Greetings Washington Airstream Club Members!

I hope you're all enjoying the wonderful summer weather! July has been a busy month for the Unit and August will be too. I want to start by thanking Jan and Lee Wyman for hosting the Splash Rally. Everyone had a great time and nobody fell in the water during the rafting expedition. For those of you that haven't been to Howard Miller Steelhead Park, it really is one of the most beautiful campgrounds in western Washington. It's situated on the banks of the Skagit River and is surrounded by mountains and emerald green forest. It's one of those places where you wish you had time to stay a few days longer.

I also want to thank Richie Stolarik for hosting the Oregon Trail Days Rally in Tenino, WA. It was a boondocking rally and we all got to practice our water and energy conservation skills. There were lots of events going on in Tenino and all had a great time. Of course, Richard's bananas foster was a big hit! There was plenty to like about this Rally and one of my favorites was the park we were camping in.

Coming up in August, we have the Salmon Rally at WLYH and the End of Summer Rally at the Copalis Beach Resort. There's still plenty of room at the Salmon Rally, so if you haven't signed up, please contact the host, Diane Carpenter at dianecarpenter541@yahoo.com.

On a sad note, Unit Past President Phil Latimer recently passed away. On behalf of the Unit Board of Trustees (BOT), I would like to extend sincere condolences to Pat Latimer and the Latimer family. Phil and Pat have worked tirelessly over the years in support of the Unit and its mission. We will forever be grateful for Phil's contributions and he will be missed.

One final thought; The Nominating Committee has been in contact with several Unit Members that have offered themselves as candidates for the various open positions on the Board of Trustees. I want to thank all the members that have offered themselves for consideration. The Unit Bylaws require that the Nominating Committee evaluate all candidates and recommend the best qualified person for each BOT vacancy. The list of candidates recommended by the Nominating Committee will be presented at the Unit Membership meeting on August 7th. At that meeting, additional nominations for vacancies on the Board may be made by regular members provided the nominees indicate their willingness to serve. All nominees will be listed on ballots and voted on by the membership at the Annual Membership Meeting on September 17th during the Election/Installation Rally.

Serving on the BOT is an honor and privilege granted by the Unit to members that support the mission of the Club and requires dedication, hard work and a sense of duty to the principles of the Club. The Unit and Washington Land Yacht Harbor are well on their way toward full compliance with IRS 501(c)7 rules governing non-profits. With the support and guidance of an excellent legal team, both the Unit BOT and WLYH BOD have been working hard during the last year to ensure 100% compliance with IRS rules. As I've said on many occasions during the past year, if the Unit and WLYH fail to achieve full compliance and the Unit loses its non-profit status, the Washington Unit will lose its Airstream Club Charter and will likely be dissolved.

Because of the existential threat that non-compliance poses to the Unit, I want to urge **ALL** Unit members to participate in both upcoming Membership Meetings either in person or via Zoom and vote for candidates that will uphold the letter and spirit of the IRS non-profit rules and ongoing efforts to realize and maintain full compliance.

I look forward to seeing you all at the upcoming Membership Meeting!

Jerry Kavalieratos, President, Washington Airstream Club

Halloween Rally
October 28th-30th
Skamokawa Vista Park
13 Vista Park Road Skamokawa, WA 98647
Phone: (360) 795-8605

About the Event:

Skamokawa (pronounced Ska-Mah-Kah-Way) has both a long history and prehistory; it was the site of an Indian Village over two thousand years ago. The name Skamokawa means “smoke on the water,” so called after the fog that drifts down the three valleys opening onto the town and the Columbia River.

Fog drifting over the water at night sounds a bit spooky, doesn't it? Join us for a scary good Halloween weekend along the Columbia River! We will have happy hours Friday & Saturday, coffee & rolls Saturday morning, along with campfires both evenings (you bring the ghost stories). This will be a relaxing weekend: no contests this year, but everyone is encouraged to dress up for Halloween -yourself or your Airstream...or both! Skamokawa is within driving distance to Long Beach Washington and Astoria Oregon for those that want to go site seeing.

Please call Vista Park at (360)-795-8605 to reserve your site, let them know you are with the Washington Airstream Club so they put you in the reserved sites. We have also reserved a Yurt if someone wants to come and not able to drive an Airstream. After you have reserved your site, you can then register online at washingtonairstreamclubevents.com or mail check made out to Washington Airstream Club WBCCI with coupon.

Rally Fee: \$10.00 per person, children under 10 are free.

We look forward to seeing you soon!

Harbor Light Project

Calling all WA Airstream Club members! We need your help to replace the tired old 8 foot lighthouse by the entrance to the Land Yacht Harbor. What lighthouse, you ask? Many have never noticed it! The Lighthouse Project Committee plans to remedy that.

Those present at our first Committee meeting voted to purchase a commercially built one instead of building. We researched several options online and found some brightly colored and patterned ones made of "polywood" and treated signboard. These are maintenance-free with the colors impregnated in the wood which minimizes repainting. We prefer a 12 foot tall lighthouse with a 2 foot base which makes it 14 feet overall. There is a top with a beacon that can rotate or not. This one will be visible!

The approximate cost will be \$4000 shipped from the east coast (some assembly required). We hope to raise the funds from donations and raffles. We have several quilters who have agreed to make quilts ranging from lighthouses to Airstreams to be raffled off at the Salmon Rally the first weekend in August and hopefully everyone will pitch in. Several individual members have already pledged to donate to this project! We want to thank them all sincerely!!! A picture of one of the quilts to be raffled off is at the top of page 8.

When the goal has been reached we will order the lighthouse. Watch for the Lighthouse Funding progress poster on the bulletin board in Harmony Hall.

Please consider helping to replace this symbol of our Land Yacht Harbor!
