MAAC President's Message

All this year I have been complaining about the weather putting a kink in my camping plans. So, I am happy to report that the month of June has lived up to my expectations and Ingrid and I have been able to go camping in our new Flying Cloud. We had made a reservation at Shawnee State Park in anticipation of hosting our "Hoe-Down Rally." Even though we had to cancel the rally, we went ahead with our camping trip and were joined by our 12-year-old grandson. We all had a great time learning about our camper, making s'moreos around the campfire, and hiking the parks trails. Unfortunately, with the price of gas going up so drastically and being an elderly couple on a fixed income, this may be our only summer trip. But we are still looking forward to our Crabby Rally in September.

I sent out an email to all our members on June 15 asking you to vote on two amendments to the WBCCI constitution. I would like to have the voting completed by June 30, but I could accept a few late votes as late as July 6. I will be sending out a reminder email to all our members on June 29 but if, for some reason, you can't respond by June 30, go ahead and vote by July 6. The two amendments deal with changing the process for approving constitutional amendments and making structural changes to WBCCI's Executive Council/Committee. The results of the vote will be provided to Flora Barrett, our delegate to the International Rally, for delivery to WBCCI leadership.

President's message, continued

Speaking of the International Rally, I have been asked to tell any MAAC member who plans on attending that there will be a Red Cross blood drive during that event. I am including the information below as a direct quote from the email I received:

"Can you please encourage your unit members attending the International Rally to sign up and participate July 26 or 27, by donating blood, volunteering to help or both?"

Here is how they can register to donate blood on July 26-27.

<https://www.redcrossblood.org/give.html/drive-results?zipSponsor=AIRSTREAM>

It is easy to register! Just use this link.

*The schedule July 26 and July 27 will be in red. See Times will be in red. **Please** sign up for a time.*

If you're unable to make the time you selected that is not a problem. Walk-ins are welcome, though there may be a short wait. Email reminders will be sent out.

Giving blood is a way we can show our Airstream strength and commitment to community."

A coupon and more details for our Crabby Rally appears elsewhere in this *Caravanner*, so if you plan on attending, please return the coupon or the info requested on the coupon to me via email or snail mail. We have reserved 6 spaces for the rally and, so far, four of our members have expressed interest in attending. We can probably get a few more spaces if need be and I'm hoping that will be the case.

I want to thank you if you were able to vote on the nominees for next year's WBCCI officers. We should know the results of the election soon.

We have not yet been overwhelmed with nominations or volunteers to be MAAC officers for next year. The positions available include President, First Vice President, Second Vice President, Newsletter Editor, and Webmaster. We may have additional openings for Recording Secretary, Membership Secretary, and Treasurer if the current incumbents do not wish to continue in office. After having completed two years as President, First Vice President, Newsletter Editor, and Webmaster, we

Region 2 News

Hi, everyone! I hope you're all getting to use your Airstreams frequently. I know quite a few people are either on caravans or going to the Fryeburg, Maine International Rally. Of course, we're among the latter group.

Speaking of the International Rally - the Region 2 luncheon will be a bring your own food and drink. We came to this decision after Region 2 1st Vice President Gary Russo (#1061) spent many hours trying to find an inexpensive catering option, and everything he found was either extremely expensive or couldn't handle the number of people we have. Based on what we've heard from other regions, this is a pretty common problem. Rather than trying to force something, we decided a better option was to go simple. The luncheon is scheduled for Tuesday, July 26, at noon, in the Specialty Foods Pavilion. There's no registration and no fee, just come and join us for lunch and a social hour!

Erica and I recently spent a weekend with the New York Finger Lakes Airstream Club in Watkins Glen, New York. It was a great rally, the weather was beautiful, and Erica and I visited numerous wineries and one distillery.

I'll see some of you in Fryeburg!

Got Crabs? Rally

American Legion Post 116

Lorie Quinn Drive
Crisfield. Maryland

The rally date is **Friday, September 23** through **Sunday, September 25**, 2022. Mark your calendar for this date. We plan to have another business meeting.

If you like, you can arrive on Thursday, September 22 and depart on Monday, September 26, to have more time to explore the Crisfield area and eat more seafood. All activities on Thursday and Monday will be on your own and no meals or other activities would be planned for those days.

Parking will be \$40.00 per night. Water and electricity will be available. An extension for your electric service might be helpful as well as an extra length of water hose and a "Y" splitter. A sanitary dump is available on site but is in a difficult location and some rigs may not be able to use it.

Breakfast will be provided on Saturday and Sunday morning. We plan to have a group dinner meal on Saturday at a local restaurant. We will try to arrange individual checks for the dinner meal. All other meals will be on your own.

Join us at Crisfield! Send in the coupon below for planning purposes as soon as you can or email me the information requested. The kitty fee for the rally will be \$10.00. If this is your first MAAC rally, we pay your rally fee! If you have any questions, please let me know.

We look forward to seeing you there!
