President's Corner

Hello to Michigan, Ohio, and West Virginia

Karen and I hope that everyone had a Happy Thanksgiving with family and friends. We truly have much to be thankful for. In March of 2010 we will become grandparents for the first time. Our only son and his wife are expecting twins. We are really looking forward to it.

The last five months have been interesting to say the least, trying to take care of the region business and getting to as many rallies as we could. We love the rallies, but needless to say we have not been home much. So right now we are playing catch up around the house, putting Halloween decorations away, and putting our Christmas decorations up.

We both love the Holidays. Most of our neighbors decorate inside and out, as we do. If we get lucky we will get a little bit of snow which makes it even better. The picture of the snow and our trailer was a bit too much.

I would like to thank everyone for all the help you have given us this year and for putting on some great rallies.

Hugs from Michigan. Karen and I would like to take this opportunity to wish everyone a very Merry Christmas and a Happy New Year.

Safe travels
John

1st Vice President's Message

Hello Region 4. The holidays are upon us. The Christmas shopping has begun, the Christmas cards are getting addressed and all of you still in the north are waiting for the snow. Meanwhile those of us on the staff of Region 4 are busy working on the Region 4 Rally and getting ready for the International in Gillette, WY. We hope the new officers are now on their way to getting their year in motion. If any of you new officers have any questions or if there is anything we can do please let one of us know. We will let everyone know what the plans for Region are soon and about the Region 4 luncheon in Gillette. That's enough for my part of the newsletter but before I close I wish you all a wonderful and blessed holiday and most of all a safe one.

Karin
1st VP Region 4

2010 Community Service

2009 was a banner year for Region 4's Community Service effort and Janet Kendig needs your help making 2010 even better. Janet sends along this information on the Community Service Drive.

In 2010 at the International Rally in Gillette, Wyoming we will be doing some of the same projects. The food drive is an important one and we hope that everyone participates. 2nd is the knit hats, blankets, knit gloves, scarves and stuffed animals, things we have done for a number of years. 2 new collections next year will be items for the shelter for abused women and socks for the children in foster care. In talking with these organizations, they have a need for these things and will greatly appreciate our help. The gently used children's books were a great success last year and will continue. If you grandchildren are ready to move on to more mature books please remember we will take the ones they are leaving behind. Also again next year we will be collecting for the Humane Society. A great number of people have to give up pets and the animals need our help. The bloodmobile will be in place on 30 June and 1 July for your donations. Last but not least, remember the Cents for Kids project. It is most important to a child in need of medical attention. More information will begin in January in the Blue Beret.

Thanks for all your support.
Janet Kendig, Community Service.

"While traveling home to Michigan from Perry, Georgia my husband became very ill. We made a stop at the local emergency room in Sidney, Ohio, where he was admitted with an infected gall bladder and emergency surgery was immediately performed.

Continued Lucille, "I made a call to SkyMed advising them that I may need assistance to bring Norm home. Once Norm was able to be transported, arrangements were made to transport to our home hospital and doctor.

"Norm was taken to the airport by ambulance and put on a medical plane and flown home. His care and overall treatment went beyond our expectations. There was also an RV to be returned, and both our vehicle and RV arrived home in good condition."

"Words cannot express the praise we have for SkyMed. They were there when we needed them, and they were caring individuals who gave total concern and confidence in a time of need.
