Hello and Happy New Year!

Here we go, 2023! A new year with new adventures, look out!! Welcome to all our new 2022 members, we can't wait to meet you at one of our 2023 events! We hope everyone had a very happy holiday and safe & healthy new year!!

We held our installation Christmas Dinner at the Catacomb's restaurant. I think everyone enjoyed themselves, even though the prices were a little higher than the traditional Hoss's dinner, we all enjoyed the dinner, the change of pace, and a chance to

experience a piece of history. Someone even brought history with them by using a gift card older than the wait staff!

Once we all arrived, the staff took us on a tour of the historic brewery, founded by German immigrant, Alois Bube, which is for who it is named. Bube's Brewery is the only one of the hundreds of "lager era" breweries that still stands in almost completely intact condition in the US. After the tour we descended 43 feet down a stone staircase to the stone-lined vaults of the Catacombs to have dinner. The rounded walls/ceiling reminded me of being in the airstream, just 43 feet down!

The only club officer position that was filled with a new officer was Beth for 2nd VP. Since she is assisting with this article and doesn't want to gloat, I can't let this be distributed without saying thank you to her and for taking that position, because we all know what being 2nd VP means, yup, you will be seeing her writing again in 3 years in this newsletter. Also, a big thank you to Norm Fable and Tim Palmer for stepping up and being Directors/ Trustees, without officers, there is no club, so thank you!

Cheers!

See you down the road!
Karl and Beth Schubert

News from the Region 2 President

by *RJ Marquette*, President, Region 2

Hello, everyone!

I'm writing this just a few days before Christmas, and I hope you all had a great holiday season.

I struggled with topics to write about last winter, but this month I have great news to share: You can now book the campground for the Region 2 Rally! The campground is Yogi Bear's Jellystone Camp Resort in Niagara Falls, Ontario.

Contact Greg Amadio at +1 (800) 263-2570 or email him (yogibear@jellystoneniagara.ca) and leave a message. Greg will call back to get registration details. You can cancel up to two weeks before without penalty. Our group rate is \$62/night plus taxes.

The official rally dates are June 2 through June 6, 2023.

Registration for the rally will be available soon. The Ontario Club is preparing an event to remember!

See you next month!

Q & A

Get to know the club officers

coordinated by *Beth Schubert*

What a better way to start off 2023 than getting to know our club officers, directors, and volunteers a little better. The following questions were asked of our club officers and here are the answers! We have a great, talented hard-working team!

Karl Schubert, President

How were you first introduced to Airstream?

My grandparents have owned two Airstreams and I can remember camping with them when I was a kid and going to rallies.

When did you purchase your first Airstream or camper and what was it?

My grandparents 1983 Sovereign, that I grew up camping in when I was a kid.

What trailer do you currently own?

1983 Sovereign

What is the longest trip you have taken with your Airstream?

Maine, we did bring the trailer back from FL after my grandfather had his stroke, not really a camping trip though, but none the less, still an adventure!

What other hobbies do you have other than Airstreaming?

I am a volunteer firefighter as well as Deputy Chief, Fireman's Relief VP, Trustees member, Building Committee Chair and Engineer with our local fire company. In my other free time, I enjoy woodworking, antiques & driving my antique fire engine.

Career or past career?

I have worked in the carpentry/construction field for almost 20 years and currently work for a local family-owned business, Handyside.

Did you name your trailer, if so, what is it and why?

Lucille after Lucille Ball, a favorite of my grandmothers and from the movie "The Long Long Trailer".

Terry Hauschild, 1st VP

How were you first introduced to Airstream?

I am not sure when I was first introduced to Airstreams but I do recall camping with my parents in trailers other than Airstreams and seeing them and never believing I would be fortunate to own one.

When did you purchase your first Airstream or camper and what was it?

We purchased our first and only Airstream in August 2017 and it is a 2018 16' Bambi Sport.

What is the longest trip you have taken with your Airstream?

Our longest trip was in September/October 2018 to the Grand Canyon and back over a three-week period. Visited family in Fort Branch, IN; Colorado Springs, CO; and Bartonville, TX along the way. Amazingly, we wished it would have lasted longer even while living out of the Bambi.

What other hobbies do you have other than Airstreaming?

My hobbies include hiking (presently a Section Trail Maintainer on the AT), kayaking, auto racing (former driver) and classic cars (own 1965 Ford Galaxie).

Career or past career?

Retired (2019) Mechanical Engineer; Purdue University Alumni.

Did you name your trailer, if so, what is it and why?

We call our trailer Bambi; original huh!

Elizabeth (Beth) Schubert, 2nd VP:
How were you first introduced to Airstream?

I didn't even know about Airstream until I met Karl. At first I thought they were odd looking being rounded, but as Karl likes to say "she caught the bug". Now I get excited when I see one going down the road and look for the BRN's.

When did you purchase your first Airstream or camper and what was it?

After Karl's grandfather had a stroke and could no longer maneuver in the trailer, we went to FL to bring the trailer back and they told us to use it as often as we wanted. We did and have now purchased it, a 1983 Sovereign.

What is the longest trip you have taken with your Airstream?

This year's international rally in Maine

What other hobbies do you have other than Airstreaming?

Some of my hobbies include hiking, kayaking, walking our two dogs, gardening, antiquing and I also volunteer at our local Fire Company where I am the carnival raffle chair, meat bingo co-chair and Membership Secretary/Assistant Secretary.

Career or past career?

I currently work for the PA Senate, I have 17 years there now.

Did you name your trailer, if so, what is it and why?

We did name our trailer Lucille, after Lucille Ball and the long long trailer movie. Being a younger couple and me new to camping, we have had our Lucy & Nicky moments.

Karen Fable, Secretary and Norm Fable, Director:
How were you first introduced to Airstream?

I was first introduced to Airstream when I met Norm and his parents. They owned Airstreams. Every May they would come to our home from Cincinnati on their way to summer in Maine and then again around Labor Day on their way back to Cincy.

When did you purchase your first Airstream or camper and what was it?

Karen: We did not purchase our first Airstream. We were gifted with the 1986 Sovereign by Norm's parents when it became apparent that they were no longer going to be able to travel after his Mother's stroke. **Norm:** My parents owned Airstreams. When

my Mom got sick and my parents realized they wouldn't use their '86 Sovereign anymore it was gifted to me.

What trailer do you currently own?

Our current (third Airstream) trailer is a 2018 30' Classic.

What is the longest trip you have taken with your Airstream?

Our longest trips to date have been to Maine. Each one of our trailers have been to Maine at least once. We are planning on 2023 International in Wyoming and hope to visit National Parks in that region.

What other hobbies do you have other than Airstreaming?

Karen: Besides glamping I enjoy cross stitch, quilting, crafting, reading, being outdoors, and spending time with family. **Norm:** Dutch oven cooking and smoking meat!

Career or past career?

Karen: I retired in 2022 after 10 years of Federal service doing 18 years of Medical Billing in the insurance follow up department. **Norm:** For 46 years I worked in material bulk handling equipment, namely air compressors. Lastly as an order administrator. The division I was with recently closed so I opted to start the next chapter, retirement.

Did you name your trailer, if so, what is it and why?

We named our 2016 Flying Cloud Carlton the Ritz and continued with that name with the Classic. Glamping in our Airstream is almost, it's a stretch, like staying at a Ritz Carlton. Or the Ritz Carlton of campers.

Michael Read, Immediate Past President, Membership:

How were you first introduced to Airstream?

I believe it was at the 2016 Hershey RV Show. It just so happened that we entered the entrance where the Airstream trailers were, so we started browsing through the different Airstream models. Of course from viewing the Airstreams first, it made every other RV we thought we would like look cheaply made with cheap materials.

When did you purchase your first Airstream or camper and what was it?

I (Mike) never had an RV, our current Airstream is my only RV. Jackie did have a Class C motorhome, Coachman Catalina. So, our first Airstream was ordered in 2017, receiving an early 2018 model. Because this would be our most expensive lifetime purchase, MSRP listing was more than our house in 1990, we made sure an Airstream

is what we wanted. We watched all Patrick's Airstream Walkthroughs on YouTube, each several times. We meet with Patrick of Colonel Airstream five times, twice at the Hershey RV Show in 2016 and 2017. We drove to New Jersey three different weekends and walked through each Airstream model with Patrick, at Colonel Airstream. We still weren't sure. So we drove to Jackson Center, Ohio, Mothership / Airstream Factory on two different weekends to take four factory tours. Finally at the 2017 Hershey RV Show we told Patrick to order our Airstream.

What trailer do you currently own?

We own a 2018 Airstream Classic 30 RBT.

What is the longest trip you have taken with your Airstream?

The International Airstream Rally at Doswell, Tennessee by way of Virginia Highland Haven Airstream Park, Cooper Hill, Virginia. Three weeks. Another close trip would be Virginia Highland Haven Airstream Park, Cooper Hill, Virginia on our way to Alumalina in Marion, North Carolina.

What other hobbies do you have other than Airstreaming?

Church, Walking, hiking, kayaking, biking, and spending time with our family.

Career or past career? I (Mike) took an early retirement after 36 year in the Trucking Industry. Jackie recently started easing into an early retirement by going part-time as an Insurance Provider Consultant.

Did you name your trailer, if so, what is it and why? Yes we did name her. Sylvia Grace. Sylvia, because she is silver and no one had that license plate, so she got it. Grace, because it is only by the Grace of God that we could afford her, and travel seeing our beautiful country, made by God's Hands.

Carey Boland, Director/Trustee

How were you first introduced to Airstream?

I was first introduced to Airstream when I saw them on the road and then went to check them out at the Hershey RV Show.

When did you purchase your first Airstream or camper and what was it?

We purchased our first Airstream in 2017 and it was an International Serenity 27FB.

What trailer do you currently own?

We currently have a 33ft. Classic.

What is the longest trip you have taken with your Airstream?

The longest trip I have taken was to 4 National Parks back to back. Glacier NP, Yellowstone NP, Theodore Roosevelt NP and Badlands NP. As much as I loved our Airstream, I really enjoyed being back in our house again which seemed a lot bigger when I returned—lol.

What other hobbies do you have other than Airstreaming?

Karen: Hobbies include kayaking, hiking, sewing, crafting, watching documentaries, and playing the piano and cello.

Career or past career?

Past careers included working at an art gallery in NJ and as an art teacher.

Did you name your trailer, if so, what is it and why?

We named our first trailer Pearl because once you opened the door and got inside that cold metal shell, there was a beautiful white jewel of an interior.

Tim Palmer, Director/Trustee:

How were you first introduced to Airstream?

We fell in love with Airstreams when we first went inside one at a RV show in 2000.

When did you purchase your first Airstream or camper and what was it? We purchased our first camper in the Spring of 1983 at a RV show, a Coleman Pop-Up. Our next camper was a 23' Citation in 1998 and then a 25' Citation in 2004 before we finally purchased our Airstream in 2017.

What trailer do you currently own? We currently own a 2017 Flying Cloud 27FB that we ordered from Colonial Airstream.

What is the longest trip you have taken with your Airstream?

The longest trip we've taken with our Airstream is to Myrtle Beach, SC.

What other hobbies do you have other than Airstreaming?

Besides camping, I enjoy ballroom dancing with my wife Barb and riding our tandem bicycle.

Career or past career? I semi-retired at the end of 2020. My career was a tool and die maker/designer. I still do consulting for them, quoting the design and build of high-speed progressive dies.

Did you name your trailer, if so, what is it and why? We gave our Airstream the nickname "Silver Lining" because every dark cloud has one. Our BRN 4031 is from Isaiah 40:31.

Libby Trostle, Webmaster

How were you first introduced to Airstream? Growing up, our next-door neighbors had an Avion. I thought it was an Airstream until just recently when my Dad clarified. Because it always sat in their backyard, I thought they were ugly. But then

when Brad and I went to the Dulles RV Show in 2015, I got to see the inside of one, and I was hooked.

When did you purchase your first Airstream or camper and what was it? We bought our first Airstream in 2016 from Colonial Airstream. It was a 2016 Flying Cloud 25RBT. We loved it, but soon decided to go larger, as we were planning to retire and become snowbirds.

What trailer do you currently own?

We now own a 2019 30ft International Serenity that we bought new from Airstream of Virginia.

What is the longest trip you have taken with your Airstream?

That would have to be our trips to Florida right now, but we are headed West for a couple months next year. We winter in Florida from October to early April. We bought an RV lot at Silver Palms RV Resort in Okeechobee, Florida. We are far enough south when there that we enjoy 70-80+ degree weather the entire Fall and Winter. We've been driving home (without the Airstream over the holidays for a few weeks during that time.)

What other hobbies do you have other than Airstreaming?

I have a lot of hobbies and side businesses. I am a licensed commercial drone pilot. I don't fly as much as I'd like to. I am a children's book author. "The Adventures of Shining Hope" is a series about Airstream travels. My stories are set in places across the US and Canada that we have visited and enjoyed. There are two books published right now: *Shining Hope Visits Niagara Falls* and *The Great Carolina Caper*. The next book is tentatively titled *Gracie Blasts Off* and it will take place on the Space Coast of Florida. I also am an artisan. I make laser cut jewelry and home décor, custom t-shirts, RV décor and accessories and, I just started making dollhouse miniatures!

Career or past career? I was fortunate to retire in October 2021 at the age of 56 from Carroll Community College in Westminster, Maryland, where I was the Vice President of Continuing Education & Training and an executive team member. In total, I spent about 15 years in higher education and 20 years in human resources/training in the financial services industry. I also took a 3-year break from 2007-2010 to open an antiques and consignment shop. I earned my degrees late in life – it took me ten years of part-time

nights and weekends to get my BA in Business Administration in 1999, and I earned my MBA at the age of 50 in 2015.

Did you name your trailer, if so, what is it and why?

We named our trailer Shining Hope because she represented our hopes and dreams for our future—a life of travel, freedom, and adventure.

Margaret and Walt Saylor, Newsletter

How were you first introduced to Airstream? **Margaret:** I have always loved their form and design, the timelessness and

history. **Walt:** My family had a trailer or two growing up, but Airstreams were always the unattainable holy grail of campers.

When did you purchase your first Airstream or camper and what was it? We bought a Riverside Retro and while we enjoyed it, we kept saying, "this is nice but what we really want is an Airstream." Thus began the search and we were lucky to find a barely-used Airstream in Rochester, NY.

What trailer do you currently own? We now own a 2016 25ft Flying Cloud FB, purchased privately in 2018.

What is the longest trip you have taken with your Airstream? We've been north and we've been south, I suppose Maine for the international rally was the longest trip so far.

What other hobbies do you have other than Airstreaming?

Margaret: I paint and draw and look for cool plants and fungi to use as subjects. I love antiques, architecture, and spending time with our two grown sons. **Walt:** Any free time is spent working on my '57 TBird, and I don't see that ending any time soon.

Career or past career? **Margaret:** After earning a BFA in graphic design, I worked for 10 years as a package designer, then freelanced. In my 40s I went through the NYBG botanical art and illustration certificate program. Now I teach botanical art all over the country, specializing in mushrooms and fungi. I edit and design a journal called *The Botanical Artist* for the American Society of Botanical Artists. I also draw and paint for exhibition and private clients. **Walt:** I also earned a BFA in graphic design, but went the route of publishing. I am currently the Director of Brand and Content for the world's largest pest control company.

Did you name your trailer, if so, what is it and why?

We couldn't think of a name for quite awhile, then came across the Latin phrase *Nullius in verba*, which loosely translated means "on the word of no one" or "take nobody's word for it." That resonated with us! I call her Nully.

cover story

Through the Years

by Ken and Audrey Landwater, #6262

Since joining WBCCI, we had decided we wanted to see the US and the best way to do that is to join the caravans that they offer.

We have been on 12 national caravans and one regional caravan. We enjoyed them all, you get to meet a lot of different people all across the United States and Canada. We still keep in touch with some of the people that we have met along the way.

Many of the caravans we've been on do not run anymore, they had either lost their leaders or the leaders had moved on to other caravans. The caravans we have been on are Landmarks West, The Viking, The Southwest—twice, one in the spring and one in the fall. The Cajun Heritage Caravan, Yellowhead and More, The Wilder West, Springtime in Kentucky, Great River Road, Maple Leaf, Taste of the BlueRidge and Nor by NorEast. The Regional caravan was on Victoria Island right after the Maple Leaf caravan was over. We have had a great time sightseeing throughout the years and probably would have never done all that we did if it were not for the caravan opportunity.

The Landmarks West traveled from Petaluma, CA to Medora, ND, which covered a lot of National Parks in the US and a trip to Butchart Gardens, Victoria, British Columbia. From Petaluma we had visited San Francisco, Golden Gate Bridge, cable cars and saw Alcatraz from a boat ride. We followed north along the coastline, stopped in Fortuna, saw beautiful mansions, onto North Bend, OR, then to Grands Pass, OR, where we visited the Oregon Caves National Monument. Diamond Lake is where we visited Crater Lake, then to Stevenson, WA, where we visited Bonneville Lock & Dam Powerhouse, Columbia Gorge Interpretive Center Museum, and the next day, Hood River and Hood Mountain. At Ocean Park, WA we had baked oysters and clams which our leader prepared. In Port Angeles, WA. we had a bus ride to Victoria City to Butchart Gardens, British Columbia, very beautiful. In Olympia, WA, we visited Klondike Gold Rush, took a tour of the underground city which was very interesting, and the Public Market Center with the fish throwing. Visited Grand Coulee Dam at Electric City before going to West Glacier, MT, took the antique red bus ride on the Going to the Sun Road,

Above: Golden Gate Bridge; Redwoods; Crater Lake Lava Butte

but it was raining that day so my pictures really didn't turn out very well. We had traveled to Bozeman and to Yellowstone, WY; toured around Yellowstone and then on to Cody, where we went to a rodeo and drove the Bear Tooth Highway. Our trip ended in Medora, ND where we toured Theodore Roosevelt National Park and had a pitchfork fondue dinner—steaks were really put on a pitchfork and dropped into peanut oil to cook, very tasty. We had also saw an outdoor musical at Burning Hills Amphitheater.

Why we like caravans: we don't need to plan anything, all activities are planned, all your campgrounds are paid for, as well as some of your meals. The only thing you pay for is your fuel and if you decide to eat out. You just need to follow along and enjoy yourselves. First you sign up for the caravan of you choice; you can also call the leaders and see how many have signed up and if you are on the wait list. You don't put a deposit down until you are on the caravan for sure, then you pay the deposit and first installment. Don't hesitate to be on the wait list; we had been 60th on the wait list for Alaska and got called about going, we actually switched with another couple that wanted to go to Alaska and we went on Nor by NorEast. The caravans are a nice way to travel with people and you feel safer instead of traveling by yourself. Personally we like the longer caravan, you get to know the people better and I remember their names better too.

To be continued with another caravan next month!
