

Amy's Instant Pot Zatarain's Dirty Rice

Makes 6 Servings

Amy's
Side Dishes

1 tablespoon olive oil
1 pound 80/20 ground beef
1 (8-ounce) package Zatarain's dirty rice mix
1 1/2 cups water
thinly sliced green onions

This recipe was made in the 3 quart Instant Pot

Set Instant Pot to Saute and add olive oil. When HOT, add ground beef and cook until no longer pink. Add water and rice mix to ground beef and stir until blended. I don't drain the ground beef as I think it adds flavor.

Set Instant Pot to Manual, cover with lid and set the valve to Sealing. Set time for 4 minutes. When the timer beeps, allow to stand, unopened for 5 minutes. Release any remaining pressure. Fluff with fork and serve. Top with green onions as a garnish.
