## Beating the Heat in Big Bear with a Buddy Rally

by Jo Salzer

Escaping the Las Vegas heat, LVAC members took to the mountain road and climbed to almost 7,000 feet to camp on Big Bear Lake. Holloways RV Park and Marina was an ideal location for our gathering. The weather was great, warm days, afternoon showers and cool evenings. It became a joint rally with a few members of the Los Angeles Airstream Club and one from Central Coast AC. Great to mingle with new and old members, people we've met at Regional and International Events, or by attending a local Airstream Club rally.

Did you know that as ACI members, we can join in other clubs' rallies, space permitting, across the country? Check-out the ACI website or Blue Beret to find rallies hosted by every Region in the club.

### **2023 Rally Calendar Update**

The Board is currently working on the 2023 rally calendar. January through June rallies are in the planning stages. If you are interested in hosting a rally, have an idea for a rally location, or would like to know more about hosting a rally, please contact Cheryl Musser at [musserfly@cox.net](mailto:musserfly@cox.net).

got things organized -and the party started! We gathered for happy hour every evening at "Party Central" and shared snacks and drinks. We had a great BBQ Potluck dinner with lots of interesting dishes and wine. One evening, 20 of us chartered the infamous pirate ship "Time Bandit" and spent a few hours out on the lake enjoying drinks, a narrated sightseeing tour complete with music and silly Pirate jokes. It was a glorious sunset. We had a great time. Although the lake is low, there is still a lot of water and shoreline to enjoy.

We had lots of free time to explore the Big Bear valley. There are several keen hikers and bikers in our club, and they explored the miles and miles of trails this community has to offer. The village was fun to explore, and everyone had a meal or two in the many local restaurants. Farmers Market was Tuesday, with its many unique treasures not to mention delicious fresh produce. Saturday night five of us took in a Beatles Tribute Band concert at the Discovery Center Open Air Amphitheatre.

New members Melissa and Gideon love to fish – and they caught several. Their guide on a chartered pontoon boat helped them find many of our secret fishing spots. All were jealous as they cooked up their fresh catch. Nice job guys. Another new couple, Neil and Jamie are serious scuba photographers. Big Bear is not a scuba destination, but their camera skills captured the many birds that habituate in our mountains.

I am a Big Bear native and Ade and I just love introducing our club members to our mountain paradise just 200-miles from Las Vegas.

This rally allowed our members to join for two to eight nights. We usually had about 9 or 10 rigs in camp. It is the second time LVAC camped in Big Bear, but we know it won't be the last.

## ***Only YOU can help the Las Vegas Airstream Club!***

It's getting close to that time of year. Yes. Elections! Below is a list of the positions that need to be filled along with their descriptions and the approximate amount of time each month the position requires. Please take a look and consider how you might be able to support your club.

## Carribean Island Time!

Join us at Lakeside Casino & RV Park for a lovely Island rally just over the Hump to Pahrump.

Lakeside is a Good Sam Club 10/10\* resort with beautiful grounds and spacious sites. There will be a small rally fee. (maximum \$20 per rig)

Ade and I have booked the Boat House and want to have a Caribbean themed Potluck Dinner there on Friday November 4<sup>th</sup>. So bring your tropical shirts and your favorite island food. There may even be some island music to enjoy during the potluck.

On Saturday Nov. 5 the Desert Cane Distillery is having their annual Harvest event. We are all invited to go out to their **sugar cane farm** at 980 W Calzada Blvd. and try our hand at harvesting sugar cane. They grow the cane used in their delicious rums. It's all a family affair. Rum punch and machetes might be a dangerous combination, but owners Tom & Debbie say it works out just fine. We can stay for an hour or all day. Their tasting room is 921 S. Highway 160, Pahrump. Phone 702-334-9071

Saturday is also the local Farmers Market Day and the produce offered for sale is so fresh. All of it grown locally. Pahrump is a surprising place. The Market apparently closes in the heat of summer but opens up in Fall. There is a lot to do in this desert oasis. There are two good wineries, a Meadery, restaurants, museums, nearby Death Valley National Park, and several State and National reserves. We will gather Saturday evening for Happy Hour at the Boat House. Sunday morning it's time for breakfast. Our committee will pull together a yummy hot breakfast at the Boat House before we all hook up and head home.

Bookings are to be made online at Lakeside RV. I know some members have booked to come in on Thursday. Once you've secured your site please let me know. I will send the information to Rose, the RV Park manager and she will attempt to get us close together. She will put the standard bookings in one area, and the premium together in another. If you decide to upgrade, call Lakeside at 775-751-7770 for availability. We've not done this before and they do not set aside group sites. We can make this work. We have the boathouse as our gathering spot. Make your reservations soon. Looking forward to seeing you there.

## CALLING ALL COWBOYS AND COWGIRLS!

December 8th - 11th is our Christmas rally at the Lake Mead RV Village and we are looking for a couple of volunteers to help plan the festivities. Our theme this year is Cowboy Christmas. Volunteers are needed to help plan the potluck menu, the decorations and whatever else will make for a rootin' tootin' good time! Please contact Cheryl Musser at [musserfly@cox.net](mailto:musserfly@cox.net) to let her know that you want to belly up to the bar and help out.

If you haven't already made your reservation for the Christmas Rally, please contact the Lake Mead RV Village directly at (702) 293-2540 to make your reservation.
