WELCOME AIRSTREAMERS!

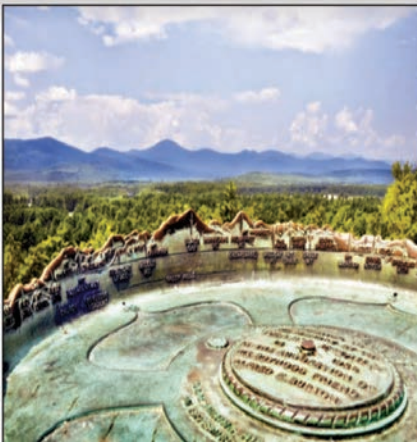

As your president, along with my team, I want to welcome you to the 65th International Rally of the Airstream Club International hosted in Fryeburg Maine. You have proven to us that we have picked a great location with this year's attendance!

The Rally Committee and I have worked hard over the past few years to make this year Rally spectacular for all attendees. You'll find the Fairgrounds a beautiful and inviting place to enjoy while making new friends and renewing old friendships. This place will come alive with over fifty learning and sharing opportunities, many interesting tours, live entertainment and new Airstreams on display. Get involved with all the activities or sit back and enjoy the beautiful scenery. I promise you the time here will go by fast with all you can pick from to do. We want you to enjoy the Maine lifestyle, learn from the seminars and bask in the beauty of Maine.

Thanks to the Rally Committee, all the volunteers and volunteer committee chairs for their time and energy to make this rally an adventure of a life time. A special thanks to the Fryeburg Fairgrounds leadership and staff for their hard work preparing the grounds and buildings for our arrival and use. Thanks to our Headquarters staff for helping promote and organize our club throughout the year.

We are very EXCITED to see **Many Airstreams In New England (Maine)**!

Tye Mott
International President

FRYEBURG WELCOMES YOU!

On behalf of the Town, welcome to Fryeburg and congratulations on your participation in the Airstream rally! You could not have asked for a better location to spend some of your summer days. Fryeburg, the home of the Fryeburg Fairgrounds, is nestled between the mountains and lake regions and offers stunning scenery everywhere you look.

Fryeburg's beautiful setting hosts a variety of recreational opportunities to be enjoyed. Whether it is a quick walk up Jockey Cap, a more difficult hike on the trails of the adjacent White Mountain National Forest, a bike ride on the Mountain Division Rail Trail, a canoe trip down the Saco River, or just a scenic drive taking in the mountain views and picturesque agricultural land, we are sure you will find plenty to do during your visit.

Fryeburg, the oldest Town in Oxford County, is also home to many historical and cultural attractions including museums, libraries, and the Leura Hill Eastman Performing Arts Center, just to name a few. We are most well-known for being the home of the Fryeburg Fair, recognized as Maine's Blue Ribbon Classic which takes place the first week of October. This fair has been going on since 1851 and attracts thousands of visitors each year.

There are several great restaurants to choose from ranging from pizza, Chinese, BBQ, seafood or fine dining. A newly established brewery is a great place to taste a locally made beer and perhaps hear some local musicians perform. Fryeburg also has shopping opportunities which include grocery stores, a pharmacy, farm stands full of local produce and products, and numerous local merchants.

With all of this in mind, we are sure that your visit to our community will be rewarding and we are hopeful that you enjoy your time and return to visit us!

Sincerely,
Katie Haley, Town Manager

Dear Airstream International Club Members:

On behalf of the trustees, officers and employees of Fryeburg Fair, it is with great pleasure and anticipation that I welcome you to the Fryeburg Fairgrounds for your July 2022 rally. We are confident that you will love your first ever national rally in Maine and your visit to our picturesque village of Fryeburg. The fairgrounds is located in the Mount Washington Valley on the border of New Hampshire, therefore offering the benefits of two New England states.

Here at the fairgrounds we are preparing for your arrival. We hope you will enjoy the variety of buildings and vast, spacious natural surroundings that have made Fryeburg Fair, Maine's Blue Ribbon Classic. Fryeburg and the Mount Washington Valley are rich with history, offer great dining, an abundance of shopping and endless recreational opportunities.

Your visit will coincide with the summer harvest which provides a bounty of fruit and vegetables for our local restaurants and farm stands. Imagine a crisp summer salad, corn on the cob, fresh Maine lobster with butter and strawberry shortcake while enjoying the scenery of the White Mountains.

A listing of merchants, markets and shopping options have been provided to your club. We have even designed an Airstream cocktail recipe using Maine's own Cold River Vodka (which is made with locally grown potatoes), lemonade and frozen wild Maine blueberries.

We will be waiting for your arrival in all your silver glory! We look forward to meeting with you and appreciate the opportunity to host Airstream International at the Fryeburg Fairgrounds.

Sincerely,

David Andrews

Parking Stickers: When you arrive, a sticker with a QR code is placed on the front and back of your RV. This is a surface-safe, sticker and will not harm the finish. This sticker must remain on the RV during the rally. The rally uses this for location information and to record pump-outs.

Pets at the Rally: All pets must be on 6-foot, non-retractable leashes when outside the Airstream. Always clean up after your pet. There is a dog park on the NW side of the racetrack (see map). Pets are not permitted in the buildings. Service dogs are welcome.

RALLY INFORMATION

Severe Weather: In case of severe weather, proceed promptly to the Mountain View Pavilion or Livestock Show Arena buildings.

We are located in Oxford County. Use your NOAA weather alert radio to monitor for hazardous weather. Some Airstreamers use cell phone apps, such as Storm Shield, Accuweather, Wx Alert USA, Wunderground, The Weather Channel or MyRadar.

Use your best judgment about leaving the Airstream awning out while away from your rig. Unexpected high winds can damage your awnings and your awnings could then also damage other Airstreams while you are away. Secure awnings, flags, and all loose items around your RV.

Pets may be taken into the building but be prepared to accommodate their needs. Remember to bring a leash (maximum of 6 feet) for your pet(s).

Receive weather alerts from the Nixle notification system by texting Zip Code 04037 to 888777. To stop the alerts, text STOP to 888777.

Suggestion Box: There is a suggestion box located at Member Services. Cards are provided for your comments. All suggestions will be read by the Rally Planning Team and taken into consideration for future events.

Transportation: The rally provides transportation from the fairground camping areas to the rally activities area.

Volunteers: Near the Welcome tables, you'll find the Volunteer table with available volunteer opportunities and sign-up sheets. Many jobs require just three hours of your time. Volunteering is a great way to get involved, meet more fun people, and it's fun too!

Wi-Fi: Strong Wi-Fi exists in the main buildings but not in the general parking areas. Cell phone service is very good in the area so members are encouraged to use their cell phone hot spots or other mobile hot spots such as a Jetpack or MiFi. There is a Wi-Fi lounge at the northeast corner of the racetrack, near Green Gate #9, at the intersection of Paddock and Commercial Roads.

Worship and Reflection Center: Any member may reserve the Worship and Reflection Center located in the Garden Center. To make your reservation, please contact Interfaith Services Chair, Bob Stansbury at burytone@yahoo.com.

Morning Devotions are daily at 7:45 am beginning Monday, July 25.
