Distribution...

This report is send out as a PDF file only by e-mail, at the end of every month to: *The International 1st, 2nd, & 3rd VPs, Secretary, Treasurer, Immediate Past President (7), WBCCI Corporate Office Staff (4), Region Presidents (12), International Standing and Special Committee Chairmen (17), and Past International Presidents (15).*

Madison Challenge Status...

Registrations are now at **856**, an increase of **87** over last month's 769. It is hoped that as the economy improves, more will register as we continue to try and surpass our minimum goal of 1,200 Airstreams On-Site.

The deadline for 30-Amp Electrical Service has passed. However, we do have a few additional 30-Amp connections available. A \$255 deposit for 30-Amp Electricity will place your name on the 30-Amp Standby List. Those on the Standby List will be notified should 30-Amp Electric become available for you. If a spot does not come open, your 30-Amp Electric deposit will be fully refunded.

The 3-Amp Electrical service provides only enough power to keep your batteries charged and possibly run a small fan or TV. It will not support a coffee pot, refrigerator, or other appliances.

MEMBER IDEAS to EVALUATE...

Parking on Sunday? With the 2009 Madison Rally starting on Sunday, June 28, the Parking Committee will be implementing this idea Sunday, June 28. Parking will be from 1 - 4 pm after the Church Services and Lunch. This will assist those arriving at the last minute to get parked and be ready to participate in the Opening Ceremonies that night. Please note; there is no parking on the prior two Sundays, June 14 and June 21.

WELCOME TO LEWISBURG

We are pleased to have you join us and take part in our 33rd Annual Region 4 Rally that we feel will be a memorable experience.

The rally program and the goody bag contain information about the Greenbriar County area. Please take advantage of the tours that have been arranged for you.

Be sure to line up in your vehicle at least 15 minutes before departure time and try to “buddy up” and invite another couple to ride with you so we will use as few vehicles as possible.

There will be additional information pertaining to the Rally on the bulletin boards. We will also announce any changes at the evening announcements before the evening entertainment.

Enjoy the Rally! Have a great time! We are so glad to have you with us this week!

NATIONAL ANTHEMS**O' CANADA**

O'Canada! Our home and native land!
True patriot love in all thy sons command.

With glowing hearts, we see thee rise,
The true *North* strong and free,
From far and wide, O'Canada,
We stand on guard for thee,

Chorus:

God keep our land, Glorious and free!
O'Canada, we stand on guard for thee,
O'Canada! We stand on guard for thee.

STAR SPANGLED BANNER

Oh, say can you see by the dawn's early light

What so proudly we hailed
at the twilight's last gleaming

Whose broad stripes and bright stars,
Through the perilous fight

O'er the ramparts we watched
Were so gallantly streaming

And the rockets' red glare, the bombs bursting in air
Gave proof through the night that our flag was still there,

Oh, say does that Star Spangled Banner yet wave,
O'er the land of the free and the home of the brave.

THANK YOU!

Sandy & I would like to thank our officers, staff, chairman and the many, volunteers who have once again devoted many hours helping us with this years rally.

We deeply appreciate the time and efforts you have extended to make this rally a success. We had wonderful cooperation from all of you with everyone being willing to work together to make things happen.

This is our last time to express our appreciation to our very special airstream friends who simply came to Lewisburg to enjoy our Region 4 Rally with us.

It has been a pleasure to serve as your Region 4 President. We hope you will give the same support to John & Karen Turner.

We love you all and look forward to seeing you down the road. God Bless and have a safe trip home.

Sandy & Bill (JJ) Johnjulio

SkyMed Survivor

WBCCI Members when calling please reference #1989 for special rates

"While traveling home to Michigan from Perry, Georgia my husband became very ill. We made a stop at the local emergency room in Sidney, Ohio, where he was admitted with an infected gall bladder and emergency surgery was immediately performed.

Continued Lucille, "I made a call to SkyMed advising them that I may need assistance to bring Norm home. Once Norm was able to be transported, arrangements were made to transport to our home hospital and doctor.

"Norm was taken to the airport by ambulance and put on a medical plane and flown home. His care and overall treatment went beyond our expectations. There was also an RV to be returned, and both our vehicle and RV arrived home in good condition."

"Words cannot express the praise we have for SkyMed. They were there when we needed them, and they were caring individuals who gave total concern and confidence in a time of need.

"While traveling home to Michigan from Perry, Georgia my husband became very ill. We made a stop at the local emergency room in Sidney, Ohio, where he was admitted with an infected gall bladder and emergency surgery was immediately performed.

Continued Lucille, "I made a call to SkyMed advising them that I may need assistance to bring Norm home. Once Norm was able to be transported, arrangements were made to transport to our home hospital and doctor.

"Norm was taken to the airport by ambulance and put on a medical plane and flown home. His care and overall treatment went beyond our expectations. There was also an RV to be returned, and both our vehicle and RV arrived home in good condition."

"Words cannot express the praise we have for SkyMed. They were there when we needed them, and they were caring individuals who gave total concern and confidence in a time of need.
