Happy New Year!!! We hope that you all had a wonderful Holiday Season!

Scott & I enjoyed some time away exploring Florida. We hated to return to the cold but, work was piling up. We were busy all 8 Days we were there. (This was our trip we won through Skymed). Some of the things we did were: Titanic: the Artifact Exhibition; Daytona International Speedway - just wanted to see it & take picture; drove down coast found a beach access (picked up some shells) & then down to - Land Yacht Harbor, Melbourne - still mostly an AS park; Ripley's Believe It or Not museum; Dezerland Park (huge museum of cars & other indoor activities) - also, a museum of all 007 James Bond; SeaWorld, Swamp Tour, Kennedy Space Center & behind the scene tour; Frank Lloyd Wright tour at Florida Southern College; Clearwater Beach; Waffle House & got together with some friends while there.
