19 miles west of Nashville on State Route 46.

Mary and I cordially invite you to make plans now to join us at the 2021 Wildflower Foray Rally, April 23-26, 2021, at Brown County Indiana State Park. As more details for the rally become available, we will notify you. If you should have any questions, please call my cell phone # (309) 251-7744 or email me at bgtmd132@gmail.com. Thank you.
