

THE VERY FIRST NEAC NEWBIES RALLY!

What's a newbie?

Well we do not have A firm definition, but this rally is geared toward our newest members. You may have joined the club a while back and not been able to participate. You may have bought your rig last week or three years ago. If you are thinking that a weekend with a handful of experience campers and Airstreamers would be good for you, this may be your rally.

Come with your questions... and there is no stupid question.

Tell me more!

Join us to learn more about your rig, trip planning, helpful apps, Airstream Etiquette (yup, it's a thing), cooking on the road, storage tricks, decorating and much more. Really, the agenda is up to you. Our goal to have some fairly informal workshops and demos based around questions that are submitted by the "group". We'd like to get to know you and what you need help with.

Your hosts will be local talent like Steve and Denise Buck, Rich and Cindy Collins and Doug Hart. You know that if Luv Subbin is in the house, checklists will be involved! Combined... Over a hundred years of Airstreaming and camping experience will be there!

When: May 12-14
Where: Sandwich Fairgrounds
 Sandwich NH!
What: Well, since you asked...

Friday afternoon

Arrive, happy hour with appetizers provided (bring your set ups). Dinner together. You cook and bring it round the fire if you would like!

Saturday

Breakfast provided! Workshops, discussions, and demonstrations will fill the morning. We will break for lunch on your own and return in the early afternoon for more time together. If the group is interested, we will do camper tours later in the day! Happy hour is next... You bring a light appetizer, nothing fancy as dinner will be filling! Dinner will be provided and then, that night around the campfire we will debrief! This is the first ever Newbies North Rally! We need to know how to improve!

Sunday

Breakfasts and "See ya down the road"!

I'm in what do I do?

The cost for camping is \$50 per night per rig which includes water and electricity (30 and 50 amp).

The cost for the rally, including kitty fee is \$35 per person.

By 5 May MAIL FORM AND FEE TO:

Denise Buck 17 Meetinghouse Rd. Merrimack, NH 03054

OR E mail the scanned form to DeniseMDB60.stuff@gamil.com

Venmo fee to @Denise-Buck-60.

NAME _____

E MAIL ADDRESS _____
