Gettin Ready for Region

President's Corner

Spring has sprung and its time to think about coming to our Region 4 Computer Rally at the Van Wert, Ohio Fairgrounds hosted by George Greenway. Hone up your computer skills and then join George and Rosa Lee who will be leading a caravan to our Region 4 rally in Lewisburg, West Virginia.

REGION 4 COMPUTER RALLY May 11-15 Van Wert, Ohio

Come join us in Van Wert, Ohio for our Computer Workshop no matter what your computer skills or literacy might be. We plan on having fun and learning new techniques from our instructors as well as our fellow classmates. Come and meet old friends, and who knows, you may meet some new ones! Subjects to be covered are beginner to advanced Word processing, Spread sheets, Database usage, Systems updating, and internet protection, plus much more. High Speed Wireless Internet Access will be available both in the class room and at your camping site.

If you decide to stay over for our Region 4 Rally the following week in Lewisburg, West Virginia, there will be a Caravan following the Computer Rally with free parking Sunday and Monday nights allowing time for you to explore the area before the Rally opens.

If you have questions call Dick Greenway at 419-358-8211 or E-mail georgeggr@wmconnect.com

Region 4 Rally May 19-24 Fairgrounds, Lewisburg, West Virginia

“WILD and WONDERFUL” is our theme for the 33rd annual Region 4 Rally that we will be holding in Greenbrier County.

Jim Moss, our tour director has been working hard lining up fun tours for us while we are visiting this historic area of our country that houses quaint small mountain towns and villages that offer a unique and relaxed West Virginia experience.

First and foremost is the tour that Jim has lined up to the “Bunker” that is housed below the famous “Greenbrier” America’s Greatest Resort, located in White Sulphur Springs, a facility that was the greatest government secret ever kept. It was the former U.S. Senate and House of Representatives Relocation Facility in the event of a national emergency. Planned by the Eisenhower Administration and built between 1958 and 1961, the secrecy of its location was maintained for more than 30 years until May 31, of 1992 when The Washington Post published a story exposing it. Don’t miss this chance of a lifetime to visit this famous historical site.

The Bunker – See It at the Region 4 Rally

Following the tour of the Bunker will be a visit to the Federal Fish Hatchery, and Monongahela National Forest also located in the White Sulphur Springs area.

West Virginia Symphony Orchestra

In the Lewisburg area Jim has arranged for us to tour the North House Museum, Carnegie Hall, the Confederate Cemetery, and the John Wesley United Methodist Church.

On Friday you will have a choice of two tours.

Joe Peplinski has volunteered to put together a (Friday only) White Water Rafting Trip on the New River. **Note: This will not be World Class V+ rapids on the Upper Gauley.** Joe advised me that we will be doing a half day “trial run” on the easier New River and the Rafting outfit has assured him that they take 70 year olds and older down the river regularly, so this should be doable for just about anyone in our club that wants a touch of adventure! A write up on the White Water Rafting trip on the Lower New River is attached.

Jim Moss has arranged a (Friday only) trip up to the Cass Railroad, located in Cass, West Virginia. This is your chance to take a ride up the mountain on an old steam engine train that they used to haul coal. When you get to the top you will have lunch before returning down the

mountain to travel to Green Bank, West Virginia where you will get to visit the famous National Radio Astronomy Observatory.

Ralph Nuckles is scheduling a (Friday only) Golf Outing for all of our Region 4 golfers. Be sure to sign up when arriving at the Rally so Ralph will know how many foursomes to line up.

Other interesting sites include Carnegie Hall, located in Downtown Lewisburg, the 77 mile Greenbrier River bicycle Trail, and West Virginia's Organ Cave. Our golfer's will enjoy visiting America's first golf course established in 1884 with replica 19th century hickory shafted clubs, where golfers tee off with gutta-percha balls from sand tees.

While the Rally officially opens on Wednesday May 20th, Gary Auman will be conducting our Leadership Seminar on Tuesday morning May 19th. The seminar is designed for all members and we encourage your coming and participating.

Organ Cave

There will be a catered dinner included in the rally fee on Tuesday and Saturday, a catered breakfast on Saturday, and continental breakfasts every morning, starting on Wednesday. On Thursday we will have a Dutch treat catered luncheon with speaker Bugs Stover entertaining us with funny and frightful ghost stories of West Virginia coal fields.

We have lined up some great entertainment so if you haven't made your reservations for the Rally please do so today, as it is not too late to join in on a great rally and share fun and adventure with good friends.

A Registration form for the Region 4 Rally is attached.

52nd International Rally Madison, Wisconsin June 28-July 4, 2009

Come to the International and you will have a chance to win a 2009 Classic Front Bedroom Airstream Trailer and a new ¾ Ton Tow Vehicle including a hitch, or you will have the choice of taking \$110,000 in cash! A registration form for the International Rally is attached.

Annual Delegates Meeting June 30, 2009

WBCCI International Headquarters recently advised WBCCI Unit Presidents of proposed changes to the constitution to be decided at this year's Annual Delegates Meeting. Two proposed constitutional amendments and the Report of the 2008-2009 Nominating Committee for International Officer and 2009-2010 Nominating Committee positions are included below.

Amendment No.1

The International Board of Trustees proposes to revise the Constitution, Article III, to add Vision and Mission Statements reflecting the work of the 2020 Planning Committee.

The Vision Statement would read:

Wally Byam Caravan Club International, Inc. maintains its unique position of strength and visibility among recreational vehicle organizations as the recreational vehicle club of choice for Airstream owners.

The Mission Statement would read:

Wally Byam Caravan Club International, Inc. is a diverse community of Airstream owners with a commitment to Fun, Fellowship and Adventure.

Rationale:

A common theme during 2020 Committee conversations over the past year has been that WBCCI suffers from a lack of vision, a strategy to achieve the vision, and a way of providing continuity of management in implementing the strategy. The Committee's first priority has been to create Vision and Mission Statements for the organization that provide direction for the future.

Amendment No. 2:

The International Board of Trustees has proposed to amend the Constitution, Article XII, Delegates Meeting, Section 4, to read as follows:

Sec. 4 Each Unit shall be represented at the Delegates Meeting by one Delegate or an Alternate. The Delegate shall be a Regular Member of the Unit represented; the Alternate may be a Regular Member of the Unit represented or an Affiliate Member of the Unit to be represented and a Regular Member of a Unit within the same Region as the Unit represented. No Delegate or Alternate may represent more than one Unit at the Delegates Meeting.

Rationale:

As the cost of travel increases, several of our Units, on the fringes of the North American Continent, and several smaller Units have no one in attendance at the International Rally. Thus, their members are not represented and votes not cast at the annual Delegates Meeting. A method is needed to provide members of Units who do not have a Regular Member in attendance at the International Rally and annual Delegates Meeting to cast their votes. This change allows a unit to designate a Regular Member to be its Delegate (no change), and also allows an Affiliate Member of the Unit who is a Regular Member of a Unit within the same Region to be designated the Alternate Delegate. Allowing any Affiliate Member of a unit to be the Alternate Delegate is unacceptable. It is too easy to become an Affiliate, obtain a Delegates credential and know absolutely nothing of the culture of the Unit to be represented and to use the authority to support the personal agenda of the Alternate - not necessarily that of the unit's members. By requiring that the Alternate Delegate be a Regular Member of a Unit within the same Region, there is reasonable expectation that the designated Alternate Delegate will have a familiarity with the membership and culture of the represented unit and could, thus, more accurately interpret and vote the unit's actual desires if so required.

The preceding proposed amendments to the constitution were accompanied by a report of the International Constitution and Bylaws Committee.

Nominating Committee Report

The 2008-2009 Nominating Committee will propose the following slate for consideration by the Delegates.

International President Tom Collier
International 1st Vice President Norm Beu
International 2nd Vice President Barry Heckenswiler
International 3rd Vice President Don Clark
International Recording Secretary Anne Werth
International Treasurer Myron Fischer
Nominating Committee Roy B. Bernd
Nominating Committee Don McKelvey

Other candidates for these offices may run from the floor, according to WBCCI Constitution, Article XIII, Sec. 5.

Resumes for the above slate of officers are included in the April issue of Blue Beret.

Please be sure to discuss the two amendments and advise your Delegate how to cast the votes for your unit. In the event the motions are changed authorize your delegate to use his or her discretion in voting on the revised motion with the best interests of your unit in mind.

Membership

Membership Types

Do you know there are several types of membership? In fact, there are four types of ways you can join our great club. Can you guess what they are? Well, here they are:

Regular: This is the most popular. You and I are probably this type of member. This member belongs to a local unit, pays International and unit dues. They can be an officer in their local unit. Of course, they have voting rights through their unit. They can vote for unit officers, vote on motions that affects the unit and can vote for motions that come before the delegate's meeting at the International rally.

Affiliate: I'm sure there are several in your unit. You might even be an affiliate member of another unit. These members have all the rights of the unit except they cannot be an officer and cannot vote for International motions as a member of your unit. They do have voting rights on issues that affect the unit. These members want to be an affiliate of a unit because they want to be a part of your unit for various reasons. Don't forget to include these members in special activities that your unit might have ie, wine and cheese parties, unit luncheon or dinners at the Regional rally and the International rally. They really want to be a part of your fun.

Life Members: We have several of these in our unit. These members really enjoy our great club and want to be a member forever. They are a member of a local unit, have voting rights on motions that affect their unit plus can vote for motions that come before the delegate's meeting. They can only vote in the unit where they paid their life membership. Some members, for example, pay their life membership in a Texas or Florida unit and are affiliates of a Northern unit. They must vote in the Texas unit unless they get their membership moved to the Northern unit. They pay a onetime "lump sum" amount for their International membership but must pay the unit dues each year. They also get a discount on the International rally fee.

Members-at-large. These members are regular members. They pay dues each year of \$70.00. These dues are paid to WBCCI at Jackson Center. They do not belong to a unit. They have all the rights of membership except they do not have voting rights. These are the members that we want to invite to join one of our local units.

See there are many options on ways to get members to join our club. Which works best for you? Which would you recommend to new members? I'm going to leave that decision up to each of you. Just remember to be on the outlook for new members. Just think of all the good reasons to join our great club. Just remember all the fun, adventure and fellowship you have had as a member.

Hey, don't forget to come to the Region Rally in Lewisburg WV. I am conducting a leadership seminar on Tuesday May 19th. This seminar is not only for officers but all the membership. Come for the seminar and we will have a good time. I'm looking forward to seeing you at the seminar this year.

1st Vice President's Message

Hello from Michigan

Well spring has finally arrived in Michigan. We saw our first robin last week and we've had a couple of days of sunshine. Of course it is still cold out, and it won't warm up until May.

All kidding aside it's been great to have a little bit of warmth so we can start getting ready to travel again. We had the trailer in Jackson Center for a few minor repairs brought it home a few weeks ago, and now we are getting it packed and washed up on the inside and outside. Once that's done we will be good to go.

We will start out in April doing some unit rallies and then on to the computer rally in Van Wert, and then the Region 4 Rally in WV. It's going to be a good one so I hope you have your money sent in. As I said in the last issue of the newsletter we hope to do a few more unit rallies than we have in the past. The unit rallies are what keep this club going. So you members that haven't gone to one for awhile. Pick one that sounds good and sign up. They are well worth it.

Well it is time to get back to cleaning or I'll never get the Airstream ready to travel. Karen and I hope to see you on the road soon. Safe travels.

John and Karen Turner
1st Vice President

"While traveling home to Michigan from Perry, Georgia my husband became very ill. We made a stop at the local emergency room in Sidney, Ohio, where he was admitted with an infected gall bladder and emergency surgery was immediately performed.

Continued Lucille, "I made a call to SkyMed advising them that I may need assistance to bring Norm home. Once Norm was able to be transported, arrangements were made to transport to our home hospital and doctor.

"Norm was taken to the airport by ambulance and put on a medical plane and flown home. His care and overall treatment went beyond our expectations. There was also an RV to be returned, and both our vehicle and RV arrived home in good condition."

"Words cannot express the praise we have for SkyMed. They were there when we needed them, and they were caring individuals who gave total concern and confidence in a time of need.
