Vol. XXXVIII-3

April 2023

Pub. McLouth KS.

Presidents Message: Spring has officially sprung as of March 20, 2023. She came in like a lion but is now starting to settle down and behave.

The lows are getting further above freezing each night. Part of our yard has turned green and the daffodils and crocus are blooming.

Now is the time to do the spring housekeeping chores on your Airstream since the first Rally will be here before you know it. I lucked out when I pressurized the water system---no leaks. Hope you are as lucky.

My wife and I are getting anxious to be out camping. The first Unit Rally and Region Rally are just around the corner. With these outings we look forward to seeing our Airstream friends and making new ones.

Mike and Joyce Allen have put together a Rolling Rally to Region with two stops along the way. Anyone can join the Rally at any of the stops. If you plan on joining us, make your reservations as soon as possible and let the hosts know. (Mike or Joyce)

Take care and hope to see you soon. Rick
