President's Message

It is almost the end of the year, and I will happily let Dan and Maria take the baton for the next year. It has been a pleasure to serve with the Board, all the Hosts and Co-Hosts this year. I feel like it was a messy year not being able to be at International and the Caravan I arranged for (our Airstream had to go to Bob Jones waiting for parts, and a recession came upon our company employees). Next year we will have more time on our hands. As I am writing this newsletter, we are finalizing our remodel; they are painting our garage. It has been a 1 year plus remodel. We lived in our Airstream for 10 months, and we learned we are not cut out for full timing in an RV! We did a lot of things different; we Zoomed, we had "wing it" rallies, we had to change RV parks due to the fall out of the Pandemic and the State Parks were not what they told us (one had a rally room but no RV spots even though they assured us the year before; the other had RV spots, but only 14 available). I would not recommend working full time, a total house remodel, living in an Airstream full time and being President all at the same time. But we did not know all this would come together at the same time. It has been done, save for one more newsletter and rally.

Thanksgiving has come and gone. I hope all had a nice time with family and friends. As you may know by now, the Iversen's are gluttons for excess activities. So, we went to Vegas before Thanksgiving to celebrate Carrie's birthday, and know that the house is done, it is time to decorate... And apparently, we are doing a float for the Lufkin downtown Christmas parade. Carrie et all are working on this as I'm writing this newsletter. Yeah, I know, it is all self-induced. I wonder if I will be even busier when I retire. Maybe some of you have opinions on this.

I hope all will have a merry Christmas and happy holidays. I hope we all get to enjoy some time with family and friends.

If I don't see you at the December Rally, have a happy new year all!

Please don't forget to [sign up for annual luncheon](#) on January 21st at 11 AM. It will be at the Kingwood Country Club. GHAC has subsidized the fees, so it is only \$35 a person.

Remember:

Signing up on [Jotform December Rally](#) from the GHAC website is how you pay your rally fees (meaning mostly meals). Call the RV park for RV site reservations and payment.

It's not the destination, but the journey.

Harvest Rally Report By Tracy and Rick Elkins

As the weather cools off in the Texas Gulf Coast, we look to our annual Harvest Rally to move us into the Holidays. The Autumn spirit was bountiful in Goodrich Texas as we dove into the Harvest Rally at Magnolia RV Park on November 10th – 13th. A total of 18 Rigs and 43 Attendees made the most of this beautiful weekend. In attendance were Alan, Bernadine, & Ashley Billard, Tom & Caren Bundy, Paul & Amber Corley, Richard & Shannon Cull, Jim & Lisa Feine, Lee Howell & Terah Isaacson with Natalia & Vivienne, Robert & Samantha Hodges, Bruce Lee, Gerald & Irene Lyddon, Eric & Holly McMurphy, Bill & Bonnie Muth, Paul & Pamala Peddicord, Tom Raia, Dave & Jan Rightmyer, Jim & Jo Ann Shults, Lyle & Peggy Snow and hosts, Dan & Lisa Schwarz and Rick & Tracy Elkins. These attending included three guest rigs, The Muths are from Bozeman, MT (Montana Airstream Club), the Hodges are the daughter & son-in-law of the Lyddons and the Peddicords are considering membership and wanted to “test drive” a Rally before deciding.

The opening day found all but 3 Rigs set up and ready to go. We enjoyed a Happy Hour together and Host Rick Elkins provided an overview of the weekend activities. Afterwards some headed into nearby Livingston in small groups to eat dinner at the local restaurants, a few decided the Happy Hour appetizers enough for them and stayed at the Campground.

Friday promised rain, but the morning and early afternoon were stunningly perfect weather, so we started the day with a yummy breakfast including cinnamon rolls, pumpkin harvest muffins, fresh fruit, and delicious sticky buns prepared by Jim & Jo Ann Shults in their Dutch Oven. Mid-morning the Hook, Line & Sinker Casting Contest and the Stinky Slinky Sewer Hose Toss drew a crowd of participants to the back field where champions were born. After a cast-off, Alan Billard was crowned the winner of the Casting Contest and Bill Muth easily took both 1st and 2nd place spots in the Stinking Slinky Sewer Hose Toss. Bill swears he had not done this before, so he was a true natural and he loved his Texas Country Air ball cap that he won for his efforts! Several Metal Detectors were available for treasure

hunting and lawn dice for those longing for snake eyes! Nearing lunch time there was an Instant Pot Demonstration in the Rally Room where a delicious pot of Dirty Rice materialized in just a few minutes and proved to be just what everyone needed to tide them over until dinner! By Happy Hour time we had all but one rig onsite and everyone was ready for the host-provided Southwest Pinwheels, Caramel Apple Dip with Cinnamon Leaf Dippers, and Nuts followed by dinner of Pork Gravy & Rice, Seasoned Green Beans, Garlic Bread and Apple Dumplings with Ice Cream. Not a soul left hungry! After dinner some played pool in the Rally Billiard Room, others puzzled over their best guesses for the Hey Baby-Guess Who in 2022 Photo Contest or played cards before heading back to their Airstreams to enjoy the sound of the rain on the Airstreams.

Saturday dawned crisp and cool! Airstreamers began to gather in the Rally Room to the smells of hot coffee, sizzling sausages, fluffy eggs, seasoned potatoes, creamy gravy and buttermilk biscuits. Nothing like a big Texas breakfast to stave off the cold of hungry campers! Our final rig arrived today. The planned Board Meeting was postponed, so we had plenty of time to chart out a day of fun including Tom Bundy's Tech Talk on Airstream Brake Replacements, the crafty among us did Diamond Painting and the Howell sisters, Natalia & Vivienne, demonstrated Marble Painting for the group. Some headed out to explore the area and reported that they found a few historic sites nearby, but also scouted a few campgrounds and the Livingston State Park. Shortly after lunch a Dutch Oven Overview commenced on the Patio with Jim & Jo Ann Shults demonstrating a Dutch Oven Cherry Cobbler. Afterwards Airstreamers fired up their Dutch Ovens, Slow Cookers, Grills and Instant Pots to cook up a huge selection of entrees and sides for the Saturday Potluck Dinner. The final guesses were made on the Photo Guessing Contests, Sock Donations poured into the baskets on the mantel – 256 pairs, and in lieu of a Raffle, we took up donations for Team Red, White & Blue! The Potluck was all you could imagine and more, the Hosts provided a Tortellini Salad and Ice Cream Desserts complimented by Pot Roast with all the trimmings, Southwest Casserole, Chicken Pot Pie, Cheesy Hashbrown Soup, Tortilla Soup, Beef & Chicken Fajitas, Bacon & Cheese Potatoes, Rotisserie Chicken, Beef Stroganoff, Kahlua Cake, and many other creations filled the Potluck Table where we all managed to get full and then some!

Hey Baby – Guess Who in 2022 was a very fun photo contest. Photos of our younger versions were numbered and hung with a humorous caption; a list of the names were provided for those playing to guess the number of the photo for each name. We had 33 photos and the entire group of 43 played. Terah, Vivienne & Natalia won with the most correctly guessed – 14. Lisa Feine and Caren Bundy tied for 2nd with 10 correct guesses. The biggest fun and the loudest laughs came from the guesses, seems like Lyle Snow looks like most every young boy, he was the most common guess!

A memorial table was set up for past President, Vern Goodwin, who passed recently passed away. A display of photos from the October Rally at Lake Somerville and the Caravan to Big Bend also generated a lot of interest, tall tales and big memories that stretched from the Rally Room to the Bonfire where we gathered to finish off the evening. Overnight the temps dropped significantly, and we awoke to a thick layer of frost sparkling across the campground. The Airstreams were even more shiny than usual decorated with nature's diamonds. We had a simple breakfast of locally sourced "tow-nuts", juice and milk as we broke down our sites and hitched up to tow home. Lots of hugs as we saw old and new friends off, looking excitedly to seeing them down the road. It's an Airstream thing; #WeRallyTogether.

Deep 10" or 12" Dutch Oven shallow or deep.

Place the following ingredients in this order. Spread evenly.

1 or 2 cans fruit pie filling.

1 box Yellow cake mix.

Sprinkle of Cinnamon.

Half stick of butter.

1/2 can (6-8 oz.) 7-Up or Sprite, evenly drizzled over entire top.

1/3 cup Brown Sugar, sprinkled across the entire surface.

SAFETY NOTE:

You will be cooking with live fire!!!

The DO will be extremely hot as well as most surrounding surfaces. Also be aware of your surroundings so to not set the grass or anything else on fire while enjoying Campfire Dutch Oven cooking.

Put the DO top on and cook around 350-425.

Maintain you coals around the ratio of 1/3 bottom to 2/3 top, until you start to smell the delicious orders coming from your DO.

Check for golden brown surface & if the cake mix is cooked with a natural broom straw or device of your choosing.

Cook a little longer if needed or remove the coals and ENJOY.

Camping Cinnamon Rolls

Rick & Tracy Elkins

2 Tubes Cinnamon Rolls

1 Stick Butter (melted)

2/3 cup Heavy Cream

Cinnamon Sugar

Chopped Pecans or Walnuts (optional)

Spray 9 x 13 Baking Dish or a disposal aluminum pan with non-stick cooking spray.

Place the cinnamon rolls in with sides touching. Evenly pour over melted butter and sprinkle liberally with cinnamon sugar. Pour over heavy cream. Bake according to label. Remove, frost with included packets. You can add chopped nuts if desired.

Server hot. Refrigerate leftovers.

Pork & Gravy

Kelly Herbert's Recipe prepared by Hosts

Ingredients

- 12 pork steaks (not chops, approx. .5" thick)
- Tony's low sodium seasoning
- Flour for dredging
- 1 to 1 1/2 sticks butter
- 3 large onions, 3 Celery Stalks, 1 Bell Pepper (diced)
- Chicken broth (approx. 2 cans)
- 8 packets of instant pork gravy

Directions

- Dry pork, dredge in mixture of flour and Tony's (approx. 50/50 mix)
- Pan sauté in half stick butter & Olive Oil to cover pan (or use PAM for low fat option)
- Once browned, place pork into jumbo crock pot
- Place 1/2 stick butter in the same sauté pan. And veggies and sauté, making sure to get up all the crunchy meat bits that were left in the pan.
- Once veggies are soft, mix in a little chick broth and continue cooking for a few minutes.
- Add veggies to crock pot. Add all but one gravy (reserving one packet for the end) and remaining chicken broth until all pork is covered. Add remaining 1/2 stick of butter if you're really feeling it.
- Crock pot on low for 4 hours. Pork is done when it starts to fall apart into delicious, delicious pork chunks.
- Add last packet of gravy to thicken up sauce.
- Serve with jasmine rice or egg noodles.

Big Bend Caravan

By Bruce Lee

Ten Airstreams met in Sonora, TX on Sunday, October 23 to begin an adventure to Big Bend National Park (BBNP) and surrounding areas. Five of these rigs came from the October rally in Lake Somerville. Aboard these rigs were: Alan, Bernadine & Ashley Billard; Rick & Tracy Elkins; Bob & Lisa Hansen; Jerry & Irene Lyddon; Bruce Lee. Also coming to Sonora were Pete & Carol Baker; Denis & Patti Blanchet; Chris & Lana Dalston; Dan & Maria McAnulty; Jim Miller. Some of us got to Sonora early enough to do some exploring of the caverns. The first night provided some light rain, but we still gathered long enough to go over our trip to Study Butte on Monday. We arrived in Study Butte by late afternoon and tried to gather again for a Happy Hour and dinner of beans and rice prepared by Rick and Tracy. Despite having lots of sunshine, the wind made staying outside to eat rather difficult so most of us took refuge in our trailers to eat dinner.

On Tuesday, Wednesday and Thursday we explored the area. Trips included exploring the national park, traveling to the state park and doing hiking and other touring adventures. Tuesday night we went to Terlingua for dinner at the Starlight Theater. Wednesday night most of us went to a bonfire at our RV park and listened to a local musician perform some of her songs. On Thursday night Dan McAnulty played his guitar and led us in some singing. We also got to witness a very bright light traveling across the western sky. Some of our crew checked Google and determined that we were seeing a SpaceX rocket launched from Vandenberg Space Force Base in California.

Early Friday morning Denis sent out an urgent message asking for help repairing the awning on his Atlas as the wind had blown it back over his RV. Several members of the Big Bend Caravan Rapid Response Team rushed to Denis and Patti's RV and helped secure the awning for our upcoming travel to Davis Mountain RV Park. Later that morning we said our goodbyes to Big Bend and headed north to the Davis Mountains. We stayed at an RV park near Ft. Davis. This provided a good spot to explore the area including McDonald Observatory, Davis Mountain State Park, Marfa, Ft. Davis National Historical Site and the town of Ft. Davis. On Saturday, Rick and Tracy with some help from others treated us to a big breakfast. It was from this location that some of our fellow caravanners decided to leave. The Ballard's left Saturday night and drove all night back to their home. On Sunday, some of our group attended a Catholic mass and then met with a few others for breakfast in Ft. Davis.

Monday morning, we left Ft. Davis. The Baker's, Hansen's and Jim Miller all decided that I-10 was calling them home, so they left the caravan. The remaining 5 rigs headed to Marathon for the night. The drive was short, so we had plenty of time to explore the town and imbibe in some beverages at the Gage Hotel. That night was Halloween so some of our members took this opportunity to Trick or Treat the RV park with pretty good success. We had planned to do some stargazing at the RV park, but clouds and rain prevented this activity.

Tuesday was a travel day. The Blanchet's decided to travel a different route home so we said goodbye to them and made our way to D'Hanis. For dinner Tuesday night some of us went to Hondo and some ate in their RV. Wednesday morning was our last morning together. We said our final goodbyes and headed home. This gave some of us enough time to unload, clean and re-load our RVs for the November rally in Goodrich. All in all, I think it was a great caravan thanks to beautiful scenery and wonderful traveling companions. We all have great memories to share. My thanks to all who came on this adventure and especially to Rick and Tracy, our co-leaders, who made sure no one went hungry during our caravan.

GHAC Mentoring

A mentoring program can help retain members, increase participation, improve member satisfaction and reinforce safe RV practices. Many new Airstream owners join the Wally Byam Caravan Club so they can socialize with experienced Airstreamers and learn the skills of Airstream travel.

Mentoring is designed to help new members rapidly become a comfortable part of the group; otherwise, experience shows many will feel disconnected, somewhat unwelcome, and may eventually drift away.

A primary role of a mentor is to help the new member feel welcome and become knowledgeable about all events and activities. A first step for the mentor is to listen to the new member to find out their interests, expectations of the club, and their past RV experience.

When a new member joins the unit, the membership chair:

- Has a conversation with the new member to explain the mentoring program
- Collects enough information to get an idea of which experienced member might be a good match for the mentor relationship. For example, the chair might look for mentor and new member matches based on geography, profession, Airstream model or other common interests.

Most conversations will probably evolve from at least three themes: **Social, organizational and technical.**

Mentorship Examples

Social

- Explain the details of the rally. Invite them to join you at meals and other functions and activities.
- Explain how the happy hour works with the snacks. Escort the new member to their first couple of happy hours so they know the when, where, and what of the social hour

Organizational

- Talk about the website and make sure the new member has the website address (where they can access the newsletter).
- Explain the process of advance reservations and rallies. Ensure they have the dates and locations for upcoming rallies. Point out the reservation deadline.

Technical

- Tell the new Airstreamer about the “maintenance” section on the WBCCI website, which has dozens of good articles on technical basics.
- Talk about the importance of safety and demonstrate it in your own conduct.

Our club is blessed to have significant experience and knowledge in each of these 3 areas. Members serving as mentors offer new members a great opportunity for quickly sharing and enhancing their club involvement and enjoyment.

All members will remember what it was like to be the “Newbie” where you don’t know many members or how to fit in with activities or events. Mentors assist in eliminating the “Newbie” feeling quickly, by answering questions, introducing members and making sure new members are informed of club activities including how to join in and enjoy. Member and Mentor both will receive benefits from sharing this experience.

Anyone wishing to learn more about how to become a mentor, or you are a current member and desire to have a mentor assigned to work with you please contact Dan (maison1306@gmail.com) or Rick Elkins (rick112851@gmail.com) for additional details and guidance.

Most important, be of good cheer and have fun!

Message from Bob Jones

Hello to all our Greater Houston Airstream Club members from the gang at BOB JONES RV!

We would like to express our excitement about an advanced service we are providing. BOB JONES RV has invested in a SEAL TECH machine that will pressurize the interior cabin of any coach, allowing us to detect leaks by soaping the complete exterior. It will identify efficiently any breaches in the exterior seal that will cause water leaks ultimately causing damage.
