## COMING IN SEPTEMBER: TEMECULA KOA

Vail Lake campground features 385 acres of land where you can hike or mountain bike to your heart's content. There is also an awesome Bloody Mary bar and huge swimming pool. The area is located in Temecula wine country, whose wines have increased in quality over the years. There is a barrel train ride and mini golf course for the kids.

## President's Corner

BY MIKE BIAGI

Hi Everyone,

Summer is finally upon us and it has been a scorcher so far! I hope all of you have found some fun activities to beat the heat.

Thanks to so many of you who responded to vote on the changes to the International Constitution. Your submissions are important to make our voices heard beyond our local Club level so thanks so much for responding.

If you were able to join us at the June rally in Chula Vista you were treated to a very fun experience! The Griswolds and Andi Matsumoto provided a wonderful Hawaiian luau experience complete with hula lessons, Hawaiian decorations and leis, and even music to fit the theme. The resort itself did not disappoint with fabulous weather and outstanding amenities.

I would like to provide a friendly reminder regarding pets. We all have a great fondness for our furry, four-footed friends. However, out of respect for other members I ask that whenever food is present you refrain from bringing your dogs around. This applies to both the Friday night happy hour and the Saturday dinner. We want to allow for the maximum enjoyment for all of our members and this is a very important part of ensuring that everyone is comfortable and able to enjoy their meal. I greatly appreciate your cooperation with this.

I am looking forward to the President's barbecue next month and I'm glad so many of you were able to sign up for that. Additional details on the location and food items will be coming out very shortly. I want to extend a special thank you in advance to Tim and Diane Sommerville for doing so much work to make the upcoming barbecue a success.

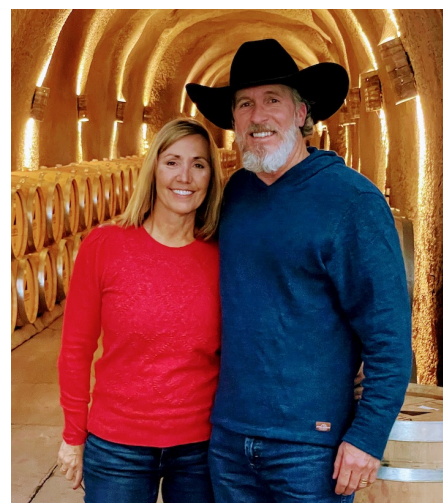

As I mentioned in my earlier email, please be on the lookout for future emails from me regarding our September and October rallies in Temecula and Buellton, respectively.

Finally, I want to give a shout out to our First Vice President, Mike Griswold. He and I recently had a conversation regarding the plans for next year and I'll tell you what, you'd better clear your calendars because it's going to be fun! Rallies will be held at places we've never been, excursions all the way to the International Rally in Wyoming are planned for our club – it's going to be a great year!

I hope you all have a wonderful 4th of July celebrating our country's independence. I look forward to seeing you all next month.

# June Rally Report: Costa Vista Sun Outdoors RV Resort

By: Andi Matsumoto, Richard Frauenzimmer  
And Lynn Stout

The South Coast California Airstream Club held its inaugural Hawaiian Luau themed rally in June. The hosts, Mike and Mia Griswold and Andi Matsumoto, pulled together a proper pa'ina with the help of some fabulous pot luck additions. Adventurous guests participated in a hula lesson led by kumu hula Anne where we learned the steps to the 1949 song "E Huli Makou" in just 45 minutes flat. Everyone who decorated their trailer in the luau theme received a prize from Hawaii. Mahalo nui loa to Honolulu Beerworks, who shipped a case of their beer for our luau for people to sample. It is only available in Hawaii so if you go, stop by their Kaka'ako brewery.

# Wakulla Springs State Park

By: Mark Miller

Mark and Connie Miller were on the “Georgia on My Mind” Rally in March and one trip was a swamp tour of Wakulla Springs State Park in Florida. It is the world’s largest and deepest freshwater spring. The sapphire water is home to manatees, alligators and birds that can be viewed from a riverboat or diving platform. Film makers recognized the primeval quality of the swamps and wildlife and Tarzan’s Secret Treasure (1941) and Creature from the Black Lagoon (1954) were filmed here. Cypress trees that grow in the swamp are up to 600 years old.

# Your Airstream Club

By: Diane Sommerville

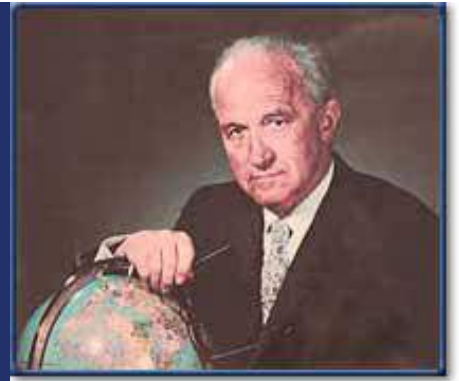

Image credit: airstreamclub.org

Our Club couldn't survive without the caring volunteers that serve as your Club's officers. Have you ever thought that your talents might be useful to the group? Are you a tech whiz who could assist us with our website and rally invitations? Are you just a totally organized person who would love to contribute to our success? Maybe you handled the treasury for a business or organization and you would like to step up as our Treasurer. Or, perhaps you hate dealing with numbers but you could take notes of meetings.

2023 is just around the corner. While most of our positions are filled for next year, we are always looking for new blood to help us continue to grow and evolve. We will need a 1<sup>st</sup> and 2<sup>nd</sup> VP to assist Mike Griswold as he takes the reins. And we LOVE to have members in the wings willing to step up when a vacancy occurs.

The Membership Chair for the International WBCCI wrote an interesting article in the Blue Beret that dealt with this subject. Her leadership qualities included:

- (1) The ability to delegate;
- (2) Good communication skills;
- (3) Awareness of our limitations and strengths;
- (4) Being open to new ways of doing things and making changes; and
- (5) Putting yourself in other persons shoes and acting with kindness and understanding.

I am sure that there are many other qualities that we could add to this list, but this is just to get you started. If you would be interested in serving on the Board, please speak with our President, Mike Biagi, or any of the other officers who can give you more information about these positions.

# Recipe: Lomi salmon

By: Andi Matsumoto

Image credit: chefspencil.com

One of my favorite luau foods is lomi salmon, a side dish of diced salted salmon, tomatoes, sweet onion, and local green onions. The fresh flavors and saltiness go so well with other Hawaiian dishes. “Lomi” in Hawaiian is to rub, press, or massage. In Hawaii you can find ready made lomi salmon at Foodland and other local places, but it is super easy to make it yourself at home. The key is to find high quality, sashimi grade salmon (no skin).

You prepare by salting the salmon. Wash the salmon to prepare it to be cured. Pat the salmon dry with a paper towel, then rub salt all over the fish and store it in a Zip lock bag in the fridge for 8 to 24 hours. When you are ready to make your dish, wash the remaining salt off and pat it dry again.

## What you need:

1. 1 pound of salted salmon (diced small)
2. 3 medium vine-ripened tomatoes (diced small)
3. 1 medium sweet onion (diced small and rinsed thoroughly in cold water until crisp)
4. 5 green onions (thinly sliced)
5. chili pepper water or tabasco (to taste)

## What you do:

1. Combine all of the ingredients in a large mixing bowl and mix and massage until well incorporated.
2. Chill thoroughly before serving.
