

UWAC Flaming Gorge Rally — June 2022

Hosted by Joni & Danny Simmons

UWAC held a fun and successful rally at the Pine Forest RV Park at Flaming Gorge, Utah. Our rally hosts (Joni & Danny) organized a wonderful time at a beautiful campground complete with all kinds of fun activities including river rafting, corn hole tournament, and even Karaoke. We had an excellent turn-out with 16 trailers and motorhomes registered and 30-plus rally attendees. We were treated at dinner to a guest appearance from a herd of Rocky Mountain Bighorn sheep at the Red Canyon Lodge. Look to the UWAC newsletter for a complete recap of this awesome rally. Special thanks to Joni & Danny for all their thoughtful planning and hard work in pulling off a truly great rally.
