MAAC President's Message

Hello MAAC'ers!

No, I did not goof in the salutation, it is the start of excellent news (which had already started to make the rounds). Thanks to the group effort starting with our members, our Region 2 President (Rich Short) pushed Mid-Atlantic Unit's request to adopt the Airstream name and we may now use the Mid-Atlantic Airstream Club name. With any identity change, the fun part now starts as we need to start wrapping it into all the other items of business like our logo and artifacts.

From the group news category:

- The Gyllenhaals are now in Raleigh, NC and continuing as Airstreamers, albeit at-large members.
- Ralph Forrester is selling off his Class A and winding-down the traveling lifestyle.
- The Broomals are looking to swap their SOB Class B and get back into a silver tube. Perhaps they might consider a nice Class A for sale in the Carolina's instead :)

For the planner:

- In one week (December 8) we have the gathering at Timbuktu that the Berkebiles are coordinating and am looking forward to seeing everybody.
- At this time, I do not have any details for the Maintenance Rally and will start working our contribution to that event.
- Information for this Summer's Region 2 Rally is starting to flow, so check-out its web page.

Have a safe and enjoyable winter and will see y'all down the road!

Message from Region 2 Pres:

Let's offer our Congratulations to the following units of Region 2 on the approval of recent motions to change their name to Airstream Club:

Penn-Lehigh Airstream Club President George Collister, Immediate Past President Jim Ridolfi.

Mid-Atlantic Airstream Club President Jonathan Jacobs, Immediate Past President Luke Brennecke.

DelMarVa Airstream Club President Art Potter, Immediate Past President Bill Turner.

The Executive Committee of our Airstream Club, Intl. approved the names changes on Tuesday, November 12, 2019. My congratulations to these clubs and many thanks to their leaders for working to make the name changes happen. There is no better way to define who we are than having Airstream Club in our names. Other Units considering a name change should contact me as soon as possible. I need to submit any motions for the Mid-Winter IBT meeting in January to HQ by December 1st. Any questions, please let me know.

Again, congratulations to three more of our Units and their leadership teams. Let's continue in our efforts to Renew Region 2!
