# Urbanna Oyster Festival Rally 2022 – NORVA Report

Written by Priscilla Harrell

NORVA was well represented at the Urbanna Oyster Rally with 15 Airstreams representing 27 individuals. This annual event is very popular and this year a record number of 29 rigs were in attendance. The rally was held in a beautiful level field along Waverly and Garnett Roads in Urbanna, Virginia. The rally was held from Thursday through Sunday, November 3 to 6, three nights four days of great camaraderie, good food, happy hours, campfires.

Welcome to Happy Hour - The Fellowship of the Urbanna Oyster Festival Airstream Rally – there are no second rows around the circle – we just make the one ring larger and larger till we can see everyone

Frank Munoz from Tidewater Airstream Club and Tom Carmichael from NORVA work closely together to make this rally a success. The two friends enjoying the fruits of their labor

Introductions – NORVA’s Allysa Kropp (standing) introducing her mom, Marcia Kropp. Her mom usually lives in Maine, and we are so delighted to meet her

# Travels with Dick and Jane

**Written by Dick and Jane Arnold**

We practice what we preach. Once you have packed the Airstream and are ready to go to a rally, don't stop there. Continue traveling. That's what we did last June. We went to the fun Luray Rally hosted by Gail and Doug Perkins. We continued for 10 weeks and 6,000 miles, returning in late August. Most of the time spent in Maine where there was no heat wave!!

The River Rally was a huge success. Very casual and laidback and we enjoyed meeting new members. The wine tasting was a fun event. The river was so close for those who ventured into it with or without tubes. We especially enjoyed our afternoon of professional music at nearby "Cooters."

From Luray we travelled to a campground on the Mohawk River, part of the Erie Canal, near Schenectady, NY. What a treat to have wine and cheese on the riverbank as we watched the boats go by.

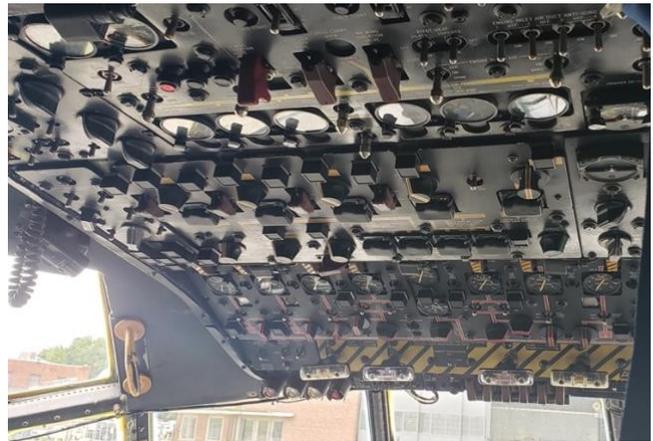

We went to a Saturday breakfast at the museum at the Scotia/Schenectady airport which is home to the New York National Guard squadron that flies C-130's to Antarctica - the "Red Tails." This is a 9,500-hour trip with 4 stops, often made to rescue someone with a medical emergency.

We sat at a table with a lone gentleman and talked about the Red Tails. (If you didn't know, Dick loves military history!) It turns out that this gentleman, Karl Doll, had retired from the Air Force and he had made this trip numerous times. He had also been instrumental in having the Red Tails squadron located here. As we finished our breakfast, the President of this Museum, Daniel Wilson, came over to chat with Mr. Doll. They have just acquired a C-130 from the Montana National Guard for the museum. One of the Museum members recognized the tail numbers as being an airplane he had flown in Afghanistan and Iraq. We were invited to accompany Mr. Doll and Mr. Wilson on a tour of this C-130.

What a treat climbing into the airplane and up the tiny steps into the cockpit. So many controls!!!

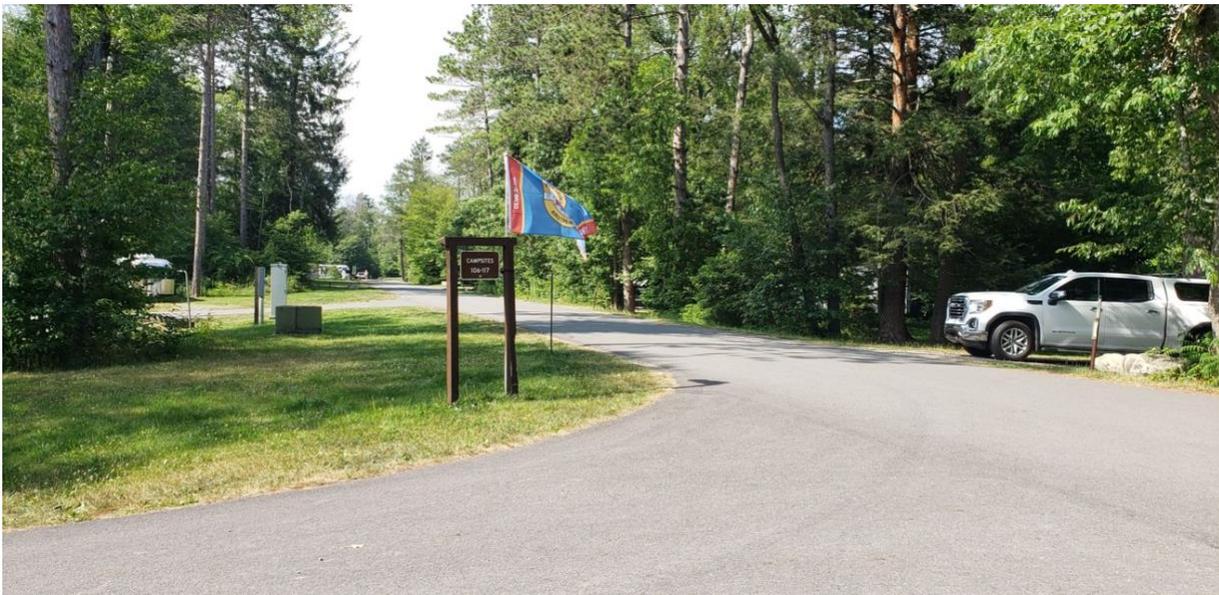

From NY we went to the Boston area. Why Boston? We have done all the American Revolution sites. This was the location of a national old Fire Truck Rally. (Once again, one of Dick's passions.) There were over 200 fire trucks. Many were pumpers and there was a competition with old hand pumpers with a dozen people pumping one vehicle.

From Boston we went way upstate New York to Plattsburgh. There is still an airport there but there had been a SAC base in Plattsburgh. Of course, there was an Air Force Museum which we visited. On display they had a B-47 and a F-111B, one of the fastest bombers the US had had. We had a good visit with the docent. It turns out he had flown the F-111B into Plattsburgh when it was donated to the museum.

Now it was time to join the NORVA Caravan in Pennsylvania for our trip to Maine on our way to Fryeburg and the International Rally. That Caravan, followed by International, followed by 2week Classic Airstream Caravan in Maine, followed by 2 more weeks in Maine made up our 10 weeks and 6,000 miles.

Once you pack for a Rally, keep going!!

PS: Dick finally made it to Jackson Center to visit his sign. Enjoyed the museum (Heritage Center). Thought it was well done with timeline of Airstream history. Also, great tour of factory. Recommend to all Airstreamers.

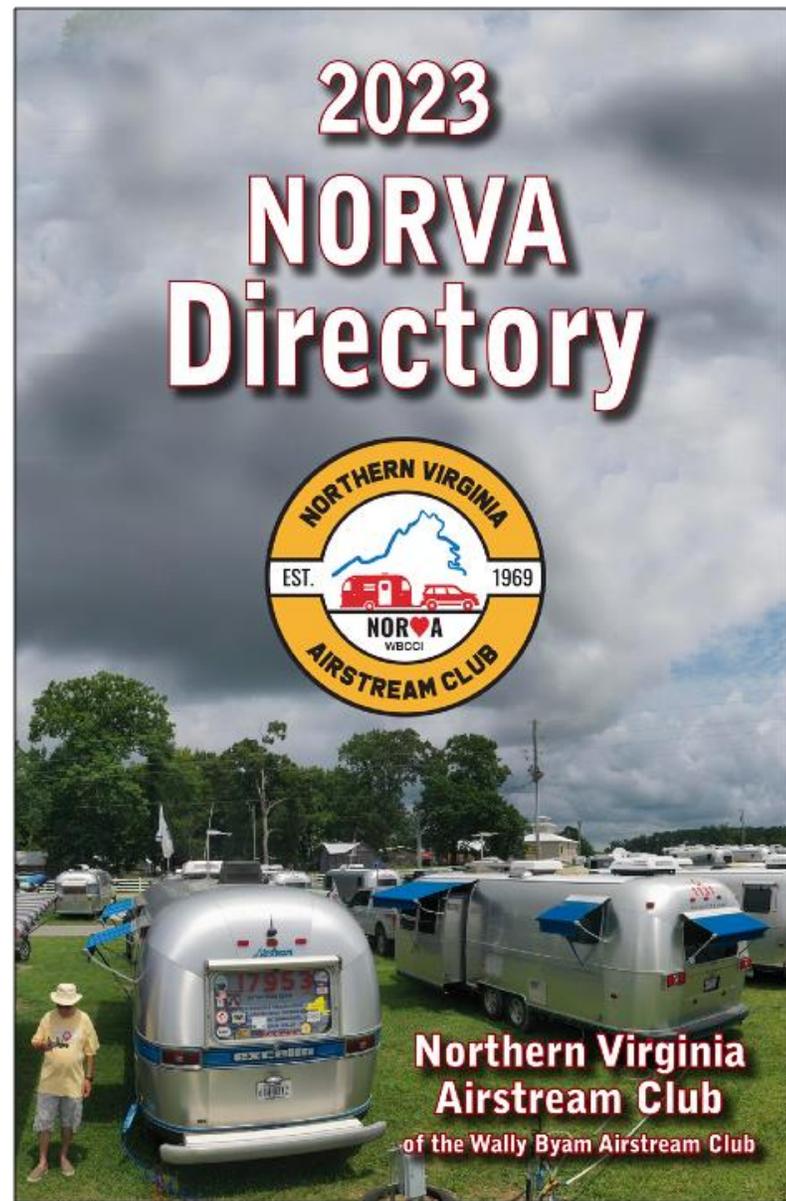

# Membership Director Report

Membership Director Lew Brodsky reports that the 2023 edition of the Club's annual Membership Directory will arrive at your home in February. Mailed (USPS) to all NORVA member-households, the publication's pages are filled with useful information and lots of color photos. Every member officially

on NORVA's roster at the start of January 2023 (Regular, Affiliate, and Lifetime) appears in this Directory. For easy reference, listings are sorted by names and BRNs (Big Red Numbers). The booklet also provides contact information for NORVA, International, and Region 3 officers, as well as the full-time WBAC headquarters staff in Jackson Center, Ohio. Additionally, it contains travel tips, information about Airstream-exclusive campgrounds, and an updated list of repair and customization shops for servicing or updating your treasured rig. Watch your home mailbox for this handy booklet! It should arrive before mid-February.

The cost of your copy of the new Directory is included in the \$20 NORVA membership dues you paid for 2023, but some members have mentioned they would like to receive two copies; one to keep and home; another to keep in their Airstream. If you want to receive two copies of the 2023 NORVA Directory, that option is available. To get your second copy you must send Lew a \$9.00 check (made out to "NORVA Airstream Club") which will

cover the additional printing and mailing cost. Lew must receive your check by January 15th, before the Directory is commercially printed. Mail the check to Lew Brodsky, Directory Editor, 6829 Ridgeway Drive, Springfield, VA 22150.

# COMMONWEALTH RALLY

## Endless Caverns RV Resort - September 21-24, 2023

The next **joint rally of All Four Virginia Airstream Clubs** will be held at Endless Caverns RV Resort located at 1800 Endless Caverns Road, New Market, Virginia 22844. <https://endlesscaverns.com>  
The rally will take place Thursday through Sunday, **September 21 through 24, 2023.**

Campsite Daily Rate: \$42 ++

Works out to \$50.53 per day when taxes and fees are included. All sites have Full Hookups.

**Please BOOK NOW** to lock in your preferred campsite and special daily rate.

We will be in Section E (Green Section). <https://endlesscaverns.com/campground-map/>

Prefer a pull-through to a back-in campsite? No problem, we negotiated the same rate for all sites.

A one-night deposit is required to reserve your campsite. The rate will be honored for stays from September 19 to September 26, 2023 (up to 2 days before and up to 2 days after the rally).

Due to the unique topography of this mountainside campground, please arrive to park your airstream at the campsite during daylight hours. Note the actual campsites are terraced and therefore reasonably flat, so just your usual leveling blocks will be needed if at all. We have reserved only 60 campsites. Once the 60 spots are taken, we will create a waiting list. Registration deadline is August 12, 2023. Most rally group events will be held at the campground's rec center building which has plenty of parking.

**To Book your Campsite, please call**

**Lisa Mannon**, Regional Sales Manager. Telephone Number: **(443) 664-3375**

Promotion Code: **Northern Virginia Airstream Club September 2023**

Please feel free to leave a voicemail message for Lisa Mannon. She is prompt at returning phone calls during business hours.

Rally Fee: To Be Determined. We will announce the Rally Fee payable to NORVA, at a date closer to the event when we are able to finalize the cost of food and catering services.
