

FIESTA IN FLAGSTAFF

May 4-7, 2023
Coconino County Park
35.141090, -111.695000
Flagstaff, AZ

A true dry camping experience in the park!

OLÉ!! How will you be spending Cinco De Mayo?

The 4CU will be hanging out in Flagstaff at the Coconino County Park!

A “Just Dry Camping” experience in the pines will be happening May 4-7, 2023, on the Carnival Lot just outside the Ft. Tuthill Campground, and adjacent to the historic Quad. **Make sure your tanks are empty and water full!** **The neighboring Ft. Tuthill public campground MAY have potable water and dump (for a minimal \$10 fee).**

Spend your days relaxing with friends or exploring northern Arizona which may include Grand Canyon, Sedona, Walnut Canyon, and many other spectacular places. Lowell Observatory doesn't close until 10 pm! Maybe you'll find another Pluto!

Walk or bike the endless trails that gently take you into town directly from the rally or drive to Snowbowl. There's Flagstaff Extreme Adventure if you feel the “need for speed” and shoot across the ziplines!!

We are introducing another important concept for this rally. GO GREEN!

Pack in / Pack out please. The park requires us to maintain our own trash during our stay. Minimize the use of single-use items and prepare for your needs ahead of your arrival. There will be **no on-site trash receptacles** for the 3 days we are guests of the park. This will be a super opportunity to prove we are truly, self-contained, responsible Airstream travelers!

The open skies above our camping area will allow for great solar recharge. The big Navajo Ramada is ours for shelter and socializing with your Airstream family!
