Our Mission Statement
South Florida Airstream Club is a welcoming family of Airstream owners who invite and mentor others to experience the adventure and fun of Airstream travel.

President's Message

Winter Wonderland.

We are lucky to live in Florida, where the weather is mild, and the sun is shining bright. What better time to go camping in your shiny Airstream?

Judi and I returned from South Africa and our trip to Israel. Both trips were terrific, but we were excited to return to our home away from home, "Silvie." So when we got back, we jumped into our Airstream and headed to our Executive Retreat at Traveler's Rest.

I am so proud of our club members and our Board of directors. We have been told by many people in the region just how special unit 30 is. And I must confess, I think they are correct. That said, we are always looking to improve our game. And for that reason, I asked our Board to meet and spend an entire

Board Members at Work

day reviewing our goals and produce items we should Start, Stop and Continue doing. Your Board came together at their own expense and devoted an entire day to reviewing and brainstorming the following items:

Membership, Engagement, Outreach, Leadership Responsibilities, Recruiting New Members, Diversity, Pop-up Meetings/Rallies, Club Policies, Planning Guidelines, WBCCI Bylaws/Constitution, Communications, WhatsApp, Facebook, WBCCI Website, Welcome Letters, Fun Times Newsletter, Rallies & Caravans, Mission Statement, amongst other items. As I said when I opened the meeting, you don't have to be sick to get better. I am excited to see us implement our action items to help make our great club even better.

David Robshaw Verifying the Bylaws

A special shout out to Barbara Colson (who arranged the meeting room and the meals), Lucy Comprosky (for acting as our scribe), Linda Laviano (for writing on the flip chart), and Dave Robshaw and Tim McDow (for all the work they did on the Bylaws...) and to our Parliamentarian Tony for reviewing the same. Also, I would like to thank Judy Harrison, Past President, Harry and Sandra Gonzalez, Emilio Caragol, Vicki Wasson and Chuck Wasson for their participation.

I hope you can also get out and enjoy this magnificent weather.

See you down the road!
Lewis Fogel, President

Seventeen members of Unit 30 kicked off the new year at the Canopener, a National Event Rally held at Topsail Hill Preserve State Park in Santa Rosa Beach, Florida. Although the rally is officially held on the first weekend of January. Many “Canopians” arrive for the pre-rally festivities which included Taco Tuesday, outings to local restaurants, state parks, beautiful beach sunrises and sunsets, and live music at the onsite coffee shop.

A popular outing was to the 30A Ax Throwing Company where Julie and Jim Nicholas, Linda Laviano and Dave Robshaw, Emilio and Shirley Caragol, joined 100 other Airstreamers for an afternoon of target practice.

Emilio came in second place in the speed throwing round. What skill! Braving the chilly temps, Jim Nicholas participated in the Polar Bear Plunge New Year’s morning. By the time the rally started on January 5th the park had turned silver with over 120 Airstreams and 228 people in attendance.

The rally started on Thursday with a beer and root beer exchange, live music, and door prizes. The highpoint of the rally was the cornhole tournament and chili feed on Friday. Phil Enoch, Dave Robshaw, Julie Nicholas, Bill Clutter, and Tom Progar tossed the bean bags while Judy Harrison, Elwyn Exum, ReShelle Enoch, Linda Laviano, Barbara Colson, Eileen Schuff, Tim and Pam McDow, Shirley and Emilio Caragol, and Missy Clutter cheered them on.

Everyone feasted on a variety of delicious chilis, soups, and desserts prepared by the group followed by many community campfires and visits with old and new friends. This year included a first ever Mardi Paws Parade for the enjoyment of the pets and humans along the route. Saturday morning brought everyone out in their PJs for group photos and southern hospitality (tomato and mayo sandwiches, sweet tea, and moon pies!) There was ample free time to relax and socialize at the campground as well as explore the area beaches and restaurants. Next year’s dates will be 1/4 – 1/7. Campsites are already booking up.

Treasurer's Report

January 31, 2023

We currently have 2 CD's . It was decided to close one and deposit it into the checking account. . The other matures in July and hopefully can be placed into a higher yield CD. There were checks lost for the Pumpkin Rally due to the storm, all these checks have been replaced. Outstanding obligations at this time are only to Lewis for expenses. We are looking to set up online banking in addition to a debit card to make payments easier.

The current balance in the checking account is \$6,684.38

One CD reached maturity and was cashed out and deposited into the checking account on
1/20/23

The balance on the remaining CD account is \$7,039.72

Joint Holiday Rally, November 30 to December 4, 2022

On Wednesday, November 30, 2022, the first of nearly 60 rigs started arriving at the Sarasota Fairgrounds for the “Joint Holiday Rally,” four nights of festive fun co-hosted by the South Florida Airstream Club, the Florida Suncoast Airstream Club, and the Florida Treasure Coast Airstream Club.

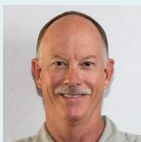

It was an amazing event, attended by amazing Airstreamers, in an amazing place. While “amazing” is the overused descriptor here, what’s truly amazing is that the rally happened at all, for this was “The Rally That Almost Wasn’t.”

Earlier in 2022, the “Joint Holiday Rally” was proposed by the leadership of the Florida Suncoast Airstream Club as a binary event involving their unit and ours. Planning, logistics, and communications were handled almost exclusively by the Suncoast Unit as the rally date approached. The Florida Treasure Coast Unit joined the fun later in the year. Then, surprising everyone with less than 60 days before the rally, the leadership at Suncoast unexpectedly changed, leaving the future of the event in jeopardy.

The South Florida Airstream Club quickly assumed a primary role in reframing the execution of the rally. A core leadership team from our unit, Suncoast, Treasure Coast and Region 3 was established and in meetings conducted via Zoom, quickly regained its footing in pulling off what ended up being one of the premier Airstream rally events in Florida in 2022.

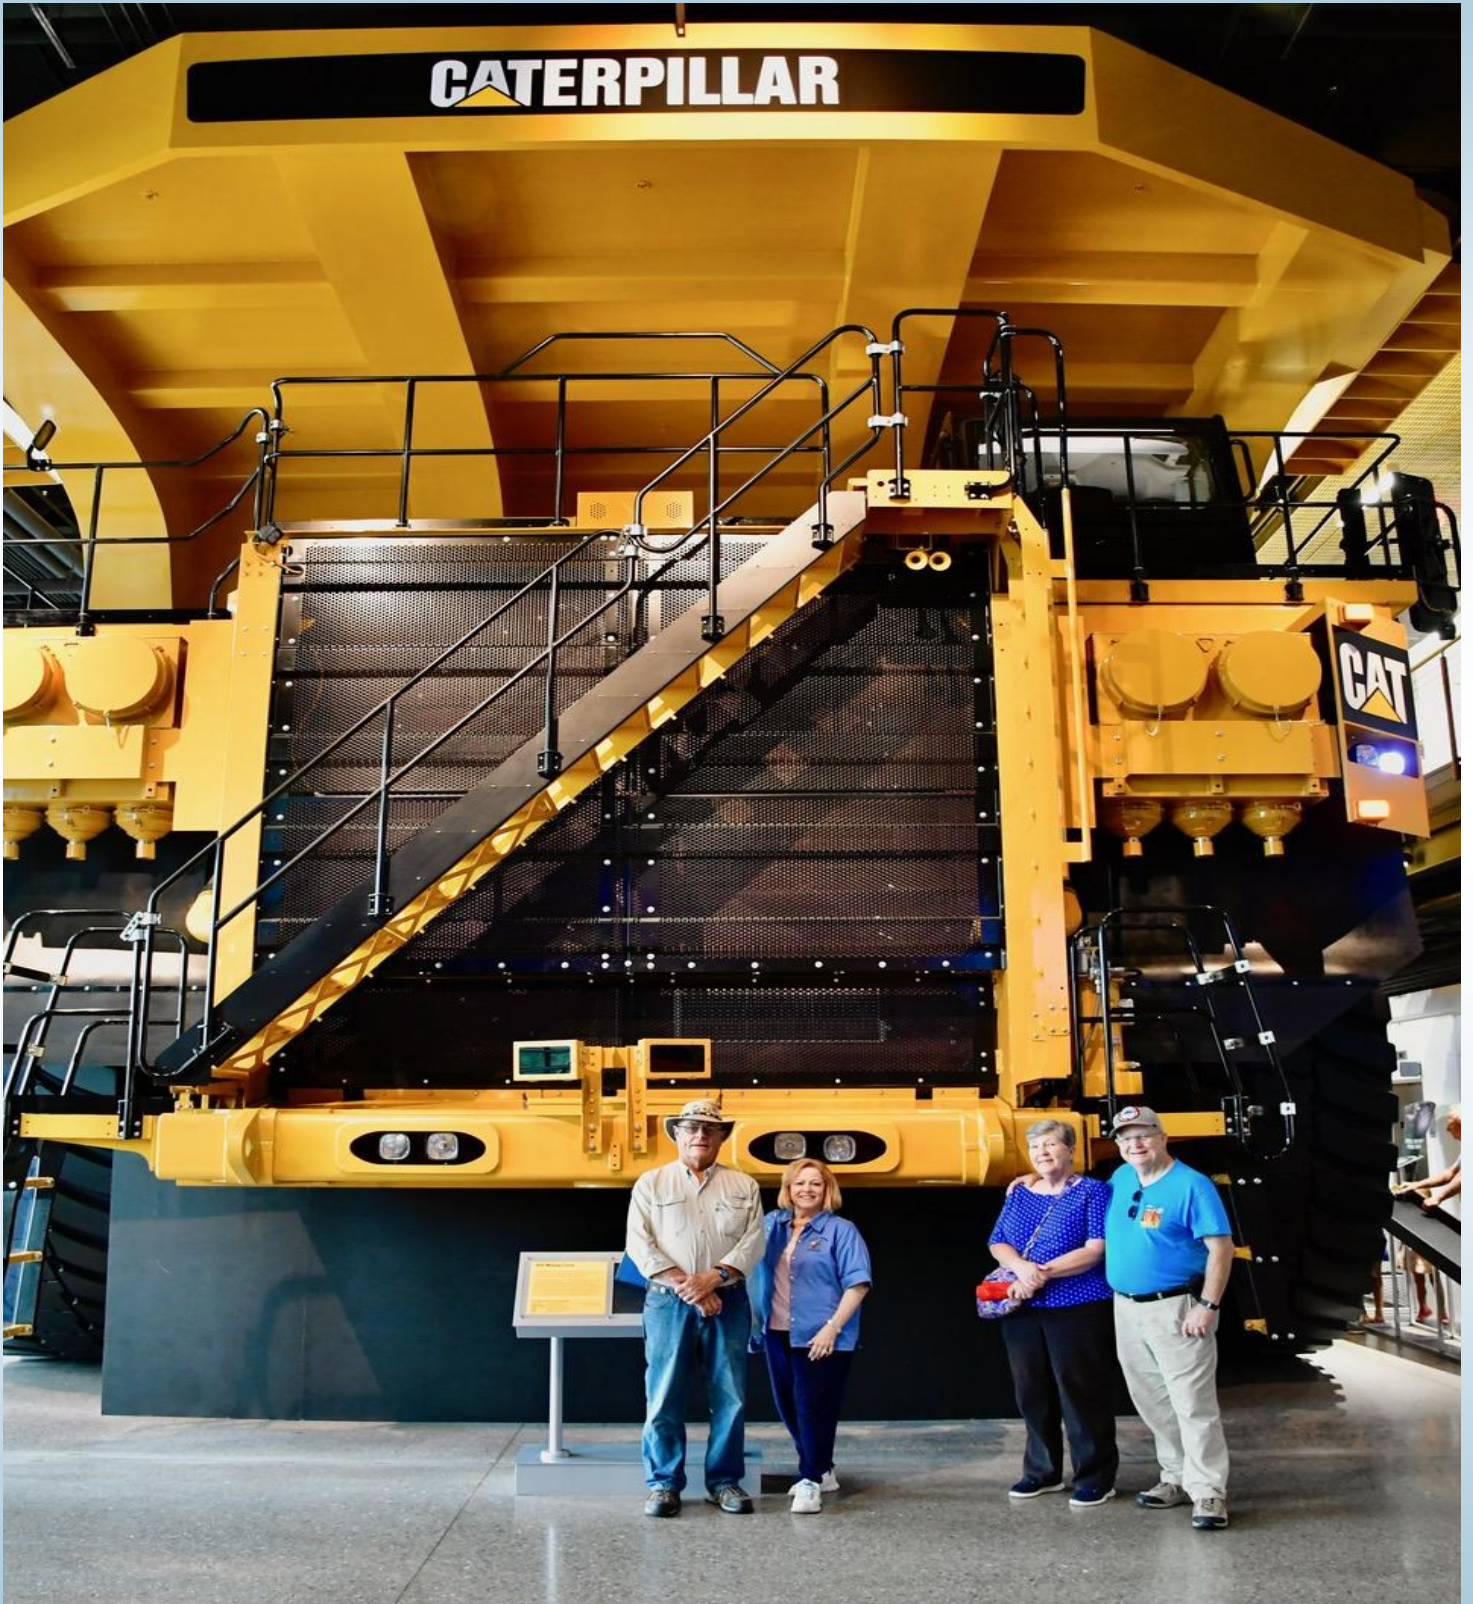

The rally featured catered meals by Publix, excellent technical and trade presentations, numerous “pop up” gatherings, a “swap meet,” a wonderful (very successful) toy drive for PEPPi Head Start in Belle Glade, an excellent location, and support from Airstream of Tampa, SkyMed, and Cox Chevrolet. In addition to the spectacular weather, the Sarasota community was fantastic.

Many of us enjoyed the local Amish restaurants and others with gorgeous waterfront views. Campfires lit up the evenings at the fairgrounds as old friends reconnected, and first timers found their Airstream “legs,” establishing new connections and memories that will last forever. Not bad – considering this was The Rally That Almost Wasn’t!”

Made in America

It seems like an ever-growing list of products and goods we buy on shelves of American stores (or online) are manufactured overseas.

Well, if you'd like a refresher course on some of the most recognizable goods and products made in the United States of America, we have a caravan for you!

We hereby invite you to caravan along with us on the Made in the USA caravan. It will start on Monday, September 5, 2023 (Labor Day) and conclude approximately Thursday, October 12, 2023.

We will meet in Wapakoneta, OH and begin with a visit to the "Mother Ship" (the Airstream Factory Service Center in Jackson Center, OH) to see how Airstreams are made.

The most popular tour on the caravan, as noted from last year's attendees, will be our visit to the Wilson Football Factory (www.wilson.com), where they make 700,000 footballs by hand each year. College and pro football are just starting up at that time of year.

A visit to the 3-story Bicycle Museum will show you one of the earliest wooden bicycles to the latest bikes made with carbon fiber.

We then continue on to Milan, MI and the Ford Rouge Plant where you can see F-150 trucks being assembled. The Henry Ford Museum rivals the Smithsonian in DC in its originality and its display. www.thehenryford.com.

In addition to the plant and museum, Greenfield Village lets us experience life in days gone-by.

Another popular stop on this caravan is the Jiffy Mix Factory in Chelsea, MI, where you will see how the products are mixed and boxed. Jiffy makes and prints the boxes and they are shipped to 36 countries. (www.jiffymix.com)

In Auburn, IN, we plan to visit the Duesenberg Museum (www.automobilemuseum.org) and the National Automobile and Truck Museum. (www.natmus.org)

Arriving in Elkhart, IN, the tours continue at the Studebaker Museum, (www.studebakermuseum.org), where we will have an awesome lunch at the Tippecanoe Restaurant, which looks like a miniature castle.. At the South Bend Chocolate Factory, we will taste samples of chocolates, and learn the history of the sweet. Those with a sweet tooth can buy to their heart's content. (www.sbchocolate.com)

Next in Kokomo, IN is a great two-hour tour of Kokomo Opalescent Glass Factory (www.kog.com). You are sure to enjoy a kaleidoscope of colors created by the artists. Some of our previous caravanners even took lessons later in the afternoon.

We will continue to Remington, Rock Island, and Moline IL, where we will dine at Bally's Casino. John Deere (www.deere.com), Harvester and Caterpillar (www.caterpillar.com) factories will satisfy your need to see big equipment which keeps our farms producing the best in American products.

One of the top three rated factories by our caravanners is the two-hour Subaru Assembly tour. We won't miss seeing the Fair Oaks Dairy Farm (www.fofarms.com) where they milk 10,000 cows three times a day! Check out the website to see the whole experience.

Made in America

Belvedere, IL is a great stop for the railroad enthusiast: the Illinois Railroad Museum (www.irm.org) is the largest in the country. This stop also includes our “Chicago day.” It begins with a round-trip coach excursion to Chicago for an architectural tour of the city. Fun continues as we board a boat for a tour of the Chicago River. The Bean is an architectural marvel that’s worth a stop. We will also visit the Navy Pier (www.navy pier.org) before we leave the city..

Milwaukee, WI is the last stop. We will tour the Miller Brewery factory and taste the bubbles of Miller Brewery (www.millerbrewerytour.com). The Pabst Mansion (www.pabstmansion.com) has beautiful woodwork. If you like the wind in your hair, you’ll likely enjoy the newly designed Harley-Davidson factory which is scheduled to re-open in July 2023 in time for its 100th anniversary (www.harley-davidson.com).

We also have a day trip to Sheboygan to see the Kohler company factory. www.kohler.com Well, if you are retired and living the dream, it is only reasonable to say you need a throne. A Kohler \$10,000 toilet/throne is there for you, and you’ll see why it costs so much! This was one of the top-rated tours by Airstream caravanners in 2022. We will then tickle your palate by taking you to the final banquet at a Mader’s German Restaurant in Milwaukee. www.madersrestaurant.com

We’d love for you to Join us and see how and why America’s workers are the backbone of our country.

Meet the Volunteer Caravan Leaders

Bill and Beth Racavich live in Pompano Beach, Florida. They have been camping for 53 years. They retired 13 years ago and bought an Airstream. They have loved and attended 21 caravans, four Internationals and many unit rallies. They have both served as president of their South Florida unit and they have been co-leaders on the three-part Civil War Caravans.

The co-leaders are Dale and Kathy Spillman, who live in Baton Rouge, LA and belong to the Louisiana Airstream Club. They have been members of WBCCI since 1984 and retired in 2010 to begin their great Airstream caravan adventures, beginning with Alaska. They have been on 27 caravans and are National Caravan leaders. They led the three-part Civil War caravan and were co-leaders on the Landmarks West Caravan. They were co-leaders on this caravan in 2022.

South Florida Airstream Club Planning Guidelines

January 21, 2023 – The South Florida Airstream Club Planning Guidelines.

PLANNING TEAM:

The planning team will consist of the President, 1st VP, 2nd VP and Past President. This team will plan the master calendar dates keeping in mind that we want to extend each rally through the weekend to encourage attendance by members who may still be working. This team will identify the region of Florida that will be targeted for each of the rallies.

This team will identify areas for future rallies within a **2 year time frame**.

This team will solicit new camping venues from the members.

LOGISTICS TEAM:

The Logistics Team will consist of the 1st VP, the 2 one year Trustees, and 2 club members from different families.

This team will develop the schedule for each rally. This will include the day, time of day for each activity and will also include free time. The schedule may be adjusted as the Action Teams share their suggestions.

One or more members of this team will visit the campground to assess arrival information or campground information that must be shared with the members. This team will work with the Communications Team (Fun Times, Facebook, Website) to create enthusiasm and to promote attendance at the rallies.

The Logistics Team will contact individual members to be in charge of one small activity at the rally. The objective is to involve members in a variety of activities at future rallies. This team will provide the Action Team with specific written job descriptions. This team will work with the Member Outreach Team to recognize new members and invite them to share their interests with the club members at some time during this rally.

ACTION TEAM:

One member (family unit) will be responsible for one small activity during a rally. The person organizing an activity may ask other members to help if needed. The idea is to have many others helping. This team will be provided a specific written job description.

MEMBER OUTREACH TEAM:

Team leader chooses 2 additional members for the team. Here are some of the important activities of this team.

- Contacts new members
- Phone call/email welcome to new members
- Introduces new attendees at the rally
- Recognizes birthdays and anniversaries through a phone call and at the next rally.
- Informs new members of Facebook page and privileges

COMMUNICATIONS TEAM

- **Fun Times Editor** email newsletter to all members
- **Directory Editor** keeps the membership list updated and sends a directory to new members.
- **Facebook Administrator** (chooses 2 members as manager assistants) to keep page updated with club information, monitors posts and enters new members to our page. Will keep the WBAC website up to date with club activities.

TEXAS ECLIPSE CARAVAN 2024

Greetings, Unit 30 members:

This update is for the twenty rigs that are currently registered (and the five rigs who are on “standby”) for the Texas Eclipse Caravan scheduled for April 2024. I know you all are as excited as I am to be in Concan TX on Monday, April 8, 2024 at 1:30 PM CDT for 4 minutes and 24 seconds of solar eclipse totality. That’s just 1 year, 7 months, and 13 days from today (8/25/22).

The rough structure of the Texas Eclipse Caravan 2024 is firming up. There are four segments to the caravan that are described as “The Dash,” “The Eclipse,” “San Antonio,” and “Austin.” “The Dash” is structured for those who prefer to travel as a group from Tallahassee FL to Concan TX. It is not expected that everyone will participate in “The Dash,” but all are welcome. **That said, to ease planning, please let me know ASAP if you are interested in “The Dash.” As well, and perhaps more importantly, let me know if your plans have changed and you are no longer planning to attend this caravan, or ANY PART OF IT. This will mean a lot to those on the waitlist!**

“The Dash” – A quick trip out to Texas

Wednesday, April 3, 2024 – Meet and overnight at a yet undetermined RV Park or CG in or near Tallahassee FL. Seems like a good jumping off point for our S. Florida membership.

Thursday, April 4, 2024 – Overnight in or near Biloxi MS (304 miles, 4:30 drive time).

Friday, April 5, 2024 – Overnight in or near Lake Charles LA (273 miles, 4:18 drive time).

Saturday, April 6, 2024 – Overnight in or near Flatonia TX (250 miles, 3:51 drive time).

Sunday, April 7, 2024 – Reach Zuber’s River Camp in Concan TX (169 miles, 2:41 drive time).

“The Eclipse” – The Main Event

Sunday, April 7, Monday, April 8 (Eclipse Day), and Tuesday, April 9, 2024 – 3 nights at Zuber’s River Camp to enjoy the main event.

“San Antonio” – Home of the Alamo and so much more...

Wednesday, April 10, Thursday, April 11, Friday, April 12, and Saturday, April 13, 2024 – 4 nights at a yet undetermined RV Park or CG in or near the San Antonio Metro Area. (Events and activities there TBD as action teams come online over the next 8 months.)

“Austin” - Capitol of the Lone Star State

Sunday, April 14, Monday, April 15, Tuesday, April 16, and Wednesday, April 17, 2024 – 4 nights at a yet undetermined RV Park or CG in or near the Austin Metro Area. (Events and activities there TBD as action teams come online over the next 8 months).

The caravan will officially end, and we will depart our Austin location on Thursday, April 18, 2024. There is

TEXAS ECLIPSE CARAVAN 2024

Our current list of attendees are as follows:

Robshaw, David and Linda
Clutter, Bill and Missy

Rubber Moldings & window seals.

Proper lubrication of all windows and doors rubber moldings is critical to ensure proper function and life expectancy of material. Lubrication will prevent the material from drying out, discoloration, and breakdown due to the sun exposure to the Airstreams trailers while camping or outside storage.

I found this product to work the best for me, it is simple to use and it has it's own applicator attached to the bottle. Simply apply to all rubber surfaces and wipe with a clean microfiber cloth. Project time and cost, approximately 45 minutes, cost \$15.00.

Door Latches

I was having problems with the closet door during travel it would swing open and would not stay closed.

I installed a second latch on the door and now it remains closed and secure during travel. I have taken three trips, approximately 2000 miles with no issues. There are 13 latches total in my 2018, 28 ft Flying Cloud. Project time and cost, approximately 15 minutes, \$8.00.
