Enjoying conversation with Toni Nolder while overlooking the Fortress of Louisbourg, Nova Scotia, Canada.

Here we are in March already, and I can feel the camping season approaching. Here in Arizona, Chris and I have been reflecting on last summer's Airstream club activities. Parking together as a club at the International Rally in Maine gave us a great chance to socialize and get to know some of our club members better. Many of us then went on to the wonderful Canada caravan and had several more weeks together. We spent time exploring new places in Canada, and made new friends from different Airstream clubs that joined us on this adventure. Side trips with fellow campers allowed for extended conversations and opportunities to learn more about each other. It is always interesting for me to see what people's different life experiences have been. Of course, we heard a lot about places they had travelled in their campers, but we also discovered many things about them that were interesting, funny, and sometimes even sad. All these experiences contribute to who they are today. As I told my children as they were growing up, life is an accumulation of experiences; take advantage of as

Seventy-five years on the road

In the year 2006 Airstream itself had its 75th birthday. The silver bullet design has stood the test of time, and so has the riveted-aluminum construction. The company's longevity is reflected in the products we build – in 2006, 65% of the Airstreams that had been built since Wally Byam's first trailer were still on the road. In fact, some of those aged warriors included some of the ones built from the five-dollar plans Wally sold before the first factory was even open.

many as you can and you will learn a lot about the world and the diversity of people in it.

We had an opportunity to Facetime in on the “Souper Bowl” party at Joyce and Gilles Rousseau’s home. It was exciting to see some of our new Airstream family members there, including some kids! Just a couple more months and we will be back at the campgrounds together. In the meantime, we have another opportunity to get together at Rhona and Russ Fuller’s home for the St. Patrick’s Day party. Thank you to Russ and Rhona as well as Joyce and Gilles, Eileen and Don Allers and Gail and Wiley Downing (in Traveler’s Rest) for hosting our club’s winter parties. It was wonderful to see so many of our friends attending these events.

These last few months of our off season will see us putting together two committees; one to address the changes to our club constitution that are required by International as a result of procedural changes at their level, the other to discuss a potential name change to our Connecticut club. Members will have a chance to vote on any of these changes. ~

Joyce Rousseau and Carol share a silly moment on the dock in Lunenburg, Nova Scotia, Canada.

Souper Bowl Sunday South

The Charter Oak South gang gathered together at Travelers Rest Resort in Dade City, FL, on Sunday, February 12. It was the annual pre-Super Bowl Sunday gathering of members and guests to sample amazing homemade bowls of deliciousness. Gail and Wiley Downing were the hosts of this social and culinary event. The invocation was given by Richard Kushman and allowed all attendees to pause, reflect and give gratitude for all we have been given including the friendships we have made as well as the beautiful meal we were about to partake. What occurred next was a consistent back and forth to the buffet table to sample all the homemade soups made by the attendees.

Soup was super!

Good turnout at Travelers Rest Resort.

Some of these soups included Chicken Corn Chowder, Carrot Ginger soup and Peanut soup. Additionally, diners enjoyed Mushroom soup, Mulligatawny soup and Moong Bean soup. There were many other soups enjoyed at this fun event. Bread and dessert were provided by our hosts. Surely, some individuals went home to take a well deserved nap, on a full belly, to get ready to watch the Super Bowl broadcast that same evening!!

Souper Bowl was a Success

by Joyce Rousseau-8988

It might have been the middle of February, but the weather dawned warm and bright for the 22 members of Charter Oak who attended the Souper Bowl of the North gathering. Those in attendance were: new or almost new members: the Goodwin family- Jason, Sherry, Austin, Riley and Hazel, newly transplanted from Texas, Hally Schoen and Steve Seitz, Kathryn and Mark Collins, along with “old” members, Evie and Bill Watts, Dave Jensen, Russ and Rhona Fuller, Billy and Julie Steers, Sally Kerr, Moe and Jason Pershinsky, Don Allers and hosts, Joyce and Gilles Rousseau.

Gathered around the appetizer table, from left to right: Jason Goodwin, Evie Watts, Don Allers, Jason and Moe Pershinsky, Bill Watts hidden behind Rhona Fuller, and Kathryn and Mark Collins surrounding Russ Fuller.

Everyone arrived in a timely fashion, took a look at our new barn, and then put their soups on the counter or stove to warm. They wandered around greeting each other and eating appetizers. The rooms were filled with happy noise as we caught up with old and new friends’ activities and travels. It was fun having the three Goodwin children ducking between the adults and making themselves at home.

Photos by Gilles Rousseau

From left: Steve Seitz, Hally Schoen, Sally Kerr and Julie Steers enjoying appetizers and getting to know new friends.

After reacquainting with each other I announced that the soups were ready and assured everyone that we really did have 22 chairs around our two large tables. We all fit with no problem and claimed one small bowl after another of the delicious soups. As usual, there was more than enough to feed twice the crowd, but Don’s homemade bread and honey butter might have won the prize had there been a contest. Thanks to all for making very unique and tasty recipes for our annual event.

Before deserts were served, I asked for rally chairs to give a short talk on our coming season. Russ and Rhona (whose beloved Axe had recently passed to doggie heaven) spoke about the St. Patrick’s Day Brunch next month and the Maintenance Rally and Spring Meeting in May. Julie and Billy Steers talked about the Streamin’ on the Rox Rally, a boon-docking opportunity in June. I also mentioned the Region 1 Rally in Barnstable, Ma. We were pleasantly interrupted by a call from President Carol Dubrowski who checked in with us from Arizona. It was nice speaking with and waving to her via

Facetime. Russ added some information about business items at the spring meeting including a possible name change (I explained to the new members the simple “Why” for this item, i.e. to find our club more easily in the directory.) and announced that he is involved with running a caravan touring the state of New York in 2024. Then we cleared the tables and shared in desserts and coffee.

I can happily say that all in attendance had a great time and found new friends. By the time you read this, hopefully someone will claim the nice black Columbia vest that remained after all left.

DUST IF YOU MUST

by Rose Milligan

Dust if you must, but wouldn't it be better
 to paint a picture, or write a letter,
 bake a cake, or plant a seed;
 Ponder the difference between want and need?

Dust if you must, but there's not much time,
 with rivers to swim, and mountains to climb;
 music to hear, and books to read;
 friends to cherish, and life to lead.

Dust if you must, but the world's out there
 with the sun in your eyes, and the wind in your hair;
 a flutter of snow, a shower of rain,
 this day will not come around again.

Dust if you must, but bear in mind,
 old age will come and it's not kind.
 And when you go (and go you must)
 You, yourself, will make more dust.

The Souper Bowl Luncheons in the North & South were well attended and enjoyed by all. Thanks to the hosts. Glad to hear that **RUSS & RHONA FULLER** visited at Travelers Rest here in Florida. We always enjoy seeing members from up North to share our little slice of paradise.

BARD & KATHY FULLER hosted a COCAC gathering at their home (pictures below) and also hosted the annual New England Day luncheon on Sunday, February 26th and it was a hit...lots of good food and a "Guess what's in the bag" game. Even though all from New England were invited, most in attendance were from CT.

Many are looking forward to spring; we're okay here, as it already feels like summer. The next event is the St. Patrick's Day Luncheon with the Fullers, always a good time. Mark your calendars and plan to attend. ~

Our hearts are broken...our beautiful Axe crossed the rainbow paw bridge on 2-8-23 at home, in his bed. He chose the time and the place, he did it his way. Axe was a rescue from Atlanta Ga., thru Chesapeake Adopt a Spot, he was 6 years old when we got him, and lived to a ripe old age of 13^{1/2} years.

He loved to travel in our Airstream and made the Nova Scotia caravan with us last year and many many rallies in the past. He loved everyone he met and everyone loved him. He is missed by his brother Snoopy, who is constantly looking for him.

RIP our sweet boy. ❤️ ~ Russ and Rhona Fuller

Editorial: Support a Name Change

by Bard Fuller

One of the topics of conversation among Charter Oakians in Travelers Rest has been a name change for our club. There is a strong preference for “Connecticut” to be the first word in the club’s name so that new Airstreamers can more easily identify a local club that is based in CT.

It is thought that since our club’s constitution will need to be changed this year, to agree with international club changes, that this would be a good time to make a name change. It would also be timely since in the spring our Recording Secretary needs to register our club with the State.

I would support an effort for a name change to be established at the Spring Business Meeting in May. ~

Food for thought and beyond

by Richard Kushman

Renaming our club by dropping *Charter Oak* and adding *and Beyond* to *Connecticut* has gained some favor. When traveling and meeting fellow Airstreamers who ask Kathleen and I, “are you in the club and which unit?”, we generally answer the *Connecticut Unit*. We do not, at first, use the words *Charter Oak*. Fair to say we would answer the same and not include *and Beyond* at first, although it may lead to an interesting conversation about where we actually came from. Our club is the Connecticut Airstream Club so putting the name Connecticut first does in fact feel right.

What if our members do decide to include the phrase *and Beyond*? Couldn’t it be used as a slogan or motto which could appear in our logo, online, in the newsletter anywhere the club is represented but the legal name of the club simply be *Connecticut Airstream Club*? Would presenting ourselves using this motto convey our true reach and welcome new members from outside Connecticut? That’s all food for thought certainly so let’s go beyond for a moment.

Club members, some day beyond in the future, may decide they want to eliminate or modify the club motto. They could easily do so without having to change the legal name of the club. Perhaps a few board members might sympathize with that thought.

Below is a first draft of a possible logo should the membership decide to change the name of our club. Clearly, you can see, it conveys the same message for either of the two choices discussed here *and beyond*. ~

Side Note:

Hi Lori,

Do you have opinion or educated guess or perhaps first hand knowledge of just how or why people pick their first home club?

Hi Richard,

Yes, geographical is typically the first choice. Members seem to choose a club closest to their home.

Have a great day!
