A photograph of a large, modern brick building with a prominent glass facade, illuminated from within at dusk. The building features a series of gabled roof sections and a central glass wall that glows with a warm yellow light. In the foreground, there are several large, dark green evergreen trees and a bed of reddish-brown rocks. The sky is a soft, pale purple and pink.

An indoor water play area featuring a large pool with various colorful water structures. The structures include vertical pipes in yellow, blue, and green, some with horizontal bars. A blue funnel-shaped structure is in the center, and a yellow one is to the right. The background shows a building with windows and a large white pipe structure hanging from the ceiling. The scene is brightly lit by overhead lights.

Center

A wide-angle landscape photograph of a golf course. In the foreground, a large, well-maintained green fairway stretches across the frame. A single tree stands on the left, and another on the right. In the middle ground, a wooden bridge crosses a small stream. A tall, black pole with a white spherical top stands prominently. In the background, a large brick clubhouse is visible, along with a town and rolling mountains under a clear blue sky with light clouds.
