## FROM OUR PRESIDENT

Hello there, all you cabin-fevered, tired of sittin', ready-to-camp Airstreamers!

Donna and I arrived home in time to attend the April luncheon. What a gathering! Damon Beals counted 26 happy people.

BROWN COUNTY INFO: At the luncheon, I asked those going to Brown County to vote for the pitch-in meal and the "potato bar" won. I plan to arrive on Thursday. I know that Langells will already be there. **I'm asking all who plan to go to let me know your site number and how many will join in the pitch-in.** We need to have some idea of how many potatoes to fix. Donna plans to bring pulled pork for potato topping, please bring your favorite topping/filling and/or a side dish/dessert to share. If weather permits, the (short) business meeting (4PM), pitch-in (5-5:30PM) and campfire will be at the campsites. I have reserved the Strahl Lake Shelter in case of bad weather. Please try to bring a DVD movie that we might watch and any games we could play. I know you are ready, soooo, get the camper ready and I'll see ya in May!!!

### *From the Editor*

This isn't my first time around the block as Ticker Editor, and I've learned that the spring editions of the Ticker are the very hardest ones to produce. Everyone wants to get outside; there is nothing new to take pictures of; and NO ONE wants to sit down at a computer and type up an article. I am looking forward to a lot of great photos and stories from this summer's rallies! To liven up these pages a little, and perhaps inspire you to get signed up for the coming rallies, I've included a few photos from our 2013 spring rally at White River Campground. Don't miss out on the fun!
