BARGER APPOINTED TO LEAD THE FAMILY AND YOUTH COMMITTEE OF AIRSTREAM CLUB INTERNATIONAL

Cory Barger has been appointed as the chairperson to lead the Airstream Club's strategy in attracting Airstream owners who travel as families with children or grandchildren.

JACKSON CENTER, Ohio – Airstream Club International President, Eric McHenry, says he is pleased to announce he has appointed Cory Barger, BRN 8711, to lead the Family and Youth Standing Committee for the club.

“This committee has been un-staffed for a while after the retirement of the prior Chair, but we need to get some traction going in this committee ASAP,” said Eric. “I’ve asked Cory to build a committee team and reach out to HQ and the Future Streamers Intra-Club to start building a strategy,” he added.

Cory will also continue as the Youth Chair for Rally2023.

“I’m happy to bring my knowledge and enthusiasm to the Family and Youth Standing Chair position,” Cory said.

You may have heard Cory's name in reference to the youth camps that have been held for the past two years during the International Rallies. Cory has brought S.T.E.A.M. out of the classroom and into their respective camping worlds. The youth camps have seen a rise in attendance over the past few years as more families have hit the road with their children and grandchildren, putting an important emphasis on this role.

Cory has a Master's Degree in Clinical Psychology and worked for 16 years in the field of child psychiatry. More recently, Cory has found himself teaching adults, fulfilling the role of Corporate Clinical Educator for the Case Management Department of a large Healthcare System in Georgia. Cory has six grandchildren who lovingly refer to him as "Fun-Pa" because of his enjoyment of being a big kid and the fun times they get to spend together. Cory, his partner (Bill), and their four-legged children (Sterling, Nigel, and Agnes) are members of the Southeastern Camping Unit and affiliate members of the Carolinas Airstream Club."
