#### A Message From Our President:

They say that time flies when you're having a good time, but this has been the quickest year of my life. My presidency was plagued with a busy work schedule and not so good health. I'm working on trying to juggle both and it's a challenge. I had a wonderful time as President and want to thank all who helped me with my projects and rallies. We have had some wonderful times in the past and 2022 is still full of great travels and rallies to look forward to. In closing, I would like to thank my dedicated officers who have supported me in so many ways. I especially want to say thanks to

Charlotte for being the professional she is in managing, reporting and monitoring our club's finances. I knew I could always count on her for support. I also want to recognize Dee for organizing, recording and reporting the minutes of our meetings, her role is such an important job in our organization. I wanted to say thank you to her on behalf of myself and the club. Last but not least I wanted to give a shout out to Rebecca for always being in touch with me and keeping me on the straight and narrow. Rebecca did so much for me as well as the club with her award winning news letters keeping us all entertained and informed.

Best wishes to our new incoming President Judi Ruimerman and officers extending an enthusiastic support.

Happy Camping  
Billy Guidry

**Schedule**

If you want to come to this rally they have a few sites left. Call Now, tell them you're with the Louisiana Airstream Club. This is going to be a really fun rally.

**Thursday:** 4:00 Happy Hour. Grill night. Bring something to grill and your own sides, drinks and tableware. We will share grills.

**Friday:** We will be driving down some of the Natchez Trace to the haunting town of Rodney, MS. Be ready to carpool at 9:00 AM. Rodney is approximately 32 miles from Natchez. This little village was incorporated in 1828 and abolished by Governor Bilbo in 1930 due to the Mississippi River changing course. It's now a ghost town with two churches, country store and several other buildings that remain. To find out more about Rodney go to: YouTube and type in Rodney Mississippi and see some of the video's about this haunted ghost town. A map of Rodney is on the last page.

On our way back to Vidalia we will stop to eat lunch at the Famous Mr D's restaurant at the Old Country Store in Lorman, MS. This restaurant is famous for their fried chicken, fried pork chops and rib buffet.

4:00 Happy hour and hors d'oeuvres to share with everyone.

**Saturday:** 3:00 Installation of new officers. Officers dress appropriately. Black pants, white shirt, red tie.

## Pumpkin Pie Cakes and Pumpkin Pie Balls

### PUMPKIN PIE CAKES

You'll need 2 pumpkin pies, whip cream and some kind of round cylinder object. (I'm going to use a large pill bottle).

Press down firmly on your pie and pull up small round pieces, arrange them on a plate and top with whip cream.

### PUMPKIN BALLS

You'll need the leftovers from the two pies above, chocolate bark, wax paper and sucker sticks.

Fold in both pies together crust and all. After it's mixed well then form round balls and place in a bowl to freeze for several hours. When you're sure the balls are frozen then melt the chocolate in a microwave. Lay wax paper down. Take the balls out of the freezer and put the stick half way through the balls, dip them in the chocolate and lay on wax paper to dry.

Look for these at the installation rally.

Refer to page 3. This is a map of the village of Rodney, MS.
