## President's Message: by Burt Broadway (BRN 6718)

Sitting here on this Thanksgiving evening thinking about all past and present memories, I am reminded of all of our blessings we have received. I am not talking about material blessings but real blessings, friendships. Since joining Palmetto State Airstream Club, I have been fortunate to renew old friendships and start some wonderful new friendships.

The Installation Rally was a great and a wonderful celebration to close out 2022 and welcome 2023! Thanks to the Pollards for their outstanding leadership. Our slate of officers this year are all excited about serving the Palmetto State Airstream Club. Donnie and Vickie Lee have been putting the final touches on our 2024 rally schedule and Eric Graham will be helping administer our club processes.

My main goal for this year is to encourage open communication, support, and participation while having fun! We want to simplify some of our processes. Most of our 2023 rallies already have hosts except for the July rally at the Cove. It would be great for seasoned members to invite new members to help host so these processes can be preserved. It's a great way to get involved and participate in our club rallies.

We have a great lineup of rallies scheduled. We will be visiting state parks and county parks in our own state of South Carolina. Our first rally will be December 10<sup>th</sup> at 11 AM at Bobby and Arlene Puryears' home. See the Christmas Rally schedule for more details on page 4. Please let us know ASAP if you are planning to attend, what you will bring, and if you plan to Boon-dock. Please attend even if you can't boon-dock. Text Gail Broadway at 803-322-7687 to respond.

Our Valentine rally will be at the Tega Cay Shore Club and you will be receiving more details and information in the upcoming Bell Ringer.

If you have any suggestions and ideas on how to make our club even better than it already is, I would love to hear them! Please reach out to me at 980 257 9621.

Lastly, I wish all of you a Merry Christmas and lots of fun, and safe travels in 2023!

## Nuts & Bolts

Submitted by Terry & Annie Montgomery (BRN 3156)

### **Zip-Dee Awning Maintenance (manual awning)**

Zip-Dee awnings are one item on our AIRSTREAMS that don't get the proper care and treatment they deserve. They are pretty much trouble free until one day something doesn't move as smoothly as it should and we hit the panic button.

With camping season slowing down for a lot of our members, I figured you might want to do a little maintenance on your manual awning.

In this edition of Nuts and Bolts, I want to share with you some tips to keep your awning in good condition and working properly.

First, we will start with the hardware. The hardware of our awnings is anything that is not fabric. It needs to be cleaned and lubricated. The procedure is pretty simple. Wipe off all parts that you can reach and it is okay to use soap and water to clean off stubborn dirt.

Use an aerosol silicone lubricant to spray on anything that you cannot wipe off. Do not use WD-40 or some other petroleum-based product as they will collect dust and dirt! The telescoping bars and tubes of each arm can be taken apart one at a time and cleaned off. Sometimes a scotch-brite pad can be used to slick things up. You can also flush out the inside of the tubes with your garden hose.

A little silicone spray is also a good thing to use here. You should also flush and spray parts that do not come apart, for example the snap studs, and the ratcheting studs need to be sprayed with silicone. Flush out with water the springs in the rafter arms and then spray with silicone. These springs are near the claw shaped casting at the end of the rafter arms. Do not forget about the middle rafter arm for those of you who have one on your main awning. In general, spray silicone lubricant on anything that moves or rotates. The ends of the roller arm are a great example of something that needs lubricating. You should also spray in between two moving parts. Shoot some silicone in all the gaps that you can find. Use the silicone spray freely as it will not hurt a thing. You can wipe off the excess with a clean, dry cloth.

If the aluminum parts start looking a little dull, you can try to use a good chrome polish to help bring back some of the shine. If you do not have any chrome polish, spray some silicone on the chrome parts to give them a little shine up. Finally, use a 7/16 socket wrench to check the tightness on every nut and bolt that you can see. This about does it for the hardware.

Next steps are just a few tips about the fabric.

Care of the fabric is not that difficult. Just a monthly hosing off with nothing but water will keep the fabric looking good. If you do this you will avoid having to do a deep cleaning of the fabric. Remember that the fabric is Sunbrella fabric, so it does not support mildew but dirt, leaves and bird droppings do.

Should your fabric require more than just a rinse off with water, here are a few tips for deep cleaning the fabric. Start by brushing off the loose dirt, and hosing down the awning, scrub with a soft bristle brush using a solution of one gallon of warm water and 1/4 cup of natural soap. Do not use detergents or commercial awning cleaners! Allow the soap and water solution to soak in by rolling up the awning and keep closed for about 10 to 15 minutes. Open back up and rinse very, very thoroughly. Let awning air dry; it will not take very long. It is recommended that the deep cleaning of the fabric be done about once every one to two years.

All of this information is in your Zip-Dee awning manual if you need to reference it.

Finally, a few tips about the operation of your awning. People always want to know two things about the awning. How much wind can the awning handle? How much rain can the awning handle? There are technical answers to both of these questions if you care to research it. My question to all of my Airstream friends is pretty simple; "Why risk it?" Nothing will ruin your trip quicker than having a storm come tearing through the campground and destroy your awning because you did not take 5 minutes to put it away. If you have even the slightest doubt, just put it away. Also, do not ever go away for an extended time and leave your awning out!

For more information on a parts list or manuals you can contact Zip-Dee at 1-800--338-2378. I have called them on numerous occasions and I will say their customer service is great!

As always, I hope you find this information helpful and can use it as a starting point for the maintenance of your awning. Safe travels and see you all at a rally somewhere in this great country of ours!

**Merry Christmas** and may God bless each and every one of us.

## Potluck / Boon-dock Christmas Rally

If you are planning to attend the luncheon, please text Gail at (803) 322-7687. Let her know what you are bringing and if you are planning to boon-dock.

**December 2022 Christmas Luncheon with optional dry camping at the Puryears' Jasper Farms.**

**Where:** 552 Holley Ferry Road for the luncheon, 574 Holley Ferry Road for rigs, Leesville SC 29070. There are address number signs at both driveways. (More on the map below)

We are located 300 yards south of US 378 on Holley Ferry Rd, 15 miles west of Lexington and 16 miles east of Saluda on the Lexington/Saluda County line.

**When:** December 9-11, 2022

**The luncheon will be on Saturday Dec 10<sup>th</sup> at 11 am.**

If you want to bring your rig, please do so. We would love to have you. We have plenty of room. Feel free to come in before the 9th if you like. Bring your "Y" adapter and we will provide water. We have a

dump station on site. We will provide a very limited amount of power, just enough to keep those batteries up and to keep your gas furnace running.

**ALL RVs PLEASE NOTE:** Enter the driveway at 574 Holley Ferry Rd. This is a wider, flatter driveway installed many years ago to prevent dragging your trailer bumper. Just follow this driveway past the barn to the top of the hill.

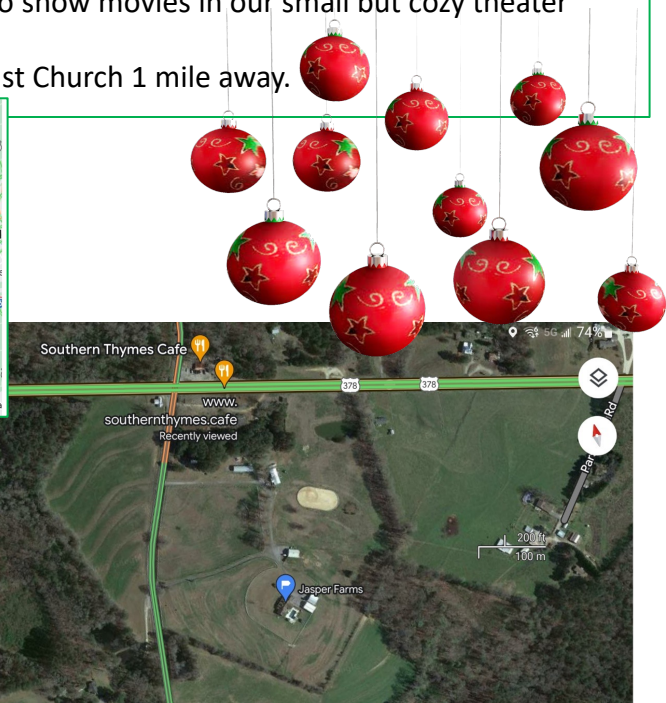

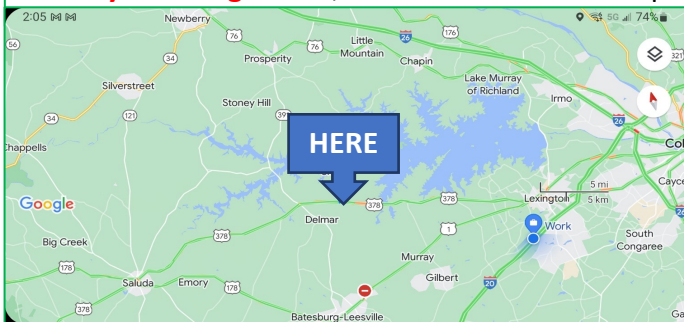

**Friday Afternoon:** Spend the afternoon lounging around the pool deck. (Jump in if you want. BUT, it may be coooool!) Supper at Shealy's BBQ in Leesville (9 miles away). Return to the farm for stargazing, games and social time.

**Saturday Morning:** Breakfast at Southern Tymes Café (¼ mile away across the road).

**Saturday Luncheon 11-2:** Bring potluck. Various drinks will be provided by the Puryears (coffee, hot apple cider, tea and water).

**Saturday Night:** Luncheon leftovers or dinner on your own. There are several great, locally owned restaurants in Batesburg-Leesville. Hang out at the house or on the deck. Also, we will have a grill hot and ready to use on Saturday night. We will also show movies in our small but cozy theater upstairs.

**Sunday Morning:** 10am, church at Stillwaters Baptist Church 1 mile away.

*Merry  
Christmas to all  
PSAC members*

Abbreviated synopsis from Past Region 3 President, John Leake:

For many years all of the Airstream Clubs in the Carolinas came together to hold an annual rally called the "Carolinas State Rally." It was held at the Palmetto Cove RV Park and hosting rotated among the then 6 local Airstream Clubs. This joint rally was discontinued somewhere around 2010, with the last gathering having had 50 rigs present, including me. It was fantastic!

Here we go again, but let's set our sights higher and attract a hundred plus rigs this time around with this joint rally amongst the now 4 local Airstream Clubs in NC and SC: Carolinas Airstream Club; Palmetto State Airstream Club; Piedmont North Carolina Airstream Club; South Carolina Coastal Airstream Club.

Come join us in September 2023 for a first "quad club" rally in many years at the Palmetto Cove RV Park!

Carolinas Airstream Club is so excited about hosting a joint "NC/SC State Rally" at Palmetto Cove RV Park in September 2023! This park is nestled at the edge of the Blue Ridge Escarpment, just two miles off the Foothills Scenic Highway. Palmetto Cove RV Park was previously home to the annual Alumalina Rally and was originally founded as an

Airstream campground designed for rallies.

This rally is a refresh and renewal of a historical joint rally amongst the local Airstream clubs in North Carolina and South Carolina.

Carolinas Airstream Club will be taking the lead hosting duties for the 2023 event, but we hope to continue this rally annually and rotate the hosting duties through all four local clubs.

In addition to its beautiful views and accommodations, Palmetto Cove RV Park offers plenty of [nearby attractions and outdoor activities](#), including Table Rock Mountain, Ceasar's Head State Park, Jones Gap State Park, Victoria Valley Vineyards, Table Rock Tea Company and Dupont Forest.

The park offers [148 full hookup sites \(30 & 50 amps\)](#) with easy parking. Also, there is a lounge and dining hall for rally events.

- Carolinas Airstream Club (#021)
- Palmetto State Airstream Club (#022)
- Piedmont North Carolinas Airstream Club (#161)
- South Carolina Coastal Airstream Club (#150)

We hope you can join us!

Stay tuned for additional details from the hosts of the Carolina Airstream Club:

Claire & Bruce Bodenstein and Dawn & Lee Dunn

**FOR CAMPGROUND RESERVATIONS: Please do NOT contact Palmetto Cove RV Park directly for this rally. We will have a "wagonmaster" who will serve as the point of contact between us and the park. Once we have specific details regarding the campground and campsite registration process we will share those details with rally registrants and update the information on the websites listed above.**

BRN 02376 (2020 Classic 30')

Greensboro, GA

We have been Airstreaming for 3 years. We have a 2020, 30' Classic we bought from John's RV in South Carolina. We love our rig, we call it Winston.

We just went to our first Alumalina this year and loved it! We can't wait to go back! Next year we plan on going to Silver in the City. We were supposed to go in 2022 but Winston was in the shop for some important upgrades to our solar power, so unfortunately we had to cancel.

We live in Greensboro, Georgia full time. We have two grown boys. Our oldest is in Clermont, Florida selling petroleum products and the youngest is a CPA in Atlanta.

We have 2 little dogs that travel with us, Bogey (white) and Bella (black). When we are traveling they always beat us to the truck to leave. We bought them a new car seat and they would not get out of the truck that day.

We can't wait to meet y'all. We are looking into going to the Rally in August next year.

## Our Fun Time!

This article is a little late but still worthy of a shout out! We booked the Galax Old Fiddler's Rally before International and it sounded like a wonderful way to celebrate my birthday.

Who doesn't love a little bluegrass?

It was just a huge undertaking for us to go to Maine for International, and get back to Greenville to show up for work for a few days and then head back to Galax, VA. But it was

The campground was beautiful and had bluegrass musicians there each happy hour.

This was a Region 3 event, and not a rally with our club. But it was a wonderful way to meet even more Airstreamers. They were so welcoming and we were happy to enjoy their ice cream socials and anything else they had to offer.

They had hot tips on where to park for this blue grass rally and how to get a discount. Of course, the bluegrass music was enthralling and had us going back night after night.

## Salmon Stew

(Tastes just like She Crab Soup)

### Ingredients:

2 (14 oz.) cans pink salmon  
(reserve the juice to add to soup)

3-4 potatoes, med. to lg. in size  
(more if you'd like)

1 lg. onion, grated

1 stick butter

1 lg. can evaporated milk  
(rinse can with 1/2 cup water and use)

2-3 cups milk, whole or skim or  
whatever you use (you may use all evaporated milk if you like,  
rinsing can with water as above)

Salt and pepper to taste

### Directions:

Peel and grate the potatoes and onion, coarsely. Put those ingredients on the stove with a stick of butter, the milks, and the juices from the salmon. Heat slowly, stirring often to avoid sticking or scorching. Clean the salmon and add to milk mixture. Add salt and pepper to taste. Increase heat and continue to stir often. Cook until potatoes and onions are done.

Serve with saltine crackers or oyster crackers.

Individuals may want to add ketchup, Texas Pete or Tabasco, if desired. Serves 6-8.

### S'mores Bars

#### Ingredients:

One large bag of mini marshmallows

Melt 2/3 bag marshmallows and save the other 1/3 to mix with Golden Grahams. See directions below.

6 Tbsp. butter

One 12 oz. bag milk chocolate chips

1/3 cup Karo light syrup

1 tsp. vanilla

One 16 oz. box Golden Grahams

#### Directions:

Mix 2/3 marshmallows, butter, chocolate chips and corn syrup in a large bowl. Microwave until melted. Then stir in vanilla.

Stir Golden Grahams and remaining marshmallows into the above melted mixture and put in a greased 9 X 13 pan.

Cool in refrigerator for about 1 hour and cut apart. Refrigerator bars to enjoy when ready to serve!
