K. IRS Filings (01/23/20)

Any WBCCI entity, which employs one of the International Club's Tax Identification numbers (EIN) to conduct its financial affairs is required to file the applicable IRS Forms annually within five (5) months of the end of their fiscal year. The filing shall follow current guidelines, policy and procedures established by the IRS and WBCCI. The entity,

not Headquarters, is responsible for preparing and filing the IRS forms and sending a copy to Headquarters. The entities requirements for filing I.R.S. reports are as follows:

1. All WBCCI entities issued an EIN from Headquarters are required to file an IRS Form 990. The form has three versions:

- a. Form 990-N, Return of Organization Exempt from Income Tax,
- b. Form 990, Exempt Organization Income Tax Return, and
- c. Form 990-T, Exempt Organization Business Income Tax Return.

2. YOU MUST FILE FORM 990 IN SOME FORM:

An entity, which normally has annual gross receipts of \$50,000 or less, is only required to file the Form 990-N Electronic Notice with the IRS. Those with gross receipts over \$50,000 must file Form 990 in its entirety. Gross receipts are interpreted as the total amount received from all sources without subtracting any costs or expenses within their fiscal year. International dues are not considered to be gross receipts or disbursements since the Local Club is merely acting as an agent for WBCCI in the collecting of dues. International dues should be excluded in the Local Club reporting on any of the Form 990s.

An entity's gross receipts are considered to be \$50,000 or less if the entity is:

- a. Up to a year old and has received \$75,000 or less during its first tax year.
- b. Between 1 and 3 years old and averaged \$60,000 or less in gross receipts during each of its first two tax years.
- c. Three years old or more and averaged \$50,000 or less in gross receipts for the immediately preceding 3 tax years (including the year for which the return would be filed.)

A majority of the entities will be in the 3-year or older category with normally \$50,000 or less in receipts and are required to file only the Form 990-N Electronic Notice. Entities having gross non-business related income in excess of \$50,000 must also file a Form 990.

3. YOU MAY NEED TO FILE FORM 990-T IF:

An entity has a gross income of more than \$1,000 from sources unrelated to the entity's exempt purpose, such as income from investments and advertising. You may be exempt from filing Form 990, but required to file Form 990-T due to unrelated income. Rally fees and dues are not income items that would be classified as unrelated

Income and expenses reported on Form 990-T must also be included when the entity is required to file both forms. The amounts reported on Form 990-N should be reported in gross amounts for income and expenses. Based on this limitation, a large majority of the entities are not required to file a 990-T report annually.

4. WHO AND WHERE TO FILE:

All Forms of 990 are required to be filed by the 15th day of the fifth month after the accounting period ends. If an entity is on a calendar year basis, the forms would be due on May 15 following the end of the year.

Form 990-N must be filed electronically. Form instructions list the addresses of the Internal Revenue Service Centers where 990 or 990-T should be filed, based on geographical location.

Gross income limitations are subject to change. Refer to the instructions for Form 990 for current limitations. If you have additional questions, please contact your local tax preparer.

It is the responsibility of the entity to prepare the proper IRS form and file it. Headquarters is not responsible for filing entities' forms.

5. **LOCAL CLUB/REGION NAME AND ADDRESS:**

When filing your form, please use the address shown below as the filing address where XX is your Region and YYY is your Local Club number. e. g., 03 021 is Region 3, Carolinas Airstream Club:

Airstream Numbers that become inactive, due to dues delinquency status, shall be unavailable for reassignment for a minimum of one (1) year to allow for late renewal or application for a new membership unless one of the following conditions applies, in which case the number is available for immediate reassignment:
 - a. The non-renewing member provides a written or email release for the number to be immediately reassigned, as might be the case if they sell their Airstream and do not intend to purchase a replacement Airstream, nor retain their membership in the club.
 - b. The member was assigned a new number in accordance with Policy 16.6.10, Item A, Subitem 1 thru Policy 16.6.10, Item A, Subitem 6 and did not retain their old number in accordance with Policy 16.6.10, Item C, Subitem 4.

- c. The member voluntarily requested a number change under Policy 16.6.10, Item C, Subitem 3.
2. Upon the termination of club membership or the sale of an Airstream, the Airstream Number shall be removed from the Airstream, unless that Airstream Number is being transferred to the new owner who is currently a Club member or will immediately join the Club.

Airstream Number and Decal Display and Placement on Airstreams shall be as follows:

1. The display of Airstream Numbers and Club Decal on an Airstream is a mark of pride in membership in the Wally Byam Caravan Club International. The vinyl numbers do not damage the Airstream and are easily applied or removed on all modern Airstreams.
2. Club decals should be placed on the front and rear, when possible centered above the numbers.
3. The use of 6" high numbers is desired unless space does not permit, in which case Headquarters will provide numbers of a size that may be used.
4. The member should affix the Club Decal to the recreational vehicle centered above the front and rear windows or cluster lights, if so equipped, though lower or not centered placement is acceptable if Airstream badging, antennas, cameras, etc. do not permit application in the preferred location. Airstream Numbers should be centered, front and rear, below the decal. Spacing of the individual numbers should be visually pleasing – not too crowded or too distant.
 - a. The display of Airstream Numbers is required during club activities to assist with the identification and location of club members for logistics and safety (e.g., first responder) considerations.
5. Membership Stars, one for each 5 years of membership, are ideally to be placed half on either side of the Club Decal, if space permits. In the case of an odd number of stars the extra star should be to the left of the Club Decal. If space does not permit, the Stars can be placed above or below the Club Decal. The spacing of Membership Stars should be visually pleasing.
