Hello everyone, my name is Steve Oppel. I was installed as the president of the Florida Airstream Club at the Cracker Christmas Rally in December. I'm very excited about taking this position. I would like to thank Lynne Behnke for her service as president in 2019. She did a terrific job!

I am also the webmaster for the club. I updated the membership listing and I'm amazed at how many members our club has. I'm also surprised at how many I've never met.

I would like to encourage you to come to one (or all) of our rallies. We have lots of fun! Over the last four years I have made many friends and always look forward to going to rallies and seeing them. I would love to meet you at

one of our rallies. It is a great experience!

We currently have 8 rallies scheduled for 2020. You can find the list at: <https://floridaunit027.wbcci.net/2013-rally-schedule/>.

If you are not familiar with our club, I would recommend you contact Larry Scovoto floridalarry@me.com or (386) 405-0160. He is our New Member Mentor. He would love to discuss our club with you.

We are currently setting up a new mentorship program. Larry has been working hard to set up this up. We hope to have a volunteer mentor from your area call you to discuss the club with you. If you're interested in getting a call before this is set up please call Larry.

The New WBCCI web page is active and you can search for rallies there -

<http://airstreamclub.org/>.

The old page is still active and has been updated as well <https://floridaunit027.wbcci.net/>

At some point the old page will go away but for now this is where you will find information about the Florida Airstream Club.

Please take time to look it over - especially the membership page. If I made any typos please let me know! (oppels@gmail.com)

If you have any questions for me please feel free to call (763) 670-8771.

Have a blessed New Year!
Steve Oppel

International Rally June 20-27, 2020

Westward Bound!

Going to International in Loveland, CO? Would like to travel with other Club members? If so, please email Larry Scovotto at floridalarry@me.com.

He has scheduled a travel itinerary leaving Tallahassee on June 9th and arriving in Loveland on June 18th with stops in Montgomery, Tupelo, Little Rock, Porter, Wichita, WaKeeney and Limon.

Past Rally: Mary's Fish Camp

There were 16 rigs and 31 people who came to the Mary's Fish Camp Rally held November 14-17th near Bayport, FL.

Cold and rainy weather gave the rally a different flavor than in the past but didn't dampen our fun. It didn't stop some people from kayaking or going to the famous Weeki Wachee Mermaid Show. Of course, no one went hungry. We had Happy Hour, Grill Night, Sam's BBQ and live music performed by

our camp host Dave and his band.

Sunday was the big Mullet tournament with lots of contestants fishing for the coveted golden mullet award. This year Jeff Krabel took it home with 21 fish caught! 2nd place went to Chris Allen with 15 mullet. Larry Scovotto received the "Rosta Ruck or Good Luck Next Year" award! The fish fry Sunday night was bountiful and delicious.

Jeff Krabel made a special mobile made out of bobbers and a mullet. He presented it to the Mary's Fish Camp hosts. In addition, Mary's Fish Camp made special t-shirts for our rally this year and it was a big hit.

We are already scheduled to have another rally again next year at Mary's Fish Camp. Hope to see you there.

Warmest Regards
Deb Oppel

Past Rally: Cracker Christmas

Fort Christmas Historical Park,
Christmas, FL
Dec. 4-9, 2019

We all had a blast at the Cracker Christmas festival and crafts fair, in Christmas, Florida, in early December! There was food, music, crafts, demonstrations, and fun for all ages. Even the man in the big red suit showed up!

Along with volunteering for the festival, we had our installation ceremony and dinner on Thursday night to bring on the new Board of Directors. We also enjoyed games, a music circle, an outdoor movie night, technical demonstrations, a wildlife tour at the wetlands park, crafts, and as always, happy hour at 4:00 PM!

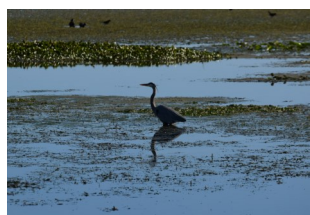

The Florida Airstream Club has been volunteering at this festival for many years, helping set up tables and chairs, trash receptacles, stages, freshening up their homes with a broom and watching the historical homes during the festival. We had 23 rigs with 43 people volunteering giving them well over 450 hours of help!

REGION 3 RALLY April 1-5, 2020

Ocean Lakes Campground

Myrtle Beach SC

Early Registration Information from Region 3's website:

"This year we will be back at one of the premier campsites on The Grand Strand – Ocean Lakes. For those that have been there before, you know all of the opportunities you have for great camping, fantastic meeting facilities, and a wealth of entertainment opportunities. For those that haven't, you are in for a treat!

The park is located at 6001 South Kings Hwy., Myrtle Beach, SC. The reservation number is 877- 510-1413. Rally sites are \$42 per night and can be reserved NOW at that rate. Ocean Lakes will honor the rally rate for a few days on either end of the rally.

You can reserve your campsites now by calling the campground and referencing the Region 3 Airstream Rally.

The region has pre-booked all sites in the H and HH sections ([Campsite Map](#)), so don't try to register online.

Ocean Lakes will let you know what sites are available in the block and reassign one to you manually.

Rally Registration information and schedule will be posted to the website as soon as they're available."

<https://region3.airstreamclub.net/2019-region-3-rally-preregistration/>

Region 3 serves the southeastern coast of the United States from Virginia to Florida. The five states within our region contain 18 units.

St Augustine Rally St. Johns County Fairgrounds April 23-27, 2020

Deep Creek under Palatka-St. Aug.
rails-to-trails bike path

The St. Johns County Fairgrounds are located about 5 miles west of St Augustine with easy access to the city (address is 5840 SR 207, Elkton, FL). The fairgrounds offer water and 30-amp electric at each site. (We will have a few 50-amp sites for those who may need it.) There is a dump station on site as well as showers and restrooms. We have arranged to have the club house, which offers lots of seating, air conditioning and restrooms, for

Friday and Saturday, possibly Sunday. I am hoping someone offers to do a joker event; we have a great room but I am not a joker player.

The Pooles have offered to host a kayaking trip at Deep Creek on Saturday. We will need 3 or 4 volunteers to help with parking on Thursday and volunteers to sponsor breakfast on Saturday and Sunday. If you can volunteer please contact Pammillis@yahoo.com or call 321-243-7663.

Salt Springs Rally

May 14-18, 2020

Our May 2020 rally will be in Salt Springs Recreation Area in the Ocala National Forest, near Fort McCoy, FL.

From the website: "Salt Springs Recreation Area is one the recreational jewels of the Ocala National Forest, with a spectacular natural mineral spring that gives the area its name. Plenty of outdoor activities keep campers and day-use visitors busy, including swimming in the springs, fishing, snorkeling, hiking and boating. Salt Springs is located between the St. Johns and Ocklawaha Rivers, 35 miles east of Ocala, Florida."

We hope to paddle the Ocklawaha River and explore the forest (there are three other beautiful, accessible springs, a cross-Florida barge canal and Rodman Dam). Bring kayaks,

bathing suits, masks and snorkels, bicycles, skateboards, fishing poles, hiking shoes, fire wood. Sorry, no golf carts. There is a boat ramp in the park and a marina to launch your boat or rent kayaks. The Salt Spring run leads into Lake George. Since the spring is a constant 72 degrees, and is shallow, it is always swimmable.

Reservations are through <https://www.recreation.gov/camping/campgrounds/233920>. A National Park senior pass secures a \$16/night full hook up. The **host camp site will be site 44** (hopefully) – see campground map online. There is an open-sided pavilion we will try to reserve with electricity and tables for group meals. This campground offers plenty of "walk up" sites for late joiners. Itinerary will follow.

Volunteer Mentors Needed

Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person.

It's all about family . . . the Airstream family . . . the Florida Airstream Club family. What better way to welcome a new member than to have someone from our Club who lives in close proximity to a new member personally welcome them?

When an individual joins the Florida Airstream Club, a welcome letter is sent by Frank Carson, Membership Chair, to the new member with a copy to the Club. An administrative follow up from the Club is then initiated. However, an additional step is needed to make sure new members feel that they are part of the Club family . . . a personal touch from another member.

The task of the Florida Airstream Club's Mentoring Committee is to identify Club members who are willing to mentor a new member(s) who live in their region. New member information would be emailed to the volunteer mentor(s). All that is required is to reach out to the new member, welcome them and see if they need any additional information. This can be done by phone or email. Then just keep in touch.

For purposes of membership demographics, we have divided the Club into six geographic regions (see map) . . . North West, North East, South West, South East, West Central and East Central. The numbers in the figure below indicate how many members we have from each region.

So far we have 5 people who have volunteered but we still need more in some regions.

North West --Open
North East -- Ron & Chris Allen and Susan Poole
East Central -- Joyce Hoffer
West Central -- Open
South East -- Open
South West -- Meriam Reed

Future Suggestion: Carolina Balloon Fest

In October of 2015, Missy and I were headed up I-77 in NC. As we passed through Statesville, we saw a billboard advertising the Carolina Balloon Fest and decided to give it a try. We spent one night and thoroughly enjoyed it. Fast forward to 2018. On short notice, I thought it would make a fun rally. SECU, where we are affiliate members, has a Facebook presence and we thought we could get the word out quickly. Eighteen trailers attended and it seems everyone had a good time. Matt suggested doing it again in 2019 and inviting the Carolina units to join us. I also invited FAC, but the annual meeting was the same weekend. This year we had 38 trailers from

Southeast Camping, Carolinas, Piedmont NC, Carolina Coastal, Gold Coast, and Florida Airstream Clubs scheduled to come but 4 had to drop out. Again, everyone seemed to have a good time. The festival is always the third weekend in October. Please consider the **Carolina Balloon Fest on October 16-18, 2020.** The coordinator is working on a dedicated web page for our attendees to sign up. Stay tuned for details.

Community Project: Fisher House Foundation

What is our Community Project for 2020? The **Fisher House** . . . is “a home away from home” for families of patients receiving medical care at major military and VA medical centers.

Donations for the Fisher House for 2019 were \$2,443.28 . A check will be delivered or mailed to the Fisher House during the first quarter of 2020. This money was raised from sales of club stickers, name tag magnets, lanyards, t-shirts, garden flags, 50/50 drawings, auctions at Rallies and Jeff Krabel’s generous donations of his hand crafted wooden must have items. Be sure to check out the items we have on sale at our Club Rallies. Thank you to everyone who donated sale items and those who made purchases. We appreciate your support.

Currently we have a couple of Garden Flags with our club logo and name printed on them for sale for only \$28 each. Delivery at rallies is free or they can be mailed to your home for only \$6.95 additional. An added bonus with these flags is to have them embroidered with your name, WBCCI number, a greeting of your choice, etc. by club members Susan Poole or Dianne Mahon. Both gals are donating their time and talents to customize these flags. So, if you are interested in purchasing a Garden Flag, let me know right away as our supply is limited.

We are excited to introduce our new fundraising product for 2020. Lyn Masters asked if we could get a decal or iron on of our club logo found on our

current stickers and in the center of our club flag. We were able to find a company that could print this artwork on a 3” iron on circle. The new item is now available for sale for only \$4.00 each. They can be added to T-shirts, ball caps, hoodies, etc. anything that you can iron. The colors are bright and sharp and I am sure there will be a lot of interest once you get to see them at our next Rally.

As always, please let me know if you have a fundraising idea. I would love to hear from you. I can be contacted at ronchrisallen@bellsouth.net or by calling (904) 534-9896.

Staying true to Airstream tradition we include lots of great food, activities, and opportunities to get to know one another in a relaxed atmosphere.
