**Presidents Message:** We are into the New Year, and I hope everyone is well and thinking of Spring and the camping season. Spring will be here before we know it. For many of us, the Airstream had to be winterized and put to bed. It is getting to be time to think about where our Airstream journeys will be this year. The Airstream Club has many good rallies and events scheduled for this year. Hopefully, when it's time to wake up your rig for Spring, you find no surprises, the dreaded leaks, mice, mold, and who can guess what else.

I personally want to thank all outgoing officers for their great work or the Club and all the Rally hosts for their hard work planning and hosting our rallies last year. I would also like to thank the officers who continued with or advanced their positions in the Unit. Also, thank you to all those who have attended the rallies, especially those for the first time. The Unit only functions and works with everyone's effort.

We have volunteers for this year's scheduled rallies. The first one starts at Harry S. Truman State Park on April 21<sup>st</sup>, 2023, with stops in Hillsdale Lake State Park on April 22<sup>nd</sup> and on April 26<sup>th</sup> ending in Sabetha, Kansas, for the Region 8 Rally. These rolling rallies and caravanning are great fun and comradery.

See you on the road.

Rick
