This fall we have had some great rallies with our Halloween Rally at Skamokawa Vista Park and our Friends and Family Thanksgiving Dinner event here at the Washington Land Yacht Harbor. I would like to give a big thank you to our rally host's Tim Lucas and Jeff Vannice for the best Halloween rally filled with haunting decorations, more food than anyone could possibly eat, they even ordered the perfect weather, this one will be hard to beat, and we all are looking forward to what the surprises they will have for us next year. A big thank you to Darlene Leslie for making the turkeys and Ed Treanor did the gravy. We had 10 hosts, one for each table and side dishes were brought by friends and family at each table. A good time was had by all.

As we all start to get settled in for the winter, the Washington Airstream Club has some fun events to get us out of our homes and the chance to see old friends, meet new ones and talk about the fun we will have in the new year. December 10<sup>th</sup> we are having a Prime Rib Dinner at the Land Yacht Harbor. January is a luncheon at the Spaghetti Factory in Tacoma and in February we will meet at the Ram Restaurant in Lacey.

For those that are trying to get in a few more adventures, one of our members wrote an article and tells us what works well for him to winterize his Airstream, it is worth the read.

We have lots of fun rallies in the new year, so check out the schedule and save the dates. We still have two rallies that are in need of a host or a co-host for the March Crab Feed Rally at the Washington Land Yacht Harbor, so this would entail finding a theme and running with it. We are also looking for a host for an away rally in June. Some Airstreamers will be going to International, but I thought it was important to offer a rally for those that do not want to travel far. This will take place at Hood Canal with campsites right by the water. Hosting this away rally is a good way to learn how to host a rally!

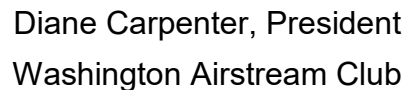

I would like to wish all Washington Airstream Club members a Happy Holiday Season and a Happy New Year! Hope to see all of you at the upcoming events. Be safe in your travels and remember the camping season will be here before we know it.

Best,

Diane Carpenter, President

**Washington Airstream Club  
Happy Holidays Event  
Saturday December 10<sup>th</sup>, 2022**

The Washington Airstream Club would like to invite you to our Holidays Event. With winter upon us we would like to have reasons to keep Airstream friends together and with this event we have decided to have a Prime Rib dinner at the Washington Land Yacht Harbor.

This event starts with a social hour at 4:00 pm, followed by a traditional Prime Rib dinner with all the fixings. By the way, our very own Chef Ed Treanor, will be preparing the Prime Rib. The menu preparation being planned with Darlene Leslie and Pam Treanor looks great. I've even heard a rumor there might even be some tiramisu for desert. Ed has lots of helpers and he would be very disappointed if we can't have a great turnout. Our volunteers are once again going to provide our members with another delicious dining experience. Please bring your own silverware and steak knife. Following the wonderful dinner will be entertainment provided by the *Readers Theater Unlimited (RTU)*. They regularly perform at the Olympia Senior Center with one-act plays and brief adaptations of longer works. In the past, RTU has performed at the WLYH and would like to re-establish this relationship. I am thrilled that we were able to reconnect with RTU. I'm sure you will enjoy them.

Mike and Suzanne Plympton will be the rally hosts and look forward to seeing all of you. If would like to volunteer to help put on this fun event, please contact Mike.

We are holding a raffle for two quilts by Jo Devlin, and other items to help raise money for the Lacey Food Bank. Please bring non-perishable food items or money to donate to keep our local families fed, especially through the Holidays.

The cost for this wonderful meal and entertainment is \$25.00 per person. You can register on our website at <https://www.washingtonairstreamclubevents.com> or by filling out the coupon (below).

See you soon! Mike & Suzanne Plympton

The Washington Airstream Club is proud to announce the return of the National Potlatch Rally after years of absence. This will be our chance to once again be spotlighted in our rich history of the WBCCI and bring Airstream members from across the United States and Canada to the beautiful Pacific Northwest.

Our five-day rally will include a daily continental breakfast, four dinners which includes our traditional salmon bake. Activities will include daily seminars, carpool tours such as the Washington State Capital, riding the gondola at Crystal Mountain going deep-sea fishing in the ocean, and playing a round of golf at the local golf course. There are also many more attractions. You can either venture on your own or carpool with others. We will have an information table available. Some of the other touring options are: watch the Blue Angels at Seafair in Seattle, go to the Lemay Car Museum in Tacoma, Olympia's Flight Museum and there's so much more.

We have a real treat on Saturday when we're going to look back in time. A group of volunteers associated with Friends of Willi and Joe bring in Vietnam Era vehicles, a field hospital, hooch and historians to answer the questions we might have on all the equipment on display.

Don't forget during happy hour to get your old-time photos taken (costumes provided).

More information will be shared on our website in January! Registration will be available to all Airstream Club members.

## 2023 WA Airstream Club Fishing Caravan (A Buddy Event)

**Curlew Lake, Republic WA May 8-15  
to Potholes State Park, Othello WA May 15-20**

### Co-Hosts

Paul & Charli Westerfield - [charli3007@msn.com](mailto:charli3007@msn.com), 360-485-7837 (Black Beach)

Gloyd and Jean Dearth – [gloyddearth@aol.com](mailto:gloyddearth@aol.com), 740-972-0725 (Potholes)

**We sure hope you can join us for both sections of the Caravan for some great fishing, fun, exploration and relaxation! It will be a “Buddy” event, so please invite your friends with a non-Airstream RV.**

The WA Unit Cinco de Mayo Rally will be May 5-7 at the Land Yacht Harbor, so you can plan to start the Fishing Caravan right afterwards! Some of us will leave that Sunday the 7th and stop at Beebe Bridge on the way to Republic. (This stop will help break up the long drive).

Black Beach Resort is located at 848 Black Beach Road, Republic WA 99166. (509-775-3989). If you are driving straight through from WLYH, it is about 341 miles from the Harbor.

For those stopping overnight at Beebe Bridge Park, here is the address:

23459 Highway 97, Orondo WA 98843. It is about 34 miles north of Wenatchee, and about 214 miles from Washington Land Yacht Harbor. You will need to make your reservations online after March 1, 2023. You can Google Beebe Bridge Park for the Chelan PUD campgrounds website.

At Black Beach Resort on Curlew Lake, full hook-up lakeside sites 7-16 are reserved for our group. Very nice cabins are also available; reserve cabins now with credit card at 509-775-3989. We will have the big tent set up and there will be great fishing, bike-riding on the Ferry County Rail Trail, social hours, and plenty to do in the Republic area. The Canadian Border is close, so you could even plan an excursion into Canada! Party boats and fishing boats are available to rent if desired. There will be a big campfire every day/night. Sure sounds like fun to me!

Sunday May 14<sup>th</sup> is Mother's Day, so we will likely have a no-host group brunch or lunch at the K Diamond K Guest Ranch. You can also ride horses, go ATV'ing, do some archery shooting, and lots more in addition to their great family style buffet meals in a beautiful lodge!

Monday May 15<sup>th</sup> we depart for Potholes State Park, 6762 Highway 262 East, Othello WA 99344, near Moses Lake. Potholes (or O'Sullivan) Reservoir is known for walleye, bass, trout, crappie and catfish. There is a boat launch near the camping area. We will be close to Mardon Resort which has a great restaurant, boat rentals, etc. Golfing will be available at the Legacy Golf Course, and lots to do in Moses Lake.

We will be using water/electric camping sites 41 – 60, arriving Monday May 15, departing Sat May 20 (dump station on site). Several have already reserved their sites. Since this is a State Park, we could not reserve sites for our group. Please reserve your site ASAP by calling 888-226-7688 or go online (preferred): <https://www.parks.wa.gov/568/Potholes>.

### **Prizes awarded for men's and women's longest fish at EACH lake!**

**The cost for the full caravan is \$360.** This includes your RV site at Black Beach and firewood, prizes and final dinner at each lake. Black Beach only will be \$310, Potholes only will be \$50. As stated above, you need to make your own RV site reservations at Potholes. Let's make it a real caravan and attend both lakes!

**Deadline for sending in your caravan fees is March 15<sup>th</sup>.** Please see the coupon in this newsletter. Can't wait for spring!

## Winterizing Your Rig

I was asked to write about winterizing your Airstream. Or most likely any other brand of RV as most of this is not specific to Airstream.

First a couple of caveats. Foremost is that I do not claim, or have a good reason to claim, that I am an expert on winterizing. Second is that this is the method I use and have had success with. Many others will have different methods and thoughts. I would not discount those ideas.

Having said that let's start with the first thing I do. I make sure all water is drained from the fresh water tank and the hot water tank. The fresh water tank drain can be left open for the winter, it will remind you if you forget to close the drain next year. But you need to put the plug back into the hot water tank.

The next thing to do is come up with a source of compressed air in a high volume but not necessarily high pressure. It doesn't take much pressure to move the water out of the system. Once you have your air source you then need a method to introduce it to the water system. Most common is a plug that screws into the city water inlet on the RV. It has a valve much like the one you have on tires that you push the air hose onto. There are any number of other types of connections also available.

Now, don't put high pressure air into your RV water system without having the faucet furthest away from the city water inlet open. And in addition don't close one faucet until you have opened another one. Run around and eventually open each faucet or drain that you have. Remember to blow air through the toilet valve and the shower/tub fixtures including the shower head. When there is no more than a mist of water coming out go back and turn on the first faucet to ensure you haven't pushed water to it. Also remember that you need to blow out both the cold and hot water.

Now disconnect your air supply. Only then can you close all faucets. But you have a couple of other tasks to perform. The first is to disconnect the hoses on both sides of your water pump. After you have done that turn the pump on for a few seconds to clear any water from inside the pump. Both the pump and the toilet valve are very tiny places that water can destroy easily when it turns to ice. I leave the pump disconnected, again to ensure that no water finds it's way into the pump.

The only other task you have is to pour about ½ cup or so of RV antifreeze into all of your plumbing traps. The traps are full of water and this will keep them from freezing and breaking during the cold weather.

This method of winterizing seems to work well in our milder climate and served me well even in the colder climates where I have lived. It can be completed in under a half hour except for draining the tanks. Your Airstream should be waiting for you to recommission it next spring for another season of enjoyment.

\* What: Decorate your golf carts, trucks, cars with lights, ornaments, garlands and festive decor. The more lights the better! Dress up, bring your "Frosty the Snowman", your "Rudolph the Red-nosed Reindeer" or just fix up your horse-powered sleigh!!

Keep an eye out for Santa and Mrs. Claus!

\* Bonus Fun! Tune your radio station to 94.1 for Christmas Carols to sing-a-long while we drive!

Please help our neighbors in need and bring canned and non-perishable food items to the covered entrance at Harmony Hall! We will collect items to donate to the Thurston County Food Bank for our neighbors in need.

Everyone is welcome! Want to help?
